NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of The Lost City of Z. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.

[The Medical times and gazette](#) Longman Italia

This coursebook is divided into 14 units with a language review at the end of each unit. Authentic texts, motivating topics and fun communication activities engage students of different ages and an extensive writing reference section includes model answers and develops writing skills.

**Coursebook** Pearson Longman

This text offers a thorough analysis of how listening, speaking, reading and writing, as well as grammar and vocabulary, are tested in a range of exams, along with appropriate teaching strategies for each. Also includes a guide to all major international English language exams.

Longman  
THE CLASSIC THRILLER FROM #1 NEW YORK TIMES BESTSELLING AUTHOR FREDERICK FORSYTH  
“The Day of the Jackal makes such comparable books such as The Manchurian Candidate and The  
Spy Who Came in from the Cold seem like Hardy Boy mysteries.”—The New York Times The Jackal. A

tall, blond Englishman with opaque, gray eyes. A killer at the top of his profession. A man unknown  
to any secret service in the world. An assassin with a contract to kill the world's most heavily  
guarded man. One man with a rifle who can change the course of history. One man whose mission is  
so secretive not even his employers know his name. And as the minutes count down to the final act  
of execution, it seems that there is no power on earth that can stop the Jackal.
