In ancient Greece, one of the twelve labours of Heracles was to bring back a golden apple from the Garden of Hesperides. To archaeologist Oriel Anderson, joining a team of Greek divers on the island of Helios seems like the golden apple of her dreams. Yet the dream becomes a nightmare when she meets the devilish owner of the island, Damian Lekkas. In shocked recognition, she is flooded with the memory of a romantic night in a stranger's arms, six summers ago. A very different man stands before her now, and Oriel senses that the sardonic Greek autocrat is hell-bent on playing a cat and mouse game with her. As they cross swords and passions mount, Oriel is aware that malevolent eyes watch her from the shadows. Dark rumours are whispered about the Lekkas family. What dangers lie in Helios, a bewitching land where ancient rituals are still enacted to appease the gods, young men risk their lives in the treacherous depths of the Ionian Sea, and the volatile earth can erupt at any moment? Will Oriel find the hidden treasures she seeks? Or will Damian's tragic past catch up with them, threatening to engulf them both?

From the Heights of Mount Olympus to the Depths of the Underworld - All You Need to Know about the Classical Myths B.E.S. Publishing

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettable vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.
