It is quite well known that when a small child falls from the sky in the land of Speria, they are to be taken to the monastery at Crescent Isle to learn to control their powerful supernatural abilities. Their fate not yet sealed, some of these children are thought to be cursed, outcast from society and deemed to be evil by nature. In the enclosed valley of Tuksa, one such child has just begun his journey. This 3rd edition includes over 18 illustrations.

It is a new beginning for Kratos. Living as a man, outside the shadow of the gods, he seeks solitude in the unfamiliar lands of Norse mythology. With new purpose and his son at his side, Kratos must fight for survival as powerful forces threaten to disrupt the new life he has created. The volume is an intimate chronicle of the years-long odyssey to bring Kratos and Atreus's beautiful and brutal world to life. Step into Midgard and explore beyond, as Dark Horse Books and Santa Monica Studio proudly present the quintessential companion to the enormously anticipated God of War. This is a document unlike any other that sets readers on an exhaustive behind-the-scenes journey to witness the creation of an epic of tremendous scale.

A critical look at how the Super Nintendo Entertainment System—and a resistance to innovation—took the company from industry leadership to the margins of videogaming. This is a book about the Super Nintendo Entertainment System that is not celebratory or self-congratulatory. Most other accounts declare the Super NES the undisputed victor of the “16-bit console wars” of 1989–1995. In this book, Dominic Arsenault reminds us that although the SNES was a strong platform filled with high-quality games, it was also the product of a short-sighted corporate vision focused on maintaining Nintendo’s market share and business model. This led the firm to fall from a dominant position during its golden age (dubbed by Arsenault the “ReNESSance”) with the NES to the margins of the industry with the Nintendo 64 and GameCube consoles. Arsenault argues that Nintendo’s conservative business strategies and resistance to innovation during the SNES years explain its market defeat by Sony’s PlayStation. Extending the notion of “platform” to

include the marketing forces that shape and constrain creative work, Arsenault draws not only on game studies and histories but on game magazines, boxes, manuals, and advertisements to identify the technological discourses and business models that formed Nintendo’s Super Power. He also describes the cultural changes in video games during the 1990s that slowly eroded the love of gamer enthusiasts for the SNES as the Nintendo generation matured. Finally, he chronicles the many technological changes that occurred through the SNES's lifetime, including full-motion video, CD-ROM storage, and the shift to 3D graphics. Because of the SNES platform’s architecture, Arsenault explains, Nintendo resisted these changes and continued to focus on traditional gameplay genres.

We've all read about the experts: the artists, the scientists, the engineers—that special group of people known as Imagineers for The Walt Disney Company. But who are they? How did they join the team? What is it like to spend a day in their shoes? Disney Legend Marty Sklar wants to give back to fans and answer these burning questions. When Marty was president of Walt Disney Imagineering, he created a list of principles and ideals for the team, aptly named Mickey's Ten Commandments. Using this code of standards as his organizational flow, Marty provides readers with insights and advice from himself and dozens of hands-on Imagineers from around the globe. It's a true insider's look like no other!

Will Save the Galaxy for Food Dark Horse Comics

You wake up in the mysterious Shrine of Resurrection and see a Hyrule you no longer recognize. All you have by your side is the equally mysterious Sheikah Slate

and the voice of a stranger to guide you. Take up the mantle of the chosen hero Link and journey throughout the most expansive, open iteration of Hyrule yet in your quest to destroy the monstrous Calamity Ganon and recover your memories of what happened 100 years ago.
