By Force of Arms Simon  
and Schuster  
The compelling story of  
the life and death of a  
Salvadoran gangster As a  
boy, Miguel Ángel Tobar's  
small town in El Salvador  
was torn apart by  
guerrillas and US- backed

death squads. Still a  
preteen, he joined a  
different kind of death  
squad—the Hollywood  
Locos Salvatrucha—a  
clique of the Mara  
Salvatruchas, better  
known as MS-13. This  
international criminal  
organization began on the  
streets of Los Angeles in  
the 1980s, as Salvadoran  
children, whose families  
had fled their country's

civil war, banded together  
to defend themselves  
from LA gangs. Denied  
refugee status, the  
Salvadorans found  
themselves pushed into  
the shadows and  
besieged by violence, and  
MS-13 itself mutated into  
a gang. When large-scale  
US deportations began,  
violence was exported  
from the United States to  
El Salvador, helping make

it one of the world's deadliest countries and in turn propelling new waves of refugees northward. The Salvadoran journalist Óscar Martínez and his anthropologist brother Juan José Martínez got to know the Hollywood Kid when he informed on MS-13. In his hideaway shack, he recounted a life of killing—a death toll of more than fifty rival gang members—until his own murder ended the story. Vivid and violent, *The Hollywood Kid* brings a brutal world to life, illustrating the

geopolitical forces propelling a country toward ever more vicious extremes.

Regret nothing. Sirantha Jax has the J-gene, which permits her to "jump" faster-than-light ships through grimspace. She loves nothing more than that rush, but the star roads have to wait... Her final mission takes her to La'heng, a planet subjugated during first

contact. Since then, the La'hengrin homeworld has been occupied by foreign conquerors. All that's about to change. Now, as part of a grassroots resistance, Jax means to liberate the La'hengrin. But political intrigue and guerrilla warfare are new to her, and this will be the most dangerous game she's ever played—spies and conspiracies, a war of weapons and hearts, and not everyone is guaranteed to make it out alive...

**A Novel** Vintage Canada  
From the New York Times

bestselling author of the Legion of the Damned® novels and the Mutant Files series comes the second novel in a postapocalyptic military science fiction series about America struggling to overcome a natural disaster but starting a second civil war... As people fight to survive the aftereffects of more than a dozen meteor strikes, a group of wealthy individuals conspires to rebuild the United States as a corporate entity called the New Confederacy, where the

bottom line is law. As a second civil war rages, with families fighting against families on opposite sides, Union president Samuel T. Sloan battles to keep the country whole. To help in the fight for unity, Union Army captain Robin "Mac" Macintyre and her crew of Stryker vehicles are sent after the ruthless "warlord of warlords," an ex-Green Beret who rules a large swath of the West. But defeating him will be even more difficult than she thought. The warlord is receiving military

assistance from Mac's sister—and rival—Confederate major Victoria Macintyre. And when the siblings come together in the war-torn streets of New Orleans, only one of them will walk away.

"Brilliantly conceived and plotted ... Read this book. You'll thank me later." -- David Baldacci The first in the international bestselling series! Who is Orphan X? The Nowhere Man is a legendary figure

spoken about only in whispers. It's said that when he's reached by the truly desperate and deserving, the Nowhere Man can and will do anything to protect and save them. But he's not merely a legend.

"Excellent...A smart, stylish, state-of-the-art thriller...might give Lee Child's Jack Reacher books a run for their money."—The Washington Post Evan Smoak is a man with skills, resources, and a personal mission to help those with nowhere else

to turn. He's also a man with a dangerous past. Chosen as a child, he was raised and trained as an Orphan, an off-the-books black box program designed to create the perfect deniable intelligence asset: An assassin. Evan was Orphan X—until he broke with the program and used everything he learned to disappear. But now someone is on his tail. Someone with similar skills and training who will exploit Evan's secret new identity as the Nowhere Man to eliminate him.

“Hurwitz melds nonstop action and high-tech gadgetry...in this excellent series opener.” —Publishers Weekly (starred review)  
*The Innocent* Del Rey  
Separating myth from reality, *The Enemy Within* traces the history of espionage from its development in ancient times through to the end of the Cold War and beyond, shedding light on the clandestine activities that have so often tipped the balance in times of war. This detailed account delves into the murky

depths of the realm of spymasters and their spies, revealing many amazing and often bizarre stories along the way. From the monkey hanged as a spy during the Napoleonic wars to the British Double Cross Committee in World War II, this journey through the history of espionage shows us that no two spies are alike and their fascinating stories are fraught with danger and intrigue.

Christina Rossi had it all for a while: a loving family, a career on an upward track, the works. Then a takedown of some eco-terrorists turned unexpectedly bloody, questions are being asked and the fast track is nothing but a memory as she doggedly pursues a slave labor case that might involve a Chinese mob and might be a complete bust. The family went away during an ugly divorce and her ex-husband's high-end life with a beautiful, upscale new wife has lured her

daughter into a risky social circle and turned her against her mother. Things are almost too good to be true when a new man in her life, Jack Dexter, handsome, smart and very well-off, brings about a startlingly wonderful romance and a change in her day-to-day circumstances and even connects her to some information on the seemingly dead-end case she won't give up. Too good to be true turns out to be what's going on when a pervert's murder starts to unfold Dexter's

dark secrets, her case begins turning into an uncontrollable monster and her daughter's life hangs in the balance. Andromeda's Fall Hitman: Enemy Within A Novel Picking up where the bestselling videogames left off, the Mass Effect novels take readers into the far reaches of outer space. From the prequel novel, Revelation, to the series capstone, Deception, these original adventures weave together a science fiction epic as they follow Starship Alliance

commander David Anderson and his young protégée, scientist Kahlee Sanders, in their battle to save humanity. Packaged together for the first time, this exhilarating eBook bundle includes: REVELATION ASCENSION RETRIBUTION DECEPTION Since discovering a cache of Prothean technology on Mars in 2148, humanity has spread to the stars. Now, on the edge of colonized space, ship commander and Alliance war hero David Anderson investigates the remains of a top secret military

research station. Who attacked this post and for what purpose? And where is Kahlee Sanders, the young scientist who mysteriously vanished from the base hours before her colleagues were slaughtered? Sanders is now the prime suspect, but finding her creates more problems than it solves. Partnered with a rogue alien agent he can't trust and pursued by an assassin he can't escape, Anderson battles impossible odds on uncharted worlds to uncover a sinister

conspiracy—one he won't live to tell about. Or so the enemy thinks. The Identification of Behavioral, Geographic and Temporal Patterns of Preparatory Conduct Context Literary Agency LLC Human and machine. Elite and Expendable. They are the Legion of the Damned. The Hudathans are on a rampage. They have created their own corps of cyborgs using copycat technology and psychotic candidates. They have refitted their hardware. Reloaded their

weapons. Refueled their insanity. And targeted the heart of the Confederacy, once and for all. The Legion will be there to greet them.

**The Gray Man** Penguin The first novel in William C. Dietz's acclaimed Legion of the Damned series... There is one final choice for the hopeless—the terminally ill, the condemned criminals, the victims who cannot be saved: becoming cyborg soldiers in the Legion. #1 New York Times  
bestselling author Vince Flynn introduces the

young Mitch Rapp on his first assignment, a mission of vengeance that made him a CIA superagent. Two decades after the Cold War, Islamic terrorism is on the rise, and CIA Operations Director Thomas Stansfield forms a new group of clandestine operatives—men who do not exist—to meet this burgeoning threat abroad before it reaches America's shores.

Stansfield's protégée, Irene Kennedy, finds the ideal candidate in the wake of the Pan Am

Lockerbie terrorist attack. Among the thousands grieving the victims is Mitch Rapp, a gifted college athlete, who wants only one thing: retribution. Six months of intense training prepare him to devastate the enemy with brutal efficiency, leaving a trail of bodies from Istanbul and across Europe, to Beirut. But there, the American assassin will need every ounce of skill and cunning to survive the war-ravaged city and its deadly terrorist factions.

An Official Stranger

Things Novel Simon and Schuster

America has enemies--ruthless people that the police, the FBI, even the military can't stop. That's when the U.S.

government calls on Will Robie, a stone cold hitman who never questions orders and always nails his target. But Will Robie may have just made the first--and last--mistake of his career . . .

THE INNOCENT It begins with a hit gone wrong. Robie is dispatched to eliminate a

target unusually close to home in Washington, D.C. But something about this mission doesn't seem right to Robie, and he does the unthinkable. He refuses to kill. Now, Robie becomes a target himself and must escape from his own people. Fleeing the scene, Robie crosses paths with a wayward teenage girl, a fourteen-year-old runaway from a foster home. But she isn't an ordinary runaway--her parents were murdered, and her own life is in danger. Against all of his professional habits, Robie

rescues her and finds he can't walk away. He needs to help her. Even worse, the more Robie learns about the girl, the more he's convinced she is at the center of a vast cover-up, one that may explain her parents' deaths and stretch to unimaginable levels of power. Now, Robie may have to step out of the shadows in order to save this girl's life . . . and perhaps his own.  In his own words, Bret  
 Hart's honest, perceptive,  
 startling account of his life  
 in and out of the pro  
 wrestling ring. The sixth-  
 born son of the pro

wrestling dynasty founded  
 by Stu Hart and his  
 elegant wife, Helen, Bret  
 Hart is a Canadian icon.  
 As a teenager, he could  
 have been an amateur  
 wrestling Olympic  
 contender, but instead he  
 turned to the family  
 business, climbing into  
 the ring for his dad's  
 western circuit, Stampede  
 Wrestling. From his early  
 twenties until he retired  
 at 43, Hart kept an audio  
 diary, recording stories of  
 the wrestling life, the  
 relentless travel, the  
 practical jokes, the sex  
 and drugs, and the real

rivalries (as opposed to the staged ones). The result is an intimate, no-holds-barred account that will keep readers, not just wrestling fans, riveted. Hart achieved superstardom in pink tights, and won multiple wrestling belts in multiple territories, for both the WWF (now the WWE) and WCW. But he also paid the price in betrayals (most famously by Vince McMahon, a man he had served loyally); in tragic deaths, including the loss of his brother Owen, who died when a stunt went

terribly wrong; and in his own massive stroke, most likely resulting from a concussion he received in the ring, and from which, with the spirit of a true champion, he has battled back. Widely considered by his peers as one of the business's best technicians and workers, Hart describes pro wrestling as part dancing, part acting, and part dangerous physical pursuit. He is proud that in all his years in the ring he never seriously hurt a single wrestler, yet did his utmost to deliver to his

fans an experience as credible as it was exciting. He also records the incredible toll the business takes on its workhorses: he estimates that twenty or more of the wrestlers he was regularly matched with have died young, weakened by their own coping mechanisms, namely drugs, alcohol, and steroids. That toll included his own brother-in-law, Davey Boy Smith. No one has ever written about wrestling like Bret Hart. No one has ever lived a life like Bret Hart's. For as long as I can

remember, my world was filled with liars and bullshitters, losers and pretenders, but I also saw the good side of pro wrestling. To me there is something bordering on beautiful about a brotherhood of big tough men who pretended to hurt one another for a living instead of actually doing it. Any idiot can hurt someone. —from Hitman

### **Resistance The Gathering Storm**

Penguin

Andromeda McKee rebuilt her life in the violent embrace of the Legion of

the Damned in the days when cyborgs were first being introduced. Now she must choose between her conscience and her desire for vengeance... In a different world, Lady Catherine “Cat” Carletto would never have left her pampered life behind. But when Princess Ophelia became Empress Ophelia in a coup that claimed the lives of the princess’s brother and all who supported him, including the Carletto family, Cat had to hide—or die. She became Legionnaire Andromeda McKee, and

now she’s a battle-scarred veteran who knows how to kill. Summoned to Earth to receive the Imperial Order of Merit from the empress herself, Andromeda learns that she isn’t the sole surviving Carletto—her uncle Rex is not only still alive but also the leader of a resistance group determined to overthrow Ophelia. Caught up in a web of intrigue, Andromeda realizes that the moment is coming when her revenge will be at hand. But will she be able to act, or will she be

betrayed by those she has  
come to trust?
