truths, suppressed memories, and ingenious twists. When Eliza Fontaine is rescued from the bottom of a hotel pool just a few weeks before her first novel is going to be published, her family assumes that it's another failed suicide attempt. But Eliza swears she was pushed. The problem is she remembers little of that night, a result of the large quantity of alcohol she consumed and a worsening

struggle with memory loss due to a brain tumor. Feeling ignored and vulnerable, she decides she must find the truth of what actually happened. As she searches for answers, something very peculiar begins to happen: The people closest to her start to confuse the events in her novel with those in her real life. The dividing line between fact and fiction seems to be dissolving, and even Eliza is becoming uncertain

about where her protagonist's story ends and hers begins. She glimpses a shadowy presence hovering nearby, a mirror image of herself...but is it all in her head or is there really someone following her, studying her, wishing to do her harm? Perhaps the answers to all her questions already exist in the pages of her novel, if only she could put the pieces together in the right way. The Elizas is a

heart-pounding, Hitchcockian double narrative composed of secrets, lies, false memories, and an unreliable narrator you'll never forget.

Pretty Little Liars: Ali's

Pretty Little Lies Pretty Little Liars #15: Toxic In picture-perfect Rosewood, Pennsylvania, ash-blond highlights gleam in the winter sun and frozen lakes sparkle like Swarovski crystals. But pictures often lie—and so do Rosewood's four prettiest girls. Hanna, Aria, Spencer, and Emily have been lying ever since they became friends with beautiful Alison DiLaurentis. Ali made them

do terrible things—things they had to keep secret for years. And even though Ali was killed at the end of seventh grade, their bad-girl ways didn't die with her. Hanna's on a mission to corrupt Rosewood's youth, starting with a very attractive sophomore. Aria's snooping into her boyfriend's past. Spencer's stealing—from her family. And pure little Emily's abstaining from

abstinence. The girls should be careful, though. They thought they were safe when Ali's killer was arrested and A's true identity was finally revealed. But now there's a new A in town turning up the heat. And this time Rosewood is going to burn.

**The Maple Murders (Riverdale, Novel # 3)**

Harper Collins High school seniors Aria, Emily, Spencer, and Hanna barely survived their

most recent encounter with A. And it's not over yet . . . The police don't believe that the real A is still out there, but the girls know what - and who - they saw. If they don't track down this final tormentor soon, A will silence them forever. This penultimate installment of the beloved series is full of juicy scandals, dark secrets, and shocking plot twists that will prepare readers for the jaw-

dropping series conclusion in *Pretty Little Liars No 16*. **A Novel** Scholastic Press From Sara Shepard, the #1 New York Times bestselling author of *Pretty Little Liars*, comes *The Heiresses*—a novel about the Saybrooks, a diamond family blessed with beauty and fortune yet plagued by a string of tragic and mysterious deaths. The only thing more flawless

than a Saybrook's solitaire is the family behind the diamond empire. Beauties, entrepreneurs, debutantes, and mavens, the Saybrooks are the epitome of high society. Anyone would kill to be one of them. But be careful what you wish for, because if you were a Saybrook, you'd be haunted by secrets and plagued by a dark streak of luck. Tragedy strikes the prominent family yet again on a

beautiful morning in May when thirty-four-year-old Poppy, the most remarkable Saybrook of them all, flings herself from the window of her office. Everyone is shocked that someone so perfect would end her own life—until her cousins receive an ominous warning: One heiress down, four to go. Was it suicide . . . or murder? And who will be next: Aster, the beautiful but reckless

girl who's never worked a day in her life—and who's covering up her father's darkest secret? Her older sister, Corrine, whose meticulously planned future is about to come crashing down around her? Perhaps it will be Natasha, the black sheep of the family who suddenly disinherited herself five years ago. Or maybe the perpetually single Rowan, who had the most to gain from her

cousin's death. A gripping, edge-of-your-seat thriller about heiresses who must uncover a dark truth about their family before they lose the only thing money can't buy: their lives.

*Galactic Hot Dogs 1* Atom Books

In the exclusive town of Rosewood, Pennsylvania, where the sweetest smiles hide the darkest secrets, four pretty little liars - Spencer, Aria,

Emily, and Hanna - have been very bad girls . . . Spencer stole her sister's boyfriend; Aria is brokenhearted over her English teacher; Emily likes her new friend Maya . . . as much more than a friend. And Hanna's obsession with looking flawless is literally making her sick. But the most horrible secret of all is something so scandalous it could destroy their perfect little lives. And someone

named 'A' is threatening to do just that. At first they thought A was Alison, their friend who vanished three years ago . . . but then Alison turned up dead. So who could A be? Only one thing's for certain: A's got the dirt to bury them all alive, and with every crumpled note and vindictive text message A sends, the girls get a little closer to losing it all. *Pretty Little Liars #6: Killer* Harper Collins It's all fun and

games until everybody gets hurt. Spencer, Hanna, Emily, and Aria are forced to watch as all their secrets finally come to light, from their littlest lies to their darkest deeds. Now, one by one, the girls' worlds come crashing down around them. Spencer gets

kicked out of Princeton. Hanna gets kicked out of her dad's campaign - and his heart. Emily gets kicked to the curb. And Aria may get kicked out of the country. Thanks to me, these girls have lost everything - except their lives, of

course. But I'm not done yet. And if my deadly plan succeeds, the pretty little liars will have finally told their last lie. .
