**Stories of Ourselves : Volume 2** Cambridge University Press  
In *Potential Images* Dario Gamboni explores ambiguity in modern art, considering images that rely to a great degree on a projected or imaginative response from viewers to achieve their effect. Ambiguity became increasingly important in late 19th- and early 20th-century aesthetics, as is evidenced in works by such artists as Redon, Cezanne, Gauguin, Ensor and the Nabis. Similarly, the Cubists subverted traditional representational conventions, requiring their viewers to decipher images to extract their full meanings. The same device was taken up in the various experiments leading to abstraction. For example, it was Kandinsky's intention that his work could be interpreted in both figurative and non-figurative ways, and Duchamp's Readymades suggested the radical conclusion that 'it is the beholder who makes the picture'. These invitations to viewers to participate in the process of artistic communication had social and political implications, as they accorded artist and beholder symmetrical, almost interchangeable, roles.

**Songs of Ourselves** HarperCollins

When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are

reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are influencing your own responses as a reader. What is it about the way this text is written that makes you feel and respond the way you do?

Conceptual Drawings from the World's Most Influential Designers  
Cambridge University Press

'A highly original, piercingly beautiful work, full of beautiful shocks... I felt like a door had been kicked open in my brain'  
Johanna Thomas-Corr, Observer A woman searches Buenos Aires for the paintings that are her inspiration and her refuge. Her life -- she is a young mother with a complicated family -- is sometimes overwhelming. But among the canvases, often little-known works in quiet rooms, she finds clarity and a sense of who she is . . . 'I was reminded of John Berger's Ways of Seeing, enfolded in tender and exuberant personal narratives'  
Claire-Louise Bennett 'This woman-guide, who goes from Lampedusa to The Doors with crushing elegance, is unforgettable'  
Mariana Enriquez 'A dazzling combination of memoir, fiction and art book, like nothing you've ever read before' Elle

American Poetry: The Twentieth Century Vol. 2 (LOA #116)  
Createspace Independent Publishing Platform

The definitive anthology of Jim Morrison's writings with rare photographs and numerous handwritten excerpts of unpublished

and published poetry and lyrics from his 28 privately held notebooks. Created in collaboration with Jim Morrison's estate and inspired by a posthumously discovered list entitled "Plan for Book," The Collected Works of Jim Morrison is an almost 600-page anthology of the writings of the late poet and iconic Doors' front man. This landmark publication is the definitive opus of Morrison's creative output—and the book he intended to publish. Throughout, a compelling mix of 160 visual components accompanies the text: excerpts from his 28 privately held notebooks—all written in his own hand and published here for the first time—as well as an array of personal images and commentary on the work by Morrison himself. This oversized, beautifully produced collectible volume contains a wealth of new material—poetry, writings, lyrics, and audio transcripts of Morrison reading his work. Not only the most comprehensive book of Morrison's work ever published, it is immersive, giving readers insight to the creative process of and offering access to the musings and observations of an artist whom the poet Michael McClure called "one of the finest, clearest spirits of our times." This remarkable collector's item includes: Foreword by Tom Robbins; introduction and notes by editor Frank Lisciandro that provide insight to the work; prologue by Anne Morrison Chewing Published and unpublished work and a vast selection of notebook writings The transcript, the only photographs in existence, and production notes of Morrison's last poetry recording on his twenty-seventh birthday The Paris notebook, possibly Morrison's final journal, reproduced at full reading size Excerpts from notebooks kept during his 1970 Miami trial The shooting script and gorgeous color stills from the never-released film HWY

Complete published and unpublished song lyrics accompanied by numerous drafts in Morrison's hand Epilogue: "As I Look Back": a compelling autobiography in poem form Family photographs as well as images of Morrison during his years as a performer Hear Jim Morrison's final poetry recording, now available for the first time, on CD or digital audio book, at the Village Recorder in West Los Angeles on his twenty-seventh birthday, December 8, 1970. The digital audio book also includes performances by Patti Smith, Oliver Ray, Liz Phair, Tom Robbins, and others reading Morrison's work.

Ruth Finnegan's *Oral Literature in Africa* was first published in 1970, and since then has been widely praised as one of the most important books in its field. Based on years of fieldwork, the study traces the history of storytelling across the continent of Africa. This revised edition makes Finnegan's ground-breaking research available to the next generation of scholars. It includes a new introduction, additional images and an updated bibliography, as well as its original chapters on poetry, prose, "drum language" and drama, and an overview of the social, linguistic and historical background of oral literature in Africa. This book is the first volume in the World Oral Literature Series, an ongoing collaboration between OBP and World Oral Literature Project. A free online archive of recordings and photographs that Finnegan made during her fieldwork in the late 1960s is hosted by the World Oral Literature Project (<http://www.oralliterature.org/collections/rfinnegan001.html>) and can

also be accessed from publisher's website.

CIE IGCSE Literature in English 0475 and 0992 for Examination in 2020 And 2021 Haymarket Books

A work of unparalleled candor and splendid beauty, *The Lyrics* celebrates the creative life and the musical genius of Paul McCartney through 154 of his most meaningful songs. From his early Liverpool days, through the historic decade of The Beatles, to Wings and his long solo career, *The Lyrics* pairs the definitive texts of 154 Paul McCartney songs with first-person commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his songwriting partner, John Lennon; his "Golden Earth Girl," Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of "Let It Be," "Lovely Rita," "Yesterday," and "Mull of Kintyre," as well as McCartney's literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney's personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—*The Lyrics*, spanning sixty-four years, becomes the definitive literary and visual record of one of the greatest songwriters of all time.

**Cambridge Assessment International Education Anthology of Poetry in English** Routledge

These poems deal with love in its various forms. Written in the familiar simple-to-read style which Kathryn is recognized for, the poems depict everyday emotions of confusion, happiness and peace which often accompany love. They cover many different

kinds of love -- reunions, re-discovered or new love, comfortable married love and even some forbidden love.

Sketchbook Collins

Leadership, Robert W. Terry contAnds, is a type of action. In Authentic Leadership, he shows how this shift in perspective carries enormous consequences for consideration of courage, vision, ethics, and spirituality as they relate to leadership. Terry show that the central organizing principle of leadership is authenticity. And he shows how authenticity and action joined together form a sure foundation for effective leadership.

*Oral Literature in Africa* Samuel French, Inc.

In a strikingly original and rich portrait of the uses of verse in America, Rubin shows how the sites and practices of reciting poetry influenced readers' lives and helped them to find meaning in a poet's words. By blurring the boundaries between "high" and "popular" poetry as well as between modern and traditional, it creates a fuller, more democratic way of studying our poetic language and ourselves.

*The Lyrics: 1956 to the Present (Vol. Two-Volume Set)* Rockport Pub

One of the major poets of Romanticism, Wordsworth epitomized the spirit of his age with his celebration of the natural world and the spontaneous expression of feeling. This volume contains a rich selection from the most creative phase of his life, including extracts from his masterpiece, *The Prelude*, and the best-loved of his shorter poems such as 'Composed Upon Westminster Bridge', 'Tintern Abbey', 'I Wandered Lonely as a Cloud', 'Lucy Gray', and 'Michael'. Together these poems demonstrate not only Wordsworth's astonishing range and power, but the sustained and coherent vision that informed his work.

**Song of Myself ...** Jossey-Bass

This series contains poetry and prose anthologies composed of writers from across the English-speaking world. Parts of *Songs of Ourselves Volume 2* are set for study in Cambridge IGCSE®, O Level and Cambridge International AS & A Level Literature in English syllabuses. Following on from the popular *Songs of Ourselves 1*, the anthology includes work from over 100 poets, combining famous names - such as William Blake, Emily Dickinson and Les Murray - with lesser-known voices. This helps students to create fresh and interesting contrasts as they explore themes that range from nature to war.
