Backwardness - Wikipedia The Origins Of Backwardness In 'Its socioeconomic backwardness does not provide a satisfactory answer.' 'Why does social backwardness achieve such success?' 'The impetus and content of gangster rap may have originated in the desperation and backwardness of the inner-city population.' 'The filmmaker seems too prone to adapt herself to backwardness.' Backwardness | Meaning of Backwardness by Lexico This chapter examines how late industrialization in South Korea was at first retarded by a state too weak to intervene and stimulate capital expenditures. It also takes the position that when industrialization began to accelerate, it did so in response to government initiatives and not to the forces of the free market. The Korean state was able to consolidate its power in the 1960s because of ... History of Backwardness - Oxford Scholarship Backwardness is a lack of progress by a person or group to some perceived cultural norm of advancement, such as for example traditional societies relative to modern scientific and technologically advanced industrialized societies. Backwardness - Wikipedia Chapter 2 examines the five decades that go from Mexico's independence from Spain in the 1820s to the early 1870s, a period when there is consensus that the nation's current economic underdevelopment may have originated. The chapter reviews the key characteristics of the economy of New Spain on the eve of independence and the disruptive effects of the wars of independence on economic activity.
