SCHMIDT ZAYDEN

Riding the Indian Tiger Greenwood

Presents an overview of the test, provides sample questions and answers with detailed explanations, and offers tips and techniques for taking and passing the certification exam.

Resources in Education Springer Science & Business Media

This two volume handbook provides a comprehensive examination of policy, practice, research and theory related to English Language Teaching in international contexts. More than 70 chapters highlight the research foundation for best practices, frameworks for policy decisions, and areas of consensus and controversy in second language acquisition and pedagogy. The Handbook provides a unique resource for policy makers, educational administrators, and researchers concerned with meeting the increasing demand for effective English language teaching. It offers a strongly socio-cultural view of language learning and teaching. It is comprehensive and global in perspective with a range of fresh new voices in English language teaching research.

One of the premier reference books for geriatric nurses in hospital, long-term, and community settings, this 4th edition has been thoroughly updated to provide the most current, evidence-based protocols for care of common clinical conditions and issues in elderly patients. Designed to improve the quality, outcomes, and cost-effectiveness of health care, these guidelines are the result of collaboration between leading practitioners and educators in geriatric nursing and New York University College of Nursing.

In 2008, India will likely overtake China as the world's fastest growing economy and become one of the largest economies globally. Foreign investment is increasing dramatically and business opportunities abound for those who know how to find them. With a growing middle class and booming markets, India holds much promise for investors. *Riding the Indian Tiger* shows you how to get in on the ground floor and profit from India's economic boom.
