## CAYDEN KENDAL

---

*John Henry, the Untold Story of an American Legend* London :  
Calder ; New York : Riverrun Press

Offers a selection of the poems Neruda wrote about everyday objects, combining Marxist principles with innovative poetic techniques, in the original Spanish with parallel English translations

**Pablo Neruda** Univ of California Press

Sad about the subject of a poem he is writing, Pablo Neruda visits his friend Matilde who shows him, through a simple onion, that happiness can be found even through tears. Includes facts about Pablo and Matilde, and Neruda's Ode to the Onion in Spanish and English.

*Woman, Eating* HarperCollins

Slowly Jack learns the pleasures of writing poetry as Miss Stretchberry encourages him to tell his own story through verse. What emerges is a moving and memorable story about a boy and his dog and his growing passion for poetry.

Selected Poems Miramax Books

Opening in 1969 in New England, I KNOW WHERE I AM WHEN I'M FALLING is as rich in relationships as the colours and textures of the time. Ruby Lambert, is the eldest daughter in the eccentric Lambert family who get caught up in the life of Angus Aleshire, a charming, smart and athletic boy who they try to help and who shares Ruby's unconventional bent and love of the piano. Ruby and Angus fall in love but Angus has a dark side. His boyish charms start to wear thin losing him family and friends along the way and when his clever schemes and misbehavior get him in trouble, culminating with an art heist, he tries even Ruby's love for him. The story spans thirteen years, and poses uncomfortable questions about the blindness of love, nurture versus nature and life through rose tinted glasses. Ruby struggles to square her vision of Angus's potential with the unsettling and mounting reality.

*A Complicated Kindness* Foundation Books

A Study Guide for Pablo Neruda's "Tonight I Can Write" Gale,  
Cengage Learning

**Love** Harvard University Press

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

**A Literary Vampire Novel** Wesleyan University Press

A Best Book of 2022 in Harper's Bazaar, Daily Mail, and Thrillist "Absolutely brilliant - tragic, funny, eccentric and so perfectly suited to this particularly weird time. Claire Kohda takes the vampire trope and makes it her own in a way that feels fresh and original. Serious issues of race, disability, misogyny, body image, sexual abuse are handled with subtlety, insight, and a lightness of touch. The spell this novel casts is so complete I feel utterly, and happily, bitten." -- Ruth Ozeki, Booker-shortlisted author of *A Tale for the Time Being* A young, mixed-race vampire must find a way to balance her deep-seated desire to live amongst humans with her incessant hunger in this stunning debut novel from a writer-to-watch. Lydia is hungry. She's always wanted to try Japanese food. Sashimi, ramen, onigiri with sour plum stuffed inside - the

food her Japanese father liked to eat. And then there is bubble tea and iced-coffee, ice cream and cake, and foraged herbs and plants, and the vegetables grown by the other young artists at the London studio space she is secretly squatting in. But, Lydia can't eat any of these things. Her body doesn't work like those of other people. The only thing she can digest is blood, and it turns out that sourcing fresh pigs' blood in London - where she is living away from her vampire mother for the first time - is much more difficult than she'd anticipated. Then there are the humans - the other artists at the studio space, the people at the gallery she interns at, the strange men that follow her after dark, and Ben, a boyish, goofy-grinned artist she is developing feelings for. Lydia knows that they are her natural prey, but she can't bring herself to feed on them. In her windowless studio, where she paints and studies the work of other artists, binge-watches *Buffy the Vampire Slayer* and videos of people eating food on YouTube and Instagram, Lydia considers her place in the world. She has many of the things humans wish for - perpetual youth, near-invulnerability, immortality - but she is miserable; she is lonely; and she is hungry - always hungry. As Lydia develops as a woman and an artist, she will learn that she must reconcile the conflicts within her - between her demon and human sides, her mixed ethnic heritage, and her relationship with food, and, in turn, humans - if she is to find a way to exist in the world. Before any of this, however, she must eat.

**I Explain a Few Things** Bloodaxe Books

*Extravagaria* marks an important stage in Neruda's progress as a poet. The book was written just after he had returned to Chile after many wanderings and moved to his beloved Isla Negra on the Pacific coast. These sixty-eight poems thus denote a resting point, a rediscovery of sea and land, and an "autumnal period" (as the poet himself called it). In this book, Neruda developed a lyric poetry decidedly more personal than his earlier work.

**Then Come Back** Heinemann

In this stunning coming-of-age novel, award-winner Miriam Toews balances grief and hope in the voice of a witty, beleaguered teenager whose family is shattered by fundamentalist Christianity "Half of our family, the better-looking half, is missing," Nomi

Nickel tells us at the beginning of *A Complicated Kindness*. Left alone with her sad, peculiar father, her days are spent piecing together why her mother and sister have disappeared and contemplating her inevitable career at Happy Family Farms, a chicken slaughterhouse on the outskirts of East Village. Not the East Village in New York City where Nomi would prefer to live, but an oppressive town founded by Mennonites on the cold, flat plains of Manitoba, Canada. This darkly funny novel is the world according to the unforgettable Nomi, a bewildered and wry sixteen-year-old trapped in a town governed by fundamentalist religion and in the shattered remains of a family it destroyed. In Nomi's droll, refreshing voice, we're told the story of an eccentric, loving family that falls apart as each member lands on a collision course with the only community any of them have ever known. A work of fierce humor and tragedy by a writer who has taken the American market by storm, this searing, tender, comic testament to family love will break your heart.

**Door in the Mountain** Catapult

Neruda's masterpiece epic poem about the history of a continent and its people.

*Selected Poems of Pablo Neruda* A&C Black

A French watchmaker and Draper, who both love to fish, brave fighting in the countryside to visit their favorite spot, but are captured by the Germans.

*Canto General, 50th Anniversary Edition* University of Texas Press  
Brilliant English translation of beloved poems by Pablo Neruda, who is the subject of the film *Neruda* starring Gael García Bernal and directed by Pablo Larraín A Penguin Classics Deluxe Edition, with French flaps First published in 1924, *Veinte poemas de amor y una canción desesperada* remains among Pablo Neruda's most popular work. Daringly metaphorical and sensuous, this collection juxtaposes youthful passion with the desolation of grief. Drawn from the poet's most intimate and personal associations, the poems combine eroticism and the natural world with the influence of expressionism and the genius of a master poet. This edition features the newly corrected original Spanish text, with masterly English translations by award-winning poet W. S. Merwin on facing pages. • Includes twelve sketches by Pablo Picasso • New introduction by Cristina García For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin

Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*Love That Dog* Oxford University Press

Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Nobel Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...." Written on the paradisaic island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.

**Full Woman, Fleshly Apple, Hot Moon** Macmillan

The most comprehensive English-language collection of work ever by "the greatest poet of the twentieth century-in any language" (Gabriel García Márquez) In his work a continent awakens to consciousness," wrote the Swedish Academy in awarding the Nobel Prize to Pablo Neruda, author of more than thirty-five books of poetry and one of Latin America's most revered writers and political figures—a loyal member of the Communist party, a lifelong diplomat and onetime senator, a man lionized during his lifetime as "the people's poet." Born Neftalí Basoalto, Neruda adopted his pen name in fear of his family's disapproval, and yet by the age of twenty-five he was already famous for the book *Twenty Love Poems and a Song of Despair*, which remains his most beloved. During the next fifty years, a seemingly boundless metaphorical language linked his romantic fantasies and the fierce moral and political compass-exemplified in books such as *Canto General*—that made him an adamant champion of the dignity of ordinary men and women. Edited and with an introduction by Ilan Stavans, this

is the most comprehensive single-volume collection of this prolific poet's work in English. Here the finest translations of nearly six hundred poems by Neruda are collected and join specially commissioned new translations that attest to Neruda's still-resounding presence in American letters.

**The Poetry of Pablo Neruda** Creative Education

Selected by a team of poets and prominent Neruda scholars in both Chile and the U.S., this is a definitive selection that draws from the entire breadth and width of Neruda's various styles and themes.

*A Companion to Pablo Neruda* Penguin UK

In this collection of short stories, Aidoo elevates the mundane in women's lives to an intellectual level in an attempt at challenging patriarchal structures and dominance in African society.

**Twenty Love Poems and a Song of Despair** Boydell & Brewer Ltd

Full woman, fleshly apple, hot moon, thick smell of seaweed, crushed mud and light, what obscure brilliance opens between your columns? What ancient night does a man touch with his senses? Loving is a journey with water and with stars, with smothered air and abrupt storms of flour: loving is a clash of lightning-bolts and two bodies defeated by a single drop of honey. The poetry of Pablo Neruda is beloved worldwide for its passion, humor, and exceptional accessibility. The nearly fifty poems selected for this collection and translated by Stephen Mitchell—widely praised for his original and definitive translations of spiritual writings and poetry—focus on Neruda's mature period, when the poet was in his fifties. A bilingual volume, with Neruda's original Spanish text facing Mitchell's English translation, it will bring Neruda's sensuous work to vibrant life for a whole new generation of readers.

*The Last Time I'll Write About You* Penguin

"Laughter is the language of the soul," Pablo Neruda said. Among the most lasting voices of the most tumultuous (in his own words, "the saddest") century, a witness and a chronicler of its most decisive events, he is the author of more than thirty-five books of poetry and one of Latin America's most revered writers, the emblem of the engaged poet, an artist whose heart, always with the people, is literally consumed by passion. His work, oscillating from epic meditations on politics and history to intimate reflections on animals, food, and everyday objects, is filled with

humor and affection. This bilingual selection of more than fifty of Neruda's best poems, edited and with an introduction by the distinguished Latin American scholar Ilan Stavans and brilliantly translated by an array of well-known poets, also includes some poems previously unavailable in English. *I Explain a Few Things* distills the poet's brilliance to its most essential and illuminates Neruda's commitment to using the pen as a calibrator for his age. *The Sea and the Bells* Gale, Cengage Learning

Now back in print, this collection of poems by one of the most popular and best-loved poets in France, whose famous poem "Liberte" was dropped on French towns by the RAF during World War II. This bilingual edition contains a representative selection of poems from different periods and different aspects of his vast output.

[Book of Twilight](#) Random House

The sound of ships' bells, sea waves, and migratory birds fuel Neruda's longing to retreat from life's noisy busyness. Stripped to essentials, these poems are some of the last Neruda ever wrote, as he pulled "one dream out of another." Includes the final lovesong to his wife, written in the past tense: "It was beautiful to live / When you lived!" Bilingual with introduction. "Deeply personal, expansive, and universal... majestic and understated beauty." Publishers Weekly
