Is My Story is
the brutally

story of
ToMack D.
Johnson. From
his troubled
childhood in
Chickasha and
Lawton,

Oklahoma, to his initiation into the gang known as the Vice Lords, Johnson is brutally honest about the challenges that he faced. He describes his disturbing childhood and his rugged life as a teen gang member. In 1992, he began his first prison term following his conviction for a drive-by shooting thus beginning the next troublesome period of his life as a hard head in prison. He left prison after spending over

a quarter of his life there. Johnson explores his life as a businessman, street hustler, and drug dealer, trying to make money any way possible. He also talks about the battle for his life that he has fought since discovering that he had high blood pressure and devastating kidney failure. Finally, he talks honestly about his relationship with his daughter and her mother, as well as with all

of the women in his life. By discussing the hardship of his abusive relationships with women, he recognizes the affect that being raped as a child had on his life. *The Rough Guide to the Dominican Republic* Aqua Quest Publications, Inc.
