MOLLY RAMOS

The Synoptic Problem Baker Books
In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus' life and message. Containing Jesus' Sermon on the Mount and a uniquely rich collection of parables, among many other things, Matthew has made a major contribution to the church throughout the centuries, and it still has much to say to the church today. This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion. Leon Morris writes for readers who use commentaries to discover further what the Bible means. Throughout, he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church. A perceptive introduction precedes Morris's warmhearted verse-by-verse exposition of Matthew, an exposition based on his own literal translation of the text. Now a standard reference work on the Gospel of Matthew, this mature, evangelically oriented commentary will continue to meet the needs of students, pastor, and general readers alike.

Introduction to the New Testament
Oxford University Press

A lively, readable and up-to-date guide to the Synoptic Problem, ideal for undergraduate students, and the general reader.

The Gospel According to Matthew B&H Publishing Group

God's Foundations for Life Genesis plays a foundational role in providing a clear understanding of society, marriage, personal relationships, evil, and spiritual

life. Bright hope and insights into daily living come from Genesis. For a strong godly life, build on God's foundations! The Bible Teaching Commentary series is designed for teachers! - Extensive summaries for good learning - Committed to inerrancy of God's Word - Designed with the teacher in mind - Includes many diagrams and graphics - Thoughtful applications to daily life

The Gospel at Work Harvest House Publishers

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. *God's Masterwork Study Series* Living Stream Ministry

In this volume the late Dr. Henry C. Thiessen ably sets forth the conservative view of the New Testament. "The author believes that the plenary inspiration of the autographs of the New Testament is the only logical view that can be held by those who accept the true deity as well as the perfect humanity of Christ. He, therefore, approached his task with the reverence of one who accepts the Scriptures as the very Word of God." As a text, the volume has been widely accepted in seminaries and Bible institutes as an outstanding conservative introduction to the New Testament.

The Sermon on the Mount and Human Flourishing Crossway

The Cradle, the Cross, and the Crown guides serious New Testament students through the historical, literary, and theological dimensions of the biblical text, allowing them to better understand and share God's "word of truth" (2 Tim 2:15). It offers a thorough introduction to all twenty-seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth, his crucifixion and resurrection, and triumphant return. The second edition features updated bibliographies and footnotes, interpretation sections that cover different literary genres in the New Testament, an epilogue that canvasses the entire storyline of Scripture, and a variety of maps. All of these new features contribute to making this a life-long resource for students of Scripture.

The Theology of the Gospel of Matthew
Canongate U.S.

Every chapter of the Bible summarised in 140 characters or less. These summaries originally appeared as the @biblesummary project on Twitter. For three-and-a-half years, Chris Juby posted one tweet per chapter, one chapter per day to 30,000 followers, finishing the project in November 2013. This edition is the full archive of all 1,189 summaries.

The Outline Bible Brazos Press

Find God's vision for your job. Reclaim God's vision for your life. Many Christians fall victim to one of two main problems when it comes to work: either they are idle in their work, or they have made an idol of it. Both of these mindsets are deadly misunderstandings of how God intends for us to think about our employment. In *The Gospel at Work*, Sebastian Traeger and Greg Gilbert unpack the powerful ways in which the

gospel can transform how we do what we do, releasing us from the cultural pressures of both an all-consuming devotion and a punch-in, punch-out mentality—in order to find the freedom of a work ethic rooted in serving Christ. You'll find answers to some of the tough questions that Christians in the workplace often ask: What factors should matter most in choosing a job? What gospel principles should shape my thinking about how to treat my boss, my co-workers, and my employees? Is full-time Christian work more valuable than my job? Is it okay to be motivated by money? How do you prioritize—or balance—work, family and church responsibilities? Solidly grounded in the gospel, *The Gospel at Work* confronts both our idleness at work and our idolatry of work with a challenge of its own—to remember that whom we work for is infinitely more important than what we do.

The Third Book of St. Irenaeus, Bishop of Lyons Against Heresies Tyndale House Publishers, Inc.

The greatly anticipated third volume of Pope Benedict's already internationally bestselling examination of the life of Jesus Christ and His message for people today. This renowned theologian, biblical scholar and Pastor of over a billion Roman Catholics helps us to rediscover the essence of the Christian Religion.

Introducing the New Testament

Canongate Books

This volume contains 105 model sermons, among the best ever written and delivered in the English language. These practical and doctrinally sound sermons have been expertly outlined and are ready to use. The grace of God, the righteousness of Christ, and humankind's need for salvation shine loud and clear through these sermons.

The Gospel According to Mark Thomas Nelson

This book, first published in 1995, introduces, retells and analyses the Gospel of Matthew.

The Cradle, the Cross, and the Crown
Cambridge University Press

For centuries the Jewish community in Europe possessed a copy of Matthew in the Hebrew language. The Jews' use of this document during the Middle Ages is imperfectly known. Occasionally excerpts from it appeared in polemical writings against Christianity.

The Gospel According to Matthew True Potential

The first four books of what is commonly referred to as the New Testament are The Gospel according to Matthew, The Gospel according to Mark, The Gospel according to Luke, and The Gospel according to John. The reader will find many of the same stories told in each of the gospels but from a different point of view according to the author. The reader will notice specific and comparable attention to detail from each author's gospel. A Detailed Outline to Matthew, Mark, Luke, and John was written to guide and help the reader understand the order of events during this era. The purpose of this outline is to help the reader identify the main points of each of the gospels, thereby enabling the reader to gain revelation as they study. Dr. Leland McClanahan has done an outstanding job in summarizing the main points of each book and putting it in a format that is easy to follow along.

Gospel Allegiance Bloomsbury Publishing

You love God. You long to know Him more intimately, to see Him face to face. Now is the time to dig deeper into the Scriptures, to see the Bible come alive for you: chapter by chapter, sentence by

sentence, word by word. Written by forty-eight leading Bible scholars, this powerful handbook walks you through the entire text of the Old and New Testaments (primarily in the KJV). From the majestic Genesis account of all the Creator brought into being to Christ's words at the end of Revelation ('Yea, I come quickly...'), you'll find insights to help you wrap your heart and mind around God's Word in the pages of The Wycliffe Bible Commentary. **INCLUDES BONUS MATERIAL:** Commentary on Romans from The Moody Bible Commentary. Michael Vanlaningham, professor of New Testament at Moody Bible Institute, introduces Romans and then takes you through it verse-by-verse. Known as Paul's most thorough treatment on Christian doctrine, Romans explores sin, faith, and God's redemptive purposes for the world in Jesus. Familiarity with this famous letter is indispensable for growth and maturity in your Christian faith.

Classic Sermon Outlines Inter-Varsity Press

The book of Matthew paints a powerful portrait of Jesus as Israel's long-awaited Messiah, the one who would bring God's kingdom to earth and fulfill his promises to his people. Leading readers through this hope-filled book, this guide explains the biblical text with clarity and passion—inviting us to encounter God's one and only Son: Jesus Christ, the Savior of the world. Over the course of 12 weeks, these studies explore books of the Bible and: Ask thoughtful questions to spur discussion Show how each passage unveils the gospel Tie the text in with the whole story of Scripture Illuminate the doctrines taught in each passage Invite you to discover practical implications Help you better understand and apply God's Word

Hand Me Another Brick InterVarsity Press

The ESV Global Study Bible is a one-volume study resource for globally minded Christians everywhere. It has been designed to be highly accessible and priced for distribution on a global scale.

The Bible Teaching Commentary on Genesis Wipf and Stock Publishers

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

10 Minutes to Knowing the Men and Women of the Bible Moody Publishers

In John, the second volume in the St. Andrew's Expositional Commentary series, Dr. Sproul deals with major themes in his easily understandable style. Readers will find invaluable insights into the goals John had in writing his Gospel, the background for Jesus' time, and the meanings of some of John's most difficult passages. This introduction to the Gospel of John is packed with insights and exhortations that will draw the reader closer to the Savior and encourage him or her to a greater depth of love and devotion to Him.

ESV Global Study Bible A&C Black

Having devoted the past ten years of his life to research for this major new work, John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church. Without neglecting the Gospel's sources or historical background,

Nolland places his central focus on the content and method of Matthew's story. His work explores Matthew's narrative technique and the inner logic of the unfolding text, giving full weight to the Jewish character of the book and its differences from Mark's presentation of parallel material. While finding it unlikely that the apostle Matthew himself composed the book, Nolland does argue that Matthew's Gospel reflects the historical ministry of Jesus with considerable accuracy, and he brings to the table new evidence for an early date of composition. Including accurate translations based on the latest Greek text, detailed verse-by-verse comments, thorough bibliographies for each section, and an array of insightful critical approaches, Nolland's Gospel of Matthew will stimulate students, preachers, and scholars seeking to understand more fully Matthew's presentation of the gospel narrative.

Why are There Differences in the Gospels? Saint Andrew Press

The Sermon on the Mount, one of the most influential portions of the Bible, is the most studied and commented upon portion of the Christian Scriptures. Every Christian generation turns to it for insight and guidance. In this volume, a recognized expert on the Gospels shows that the Sermon on the Mount offers a clear window into understanding God's work in Christ. Jonathan Pennington provides a historical, theological, and literary commentary on the Sermon and explains how this text offers insight into God's plan for human flourishing. As Pennington explores the literary dimensions and theological themes of this famous passage, he situates the Sermon in dialogue with the Jewish and Greek virtue traditions and the philosophical-theological question of

human flourishing. He also relates the Sermon's theological themes to contemporary issues such as ethics, philosophy, and economics.
