Winchester - BallisticStudies.comThe
cost of reloading the.284 Win is roughly
\$.07 more per round than that of the
6.5-284. The.284 uses a grain or two
more powder than the 6.5-284, and
7mm bullets cost about \$6.00 more per
100-count box. However, to truly
compare the cost of shooting the two
calibers you must figure in barrel life. My
