The modern classic Willy Russell musical about the Liverpudlian twins separated at birth is retold by Angela T. Wesker and adapted for ESL learners at a B1 level of the CEFR. The book comes with an introduction to the historical background of the story, and a series of activities that help students understand the plot, explore its main themes, analyse and interpret its characters, structure, and language. The emotional, heart-breaking, and gripping story of Mickey and Eddie will make students laugh and cry at the same time and will be naturally up for discussion.

The Dramatic Story of a Palestinian Christian Working for Peace in Israel Methuen Drama

A Liverpudlian West Side Story: twin brothers are separated at birth because their mother cannot afford to keep them both. She gives one of them away to wealthy Mrs Lyons and they grow up as friends in ignorance of their fraternity until the inevitable quarrel unleashes a blood-bath. 'Willy Russell is less concerned with political tub-thumping than with weaving a close-knit story about the working of fate and destiny ... it carries one along with it in almost unreserved enjoyment' "Guardian" One of the longest-running and most successful ever West End musicals, "Blood Brothers" premiered at the Liverpool Playhouse in January 1983.

The hilarious, bittersweet novel from the playwright behind EDUCATING RITA, SHIRLEY VALENTINE and award-winning musical BLOOD BROTHERS. Dear Morrissey, I'm feeling dead depressed and down. Like a streetlamp without a bulb or a goose at the onset of Christmas time. Anyroad, I thought I'd pen a few lines to someone who'd understand... It's 1991. Raymond Marks is a normal boy, from a normal family, in a normal northern town. Only lately, he's been feeling dead down. His dad left home after falling in love with a five-string banjo. His fun-hating grandma believes she should have married Jean-Paul Sartre: 'I could never read his books, but y' could tell from his picture, there was nothing frivolous about John-Paul Sartre.' Felonious Uncle Jason and Appalling Aunt Paula are lusting after the satellite dish. And so he turns to the one person who'll understand what he's going through: Morrissey. Told through a series of heartfelt letters to the frontman of The Smiths, this is a laugh-out-loud funny, incredibly poignant tale from a character you can't help but love. 'Big-hearted, wonderfully funny and engrossing' THE MIRROR 'A warm, funny, poignant story. I loved The Wrong Boy - and so will you' SUNDAY TELEGRAPH 'A comic masterpiece' BEL MOONEY, MAIL ON SUNDAY

It's chaotic - a bit of love, a bit of lust and there you are. We don't ask for life, we have it thrust upon us. Written by Shelagh Delaney when she was nineteen, A Taste of Honey is one of the great

defining and taboo-breaking plays of the 1950s. When her mother, Helen, runs off with a car salesman, feisty teenager Jo takes up with a black sailor who promises to marry her before he heads for the seas, leaving her pregnant and alone. Art student Geoff moves in and assumes the role of surrogate parent until misguidedly, he sends for Helen and their unconventional setup unravels. A Taste of Honey offers an explosive celebration of the vulnerabilities and strengths of the female spirit in a deprived and restless world. Bursting with energy and daring, this exhilarating and angry depiction of harsh, working-class life in post-war Salford is shot through with love and humour, and infused with jazz. The play was first presented by Theatre Workshop at the Theatre Royal Stratford, London, on 27 May 1958.

In *The Mikado to Matilda: British Musicals on the New York Stage*, Thomas Hischak provides an overview of British musicals that made their way to Broadway, covering their entire history up to the present day. This is the first book to look at the British musical theatre with reference to those London musicals that were also produced in New York City. The book covers 110 British musicals, ranging from 1750 to the present day, including the popular Gilbert and Sullivan comic operettas during the Victorian era, the Andrew Lloyd Webber mega-musicals of the late twentieth century, and today's biggest hits such as *Matilda*. Each London musical is discussed first as a success in England and then how it fared in America. The plots, songs, songwriters, performers, and producers for both the West End and the Broadway (or Off Broadway) production are identified and described. The discussion is sometimes critical, evaluating the musicals and why they were or were not a success in New York.

As a child, Elias Chacour lived in a small Palestinian village in Galilee. When tens of thousands of Palestinians were killed and nearly one million forced into refugee camps in 1948, Elias began a long struggle with how to respond. In *Blood Brothers*, he blends his riveting life story with historical research to reveal a little-known side of the Arab-Israeli conflict, touching on questions such as: •What behind-the-scenes politics touched off the turmoil in the Middle East? •What does Bible prophecy really have to say? •Can bitter enemies ever be reconciled? Now updated with commentary on the current state of the Israeli-Palestinian conflict, as well as a new foreword by Lynne Hybels and Gabe Lyons, this book offers hope and insight that can help each of us learn to live at peace in a world of tension and terror.

Shirley Valentine, 42-year-old put-upon mother and housewife, leaves the drudgery of cooking dinner for her husband, packs her bags and heads for the sun. The note on the kitchen table reads "Gone to Greece back in two weeks." "It is a simple and brilliant idea...the profound and perennial point of the comedy is the problem we seem to have contemplating the idea of a woman alone - in a pub, on a beach, in a restaurant. This is what Shirley learns to combat as she unravels her own sexual and social identity. The play is not only funny, it is also moving." (Michael Coveney, *Financial Times*) *One for the Road* "starts...with the mid-life hero torn between the security of married life in a dormer bungalow on a northern housing estate and dreams of being a rucksacked super-tramp. Mr Russell writes with knowledgeable venom about a world where Beethoven Underpass leads to Wagner Walkway and where anyone who doesn't join Weight Watchers or the Ramblers Club is regarded as a social deviant." (Francis King, *Sunday Telegraph*)

From the New York Times bestselling author of *Six Crimson Cranes* comes a fantasy filled with courtly intrigue, deceitful demons, and breathtaking gowns ... the stakes are higher than ever in this thrilling sequel to *Spin the Dawn!* Maia Tamarin's journey to sew the dresses of the sun, the moon, and the stars has taken a grievous toll. She returns to a kingdom on the brink of war. Edan, the boy she loves, is gone--perhaps forever--and no sooner does she set foot in the Autumn Palace than she is forced

to don the dress of the sun and assume the place of the emperor's bride-to-be to keep the peace. When the emperor's rivals learn of her deception, there is hell to pay, but the war raging around Maia is nothing compared to the battle within. Ever since she was touched by the demon Bandur, she has been changing . . . glancing in the mirror to see her own eyes glowing red; losing control of her magic, her body, her mind. It's only a matter of time before Maia loses herself completely, and in the meantime she will stop at nothing to find Edan, protect her family, and bring lasting peace to her country.

By the Tony-award winning authors of *Falsettos*, here is an energetic, sardonic, often comical musical about a composer during a medical emergency. Gordon collapses into his lunch and awakes in the hospital surrounded by his maritime-enthusiast lover, his mother, a co-worker, the doctor and the nurses. Reluctantly, he had been composing a song for a children's television show that features a frog - *Mr. Bungee* - and the specter of this large green character and the unfinished work haunts him throughout his medical ordeal. What was thought to be a tumor turns out to be something more operable and Gordon recovers, grateful for a chance to compose the songs he yearns to produce.
