Susan B. Anthony NYU Press

A biography of Susan B. Anthony, plus a great deal of information about the 19th century women's suffrage movement.

Including Public Addresses, Her Own Letters and Many from Her Contemporaries During Fifty Years

Landmark Law Cases & American

Following a public argument with her friend Frederick Douglass, Susan B. Anthony altered her strategy of seeking a broad range of rights for women and blacks and focused exclusively on winning the vote for women. Defying state and federal law, she voted in the presidential election of 1872, and was arrested and tried in a case presided over by a U.S. Supreme Court Justice, Ward Hunt, who directed the jury to deliver a guilty verdict.

Fined \$100, Anthony defiantly told the judge she would never pay--and never did.

This is the story of the landmark trial that attracted worldwide attention and made Anthony into the iconic leader of the women's rights movement.

An Illegal Vote, a Courtroom Conviction and a Step Toward Women's Suffrage The Rosen Publishing Group, Inc

In the School of Anti-Slavery, 1840-1866 is the first of six volumes of *The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony*. The collection documents the lives and accomplishments of two of America's most important social and political reformers. Though neither Stanton nor Anthony lived to see the passage of the Nineteenth Amendment in 1920, each of them devoted fifty-five years to the cause. Their names were synonymous with woman suffrage in the United States and around the world as

they mobilized thousands of women to fight for the right to a political voice. Opening when Stanton was twenty-five and Anthony was twenty, and ending when Congress sent the Fourteenth Amendment to the states for ratification, this volume recounts a quarter of a century of staunch commitment to political change. Readers will enjoy an extraordinary collection of letters, speeches, articles, and diaries that tells a story—both personal and public—about abolition, temperance, and woman suffrage. When all six volumes are complete, the Selected Papers of Stanton and Anthony will contain over 2,000 texts transcribed from their originals, the authenticity of each confirmed or explained, with notes to allow for intelligent reading. The papers will provide an invaluable resource for examining the formative years of women's political participation in the United States. No library or scholar of women's history should be without this original and important collection.

A Brief Biography of Susan B. Anthony
National Geographic Books

This biography takes a look at Anthony's upbringing in the Quaker church, her father's unusual stance for women's equality, and the historical events that molded her into one of the best-known suffragists. Though Anthony's life is portrayed in simple details geared toward younger readers, this book also shows her enthusiasm for women's rights and human rights, and her dedication to making the world a better place. The biography ends with Anthony's success in helping to win women's suffrage and her enduring legacy in the modern feminist movement.

Susan B. Anthony Gender and Race in American History

Voting is an important part of being an American. At one time, however, it was a right that only men enjoyed. That changed when a determined woman named Susan B. Anthony spoke up—and acted on her beliefs. She was so sure of her cause that she was more than willing to go to court and state her case in front of everyone, regardless of the threat of imprisonment. Her passion showed the country that something was wrong. Women rallied behind her. Men came to see that women's voices were powerful and important not only in the home but also in the world at large. Anthony did not live long enough to see her vision for women realized. However, thanks to her years of countless speeches, writing, and hard work, along with the efforts of Elizabeth Cady Stanton, Alice Paul, and many

others, women finally achieved what they rightfully deserved: the right to vote.

Who Was Susan B. Anthony? Capstone
Who Was Susan B. Anthony? Penguin
Simon and Schuster

A biography of leading social reformer Susan B. Anthony, told in graphic novel format. *Susan B. Anthony: Champion for Voting Rights!* is a biography of the woman who was at the forefront of the women's suffrage movement in the late nineteenth and early twentieth centuries. Along with other social reformers such as Elizabeth Cady Stanton and Frederick Douglass, Anthony not only paved the way for women seeking the right to vote but also spoke out against the institution of slavery, at great personal risk. Full-color illustrations and historically accurate text make this biography an entertaining, educational, and inspiring read for those who enjoy history and graphic novels.

A Friendship That Changed the World
Rutgers University Press

Susan Brownell Anthony (1820-1906) was an American social reformer and women's rights activist who played a pivotal role in the women's suffrage movement. Born into a Quaker family committed to social equality, she collected anti-slavery petitions at the age of 17. In 1856, she became the New York state agent for the American Anti-Slavery Society. Anthony traveled extensively in support of women's suffrage, giving as many as 75 to 100 speeches per year and working on many state campaigns. She worked internationally for women's rights, playing a key role in creating the International Council of Women, which is still active. She also helped to bring about the World's Congress of Representative Women at the World's Columbian Exposition in Chicago in 1893.

Heart on Fire Random House Books for Young Readers

"Susan B. Anthony didn't live long enough to see women get the vote, but her tireless dedication shines through on every page."—The Washington Post
World Failure Is Impossible brings together—for the first time—a wide-ranging, spirited collection of Susan B. Anthony's speeches, letters, and quotes, linked by contemporary reports and Lynn Sherr's insightful biographical commentary. By allowing the legendary suffragist to speak for herself, Sherr brushes the dust off of the Susan B. Anthony icon, introducing a new generation to the brave, brilliant, funny, and, most of all, prescient woman she really was. "Lynn Sherr has done us all a great service by bringing to spectacular light the too long neglected story of one of

our greatest patriots—a genuine hero who helped change for the better the lives of a majority of American citizens."—Ken Burns

The Life and Work of Susan B.

Anthony Albert Whitman & Company
Born a Quaker, Susan B. Anthony grew up being taught that women were equal to men. During her lifetime, she was a teacher, a newspaperwoman, and an activist. She worked to further many causes such as the temperance, the abolitionist, and women's rights movements. Although she didn't live to see her dreams of women's suffrage come true, her tireless dedication to the cause was crucial to its success.

Failure Is Impossible Millbrook Press
National Protection for National Citizens, 1873 to 1880 is the third of six planned volumes of *The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony*. The entire collection documents the friendship and accomplishments of two of America's most important social and political reformers. Though neither Stanton nor Anthony lived to see passage of the Nineteenth Amendment in 1920, each of them devoted fifty-five years to the cause of woman suffrage. The third volume of the Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony opens while woman suffragists await the decision of the U.S. Supreme Court in cases testing whether the Constitution recognized women as voters within the terms of the Fourteenth and Fifteenth Amendments. At its close they are pursuing their own amendment to the Constitution and pressing the presidential candidates of 1880 to speak in its favor. Through their letters, speeches, articles, and diaries, the volume recounts the national careers of Elizabeth Cady Stanton and Susan B. Anthony as popular lecturers, their work with members of Congress to expand women's rights, their protests during the Centennial Year of 1876, and the launch that same year of their campaign for a Sixteenth Amendment.

Susan B. Anthony Cherry Lake

A biography of Susan B. Anthony, a woman who worked to bring equality to women and African Americans.

Susan B. Anthony Simon and Schuster
Essays discuss the significant events, people, movements, and organizations that shaped and reflected the life of the nineteenth-century activist who spearheaded temperance, women's suffrage, and abolitionist movements.

The Trial of Susan B. Anthony

Prometheus Books

Susan B. Anthony rejected the idea that women were not equal to men and fought for women's rights and women's suffrage.

She was often ridiculed for her unorthodox manner and dress, but she remained steadfast in her beliefs. Readers will make both language arts and social studies connections through related vocabulary. *Friends for Freedom* Millbrook Press
In the fourth installment in the Making of America series, Susan B. Anthony, Teri Kanefield examines the life of America's famous suffragette. Anthony was born into a world in which men ruled women: A man could beat his wife, take her earnings,

have her committed into an asylum based on his word, and take her children away from her. While the young nation was ablaze with the radical notion that people could govern themselves, "people" were understood to be white and male. Women were expected to stay out of public life and debates. As Anthony saw the situation, "Women's subsistence is in the hands of men, and most arbitrarily and unjustly does he exercise his consequent power." She began her public career as a

radical abolitionist, and after the Civil War, she became an international figurehead of the women's suffrage movement. The book includes selections of Anthony's writing, endnotes, a bibliography, and an index.

Susan B. Anthony Henry Holt and Company (BYR)

Profiles the life and accomplishments of the schoolteacher who became the most famous leader of the women's rights movement.
