This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out

the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever. *Buying a Used Car No Longer Needs to be Risky* Center for Auto Safety For all students who wish to understand current economic and business literature, knowledge of mathematical methods has become a
