The northeastern  
United States, land of

Dwight L. Moody and Charles Grandison Finney, was once a place of great revival. Local churches and their pastors passionately served the Lord and His purposes. Schools were built for the training of godly ministers and leaders. While some revival fires still burn, others are smoldering; some fires have died. Hosting "Keep the Fire Burning" conferences gives Northside Baptist Church, Liverpool, New York, an opportunity to be a catalyst for revival and renewal in the Northeast from the country to the cities. An annual pastors' and leaders' conference will be a tool and launching pad for renewal of faith, inspiration, revival and encouragement. This project will include a

combination of face-to-face interviews, phone interviews and written interviews with thirty-five pastors throughout the northeast. The goal is for multiplied ministry effectiveness for the glory of God and the sake of souls. Power, Passion, & Prayer Bethany House Pub

The Power of God at Work Charles Finney's ministry led to some of the most amazing revivals that have ever occurred in the United States or England. In Holy Spirit Revivals, Finney recalls those events, revealing the secrets that led to the mass conversions of lost souls in his meetings throughout upstate New York, as well as in Boston, Philadelphia, and London. Finney was unafraid of offending

delicate ears by addressing the problem of sin head-on, and his dedication to prayer, his understanding of Scripture, and his radical reliance on the power of the Holy Spirit are a great template for believers today. This treasured account of one of the greatest Christian preachers in history is an outstanding resource for anyone interested in seeing a revival of faith in the church.

Thirty selected devotional readings about a Christian's relationship to Christ gleaned from the writings of Charles G. Finney Though Charles Finney is most often associated with evangelism and revival, his heart yearned over the Christian who, though forgiven of past sins, still lived in bondage to sinful habits. L.G. Parkhurst has carefully selected thirty brief but powerful readings from Finney, showing how freedom comes to a Christian only through a relationship with Christ. Chapter titles include: • Jesus My

King • Jesus My All in All • Jesus My Strength • Jesus My Hope • Christ My Rock This new book is similar in format to Finney's Principles of Prayer, also edited by Parkhurst.

The author distills the wisdom and inspiring words of the

nineteenth-century preacher, presenting important lessons about Christian living in the twenty-first century. Original. *Principles of Salvation* Principles of Revival I learned, with pain, that the spirit of revival had greatly declined in the United States, and that a spirit of jangling and controversy alarmingly prevailed. The peculiar circumstances of the church, and the state of revivals, was such, as unavoidably to lead me to the discussion of some points that I would gladly have avoided, had the omission been consistent with my main design, to reach and arouse the church, when she was fast settling down upon her lees.  Following a period of great revival, Charles Finney reached a point

of physical exhaustion which resulted in his writing a series of articles on various subjects to continue the work of discipleship in the new believers scattered throughout the regions of revival. These practical instructions were published in the Oberlin Evangelist periodical and took the form of letters addressed to specific themes. They now are collected and edited by Pastor L.G. Parkhurst to appear for the first time in book form. As well as letters concerning sanctification, major themes include Finney's letters: • To New Christians • To Ministers • To Parents • To Christians
