## **CASON MARISOL**

*The Land of Stories: The Wishing Spell* Little, Brown Books for Young Readers A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds* Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the

destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the

great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—*The Boston Globe*  
*The Day of the Jackal*

After Arthur calls Francine a marshmallow, she refuses to speak to him. Then Mr. Ratburn pairs them up for a homework project. They reluctantly go to the library for research-and find themselves locked in once the library closes. Will Arthur and Francine set aside their differences and work together to find a way out? In chapter-book format, for children who are ready to read on their own, this suspenseful adventure will surely be a hit among Arthur fans.

When Sue Ellen loses her diary at the library, Arthur and his friends try to imagine what she has written about them

*A Marc Brown Arthur**Chapter* Turtleback

NATIONAL BESTSELLER •

An audacious, darkly glittering novel set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of *King Lear*. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves *The Traveling Symphony*, and they have dedicated themselves to keeping the remnants of

art and humanity alive.

But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, *Sea of Tranquility*, coming soon!

Although Arthur and Francine aren't speaking to each other, they must find a way to set aside their differences when they are locked in the library after it closes.  
Arthur Jumps Into Fall  
Candlewick Press

Chosen to help Robert the Bruce in his quest to free Scotland from English rule and claim his crown, the legendary team of warriors known as the Highland Guard battles on. Embedded deep behind enemy lines, Arthur "Ranger" Campbell is prized for his razor-sharp senses and his ability to blend into the shadows. But when Arthur infiltrates the clan of the

chieftain who murdered his father, his heart is locked on revenge. Inside he faces unexpected resistance from the sweetest of obstacles—a honey-haired siren who is his enemy's daughter. Intrigued by this ruggedly handsome newcomer to her father's forces, the vivacious, enchanting Anna MacDougall is a woman whose skill at uncovering deception rivals Arthur's own. Though yearning for a quiet life with a good man to love, Anna is drawn to this mysterious knight whose eyes devour her but whose words push her away. As danger, treachery, and the threat of looming war draw them closer into each other's arms, a warrior made of steel must make a choice from the heart: love or revenge.

[Arthur and the Crunch Cereal Contest](#) Little, Brown Books for Young Readers

This anthology of rare stories of crime and suspense brings together 16 tales by masters of the Golden Age of Detective Fiction for the first time in book form, including a newly discovered Agatha Christie crime story that has not been seen since 1922.

For Arthur fans who are ready to read on their own, this easy-to-read chapter book provides a fun and challenging story written at a third-grade level.

**Arthur Babysits** Little, Brown Books for Young Readers

The first book in Chris Colfer's #1 New York Times bestselling series *The Land of Stories* about two siblings who fall into a fairy-tale world! Alex and Conner Bailey's world is about to change forever, in this fast-paced adventure that uniquely combines our modern day world with the enchanting realm of classic fairy tales. *The Land of Stories* tells the tale of twins Alex and Conner. Through the mysterious powers of a cherished book of stories, they leave their world behind and find themselves in a foreign land full of wonder and magic where they come face-to-face with fairy tale characters they grew up reading about. But after a series of encounters with witches, wolves, goblins, and trolls alike, getting back home is going to be harder than they thought.

*Record* Little, Brown

Books for Young Readers

A timeless classic that will enchant readers who love

Jennifer L. Holm and

Thanhha Lai, about an

immigrant girl inspired by the sport she loves to find

her own home team—and

to break down any

barriers that stand in her

way. Shirley Temple Wong

sails from China to

America with a heart full

of dreams. Her new home

is Brooklyn, New York.

America is indeed a land

full of wonders, but

Shirley doesn't know any

English, so it's hard to

make friends. Then a

miracle happens:

baseball! It's 1947, and

Jackie Robinson, star of

the Brooklyn Dodgers, is a

superstar. Suddenly

Shirley is playing stickball

with her class and

following Jackie as he

leads the Brooklyn

Dodgers to victory after

victory. With her hero

smashing assumptions

and records on the ball

field, Shirley begins to

feel that America is truly

the land of

opportunity—and perhaps

has also become her real

home.

**Brain** Little, Brown Books for Young Readers  
The most complete guide ever to the real Arthurian world and the legends that surround it He defeated the Saxons so decisively at the Battle of Badon that he held the Saxon invasion of Britain at bay for at least a generation. He has inspired more stories, books and films than any other historical or legendary figure. But who was the real King Arthur? Here is the most comprehensive guide to the real Arthurian world and the legends that surround and often obscure it. Sifting fact from fancy, Mike Ashley reveals the originals not only of King Arthur but also of Merlin, Guinevere, Lancelot and the knights of the Round Table - as well as all the major Arthurian sites. He traces each of the legends as they developed and brilliantly shows how they

were later used to inspire major works of art, poetry, fiction and film. There is clear evidence that. The Arthurian legends arose from the exploits of not just one man, but at least three originating in Wales, Scotland and Brittany The true historical Arthur really existed and is distantly related to the present royal family The real Arthur and the real Merlin never knew each other The real Lancelot was not British but was closer to a sixth-century asylum-seeker The Holy Grail legend probably grew out of a cosmic catastrophe that could have destroyed most of civilization

**The Magic School Bus Inside a Beehive** Little, Brown Books for Young Readers  
Arthur's experience babysitting for the terrible Tibble Twins is as challenging as he

expected, but he finally gets control by telling them a spooky story.
