Commentary & Reference Survey Wipf and Stock Publishers

Bill Bradley has done those who love God's Word a great favor. His excellent commentary of the Gospel of John is unique for a couple of significant reasons. It is both concise and yet detailed. Also Bill gives a perspective from personal convictions and experiences. This book will be a valued addition to anyone's collection of commentaries. I recommend it to all who love God's Word. Donald A. De Luke, West Monroe, LS. Pulpit Preacher at Jackson Street Church of Christ.

Themelios, Volume 34, Issue 3 Lulu.com

Themelios is an international, evangelical, peer-reviewed theological journal that expounds and defends the historic Christian faith. Themelios is published three times a year online at The Gospel Coalition (<http://thegospelcoalition.org/themelios/>) and in print by Wipf and Stock. Its primary audience is theological students and pastors, though scholars read it as well. Themelios began in 1975 and was operated by RTSF/UCCF in the UK, and it became a digital journal operated by The Gospel Coalition in 2008. The editorial team draws participants from across the globe as editors, essayists, and reviewers. General Editor: D. A. Carson, Trinity Evangelical Divinity School Managing Editor: Brian Tabb, Bethlehem College and Seminary Consulting Editor: Michael J. Ovey, Oak Hill Theological College Administrator: Andrew David Naselli, Bethlehem College and Seminary Book Review Editors: Jerry Hwang, Singapore Bible College; Alan Thompson, Sydney Missionary & Bible College; Nathan A. Finn, Southeastern Baptist Theological Seminary; Hans Madueme, Covenant College; Dane Ortlund, Crossway; Jason Sexton, Golden Gate Baptist Seminary Editorial Board: Gerald Bray, Beeson Divinity School Lee Gatiss, Wales Evangelical School of Theology Paul Helseth, University of Northwestern, St. Paul Paul House, Beeson Divinity School Ken Magnuson, The Southern Baptist Theological Seminary Jonathan Pennington, The Southern Baptist Theological Seminary James Robson, Wycliffe Hall Mark D. Tradition and Innovation in Biblical Interpretation Kregel Publications

This volume in honour of Eep Talstra focusses on the function of tradition in the formation and reception of the Bible, and the role of the innovations brought about by ICT in reconsidering existing interpretations of texts, grammatical concepts, and lexicographic practices.

The Revised Common Lectionary WestBow Press

In The Greek Article, Ronald D. Peters presents a grammar of the Greek article and relative pronoun, categorized as δ -items, which was formulated using the principles of Systemic-Functional Linguistics. This categorization stands in contrast to previous grammars, which have categorically associated the article with the demonstrative pronoun. Thus, the present work represents a significant paradigm shift in the study of the Greek article. Unlike previous approaches that have too often

yielded internally inconsistent and contradictory rules of usage, this approach results in a description of the article's function that is uniform across all occurrences. Simultaneously simple and robust, this grammar promises to pay significant dividends for exegetes and translators of the Greek New Testament.

Elements of Biblical Exegesis Inter-Varsity Press

If you'd love to learn Greek so you can study your Bible better, then this newly revised second edition of Greek for the Rest of Us is for you. Developed by renowned Greek teacher William Mounce, this revolutionary crash-course on "Greek for the rest of us" will acquaint you with the essentials of the language and deepen your understanding of God's Word. You'll gain a sound knowledge of Greek, and you'll learn how to use tools that will add muscle to your Bible studies. This book is divided into three major sections (Foundational Greek, Church Greek, and Functional Greek), each of which builds on the previous section and takes you to the next level. Depending on which levels you take, the book will teach you how to: Read and pronounce Greek words Learn the fundamentals of the Greek noun and verb system Conduct effective Greek word studies Learn the basics of Greek exegesis for biblical interpretation Decipher why translations are different Read better commentaries Be comfortable using reverse and traditional interlinears Understand the information displayed by biblical software

The Joy of a Faith-Filled Life BRILL

The following study seeks to investigate the impeccability of Christ from a historical/theological position. Two camps emerge on either side of the debate: Those who hold to the posse non peccare view, which is to say, ability not to sin, otherwise known as the peccability view and those who hold to the non posse peccare view, which is to say inability to sin, otherwise known as the impeccability view. While both camps affirm the sinless perfection of Christ, they oppose each other in whether as fully human He could have sinned if He wanted to. It boils down to a case of 'could have but did not' or 'did not because He could not have'. It is the view of this thesis that the non posse peccare view squares with both historical and biblical theology.

Old Testament Commentary Survey Kregel Publications

••Covers popular digital video editing and authoring tools•Book is organized into short, bite-sized tasks that are quickly accomplished by the average user•Written by an author who is an expert trainer, teacher and technical writer

The Land of Christ Zondervan Academic

This reliable guide lists and ranks approximately 800 Bible commentaries and 1,200 printed volumes, as well as numerous computer resources related to biblical interpretation, theology, and church history. Commentaries are categorized by level and approach and recommended titles are highlighted. A unique and special studies section lists works of significance for each book of the Bible.

Theology of the Old Testament BRILL

This series provides a unique, in depth commentary on scriptures that encapsulates both an

exegetical approach and a Biblical Theology application for a comprehensive offering critical to complete the library of all serious Bible scholars.

Liquid Scripture Standard Publishing Company

"This book traces the history of Bible software and app development, showing the unique and powerful role evangelical entrepreneurs and coders have played in shaping its functionality and how their choices in turn shape the reading habits of millions of people around the world. Though evangelicals are sometimes seen as those who retreat from or reject societal change, this book argues that evangelicals are adept at appropriating new technology—including early computers, the internet, mobile apps, and virtual reality experiences—in service of what they see as their mission in the world. In addition to historical research, this book includes interviews with developers at three of the largest Bible software companies and field work with digital and print Bible readers in several churches. This creates a comprehensive look at the interconnected ecosystem of publishers, developers, pastors, institutions, and software companies both within and outside of evangelicalism, and demonstrates how it affects the way churchgoers read and interpret the Bible"--

A Harmony of the Books of Samuel, Kings and Chronicles Fortress Press

This is the same best-selling KJV Standard Lesson Commentary that also includes a PC-compatible CD version of the commentary, KJV and 'locked' NIV version of the Bible. Each lesson fits into a six-year plan to study the Bible, and every text is indexed for easy reference throughout the six-year period.

Introduction to the Hebrew Bible B&H Publishing Group

A Guide to Biblical Commentaries and Reference Works, by John F. Evans, summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible. A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators. More scholarly books receive a longer, more detailed treatment than do lay commentaries, and highly recommended commentaries have their author's names in bold. The author keeps up on the publication of commentaries and intends to update this book every three to four years.

Understanding the Bible Zondervan Academic

In this powerful book, Walter Brueggemann moves the discussion of Old Testament theology beyond the dominant models of previous generations. Brueggemann focuses on the metaphor and imagery of the courtroom trial in order to regard the theological substance of the Old Testament as a series of claims asserted for Yahweh, the God of Israel. This provides a context that attends to pluralism in every dimension of the interpretive process and suggests links to the plurality of voices of our time.

Digital Video with Windows XP in a Snap Oxford University Press

"I can't tell you how many times I have preached and afterward promised God I would never embarrass Him like that again." — Joseph M. Stowell. *Unnatural. Supernatural. A gift. Hard work. Exhilarating. Terrifying.* These words only begin to describe the challenge and reward each pastor experiences. So what can assist today's pastors in such an endeavor? *The Moody Handbook of Preaching*. With contributors like Michael Easley, Joseph Stowell, and George Sweeting, these pages will reinvigorate you with an energizing love for preaching. And with topics such as evangelism,

homiletics, and historical narrative, this book will equip you to be effective in today's postmodern age. A rich resource, *The Moody Handbook of Preaching* encompasses the philosophy, formation, and delivery of preaching. Whether you're a seminary student or a seasoned pastor, this book will prove invaluable in your call by God to preach.

The Works of Thomas Goodwin Xulon Press

John Hayes and Carl Holladay have thoroughly revised and expanded this best-selling textbook, adding new chapters on emerging methods of interpretation and the use of computer technology for exegesis. All bibliographies have been updated, and Scripture has been converted to the NRSV. This new edition retains the features of the early editions: a minimum of technical terms, solid introductory guidelines in exegetical methods, and a valuable presentation of exegetical theory and practice. It is ideal for general introductory exegesis courses, introductions to the Old and New Testaments, and introduction to preaching, as well as for pastors and lay leaders.

Synopsis Of The Four Gospels AuthorHouse

This historic and authoritative volume contains the complete three-year listing of the Revised Common Lectionary (Years A, B, and C) to guide preaching and Scripture reading on the Lord's Day. Abingdon Press. Also included are an introduction explaining the nature and uses of lectionaries and a brief history of the Consultation on Common Texts.

Standard Lesson Commentary Wipf and Stock Publishers

Provides pastors and students with expert guidance on choosing a commentary for any book of the Old Testament.

People of the Screen Hendrickson Publishers

This revised and expanded edition presents a straightforward approach to the complex task of biblical exegesis.

The Conservative Reformation and Its Theology Zondervan Academic

The electronic Bible is here to stay—packaged in software on personal computers, available as apps on tablets and cell phones. Increasingly, students look at glowing screens to consult the Bible in class, and congregants do the same in Bible study and worship. Jeffrey S. Siker asks, what difference does it make to our experience of Scripture if we no longer hold a book in our hands, if we again "scroll" through Scripture? How does the "flow" of electronic Scripture change our perception of the Bible's authority and significance? Siker discusses the difference made when early Christians adopted the codex rather than the scroll and Gutenberg began the mass production of printed Bibles. He also reviews the latest research on how the reading brain processes digital texts and how churches use digital Bibles, including American Bible Society research and his own surveys of church leaders. Siker asks, does the proliferation of electronic translations reduce the perceived seriousness of Scripture? Does it promote an individualistic response to the Bible? How does the change from a physical Bible affect liturgical practice? His synthesis of the advantages and risks of the digitized Bible merit serious reflection in classrooms and churches alike.

Biblical Exegesis, Third Edition Thomas Nelson

A textbook on the textual criticism of the Old Testament based on a high view of the inspiration and inerrancy of the Bible. It also provides a special section on the contributions of Martin Luther as a pioneer of Old Testament textual criticism.
