This outstanding reference book features tantalizing color photos and descriptions of over 350 dolls produced in German porcelain factories from 1836 to the present. Take a pictorial tour of a 100-year-old porcelain factory to learn how antique porcelain dolls were made. Original sample books, old doll molds and porcelain shards identify the makers of many previously unknown china, parian-type, and bisque dolls. From the Kestner dolls to the artist dolls of today, this book provides an in depth look at sought-after German porcelain dolls. The colorful Hertwig bonnet head dolls, the expressive Gebruder Heubach character dolls, the top-of-the-line Kestner dolls, the captivating Simon & Halbig dolls as well as the detailed Carl Schneider half dolls are showcased in this book. Dozens of early, unmarked chinas made by the A.W. Fr. Kister porcelain factory in Scheibe-Alsbach are pictured in detail. Dolls from the following porcelain factories are also included in this book: Alt, Beck & Gottschalck; Baehr & Proeschild; Wm. And F.W. Goebel; Ernst Heubach; C.F. 32 Haute Couture Costumes by Courreges, Balmain, Saint-Laurent and Others Lettie Lane Paper Dolls

Women in Victorian England wore jewelry made from each other's hair and wrote poems celebrating decades of friendship. They pored over magazines that described the dangerous pleasures of corporal punishment. A few had sexual relationships with each other, exchanged rings and vows, willed each other property, and lived together in long-term partnerships described as marriages. But, as Sharon Marcus shows, these women were not seen as gender outlaws. Their desires were fanned by consumer culture, and their friendships and unions were accepted and even encouraged by family, society, and church. Far from being sexless angels defined only by male desires, Victorian women openly enjoyed looking at and even dominating other women. Their friendships helped realize the ideal of companionate love between men and women celebrated by novels, and their unions influenced politicians and social thinkers to reform marriage law. Through a close examination of literature, memoirs, letters, domestic magazines, and political debates, Marcus reveals how relationships between women were a crucial component of femininity. Deeply

researched, powerfully argued, and filled with original readings of familiar and surprising sources, *Between Women* overturns everything we thought we knew about Victorian women and the history of marriage and family life. It offers a new paradigm for theorizing gender and sexuality--not just in the Victorian period, but in our own.

Harriet Tubman and Sojourner Truth made significant contributions to American history and civil rights. The paper doll book is a tribute to these great American women who bravely helped to improve the lives of others. The paper dolls have clothes that are representative of the clothes they once wore. At the request of one of the organizers, both paper dolls were available for purchase at the "Harriet Tubman: No Longer Underground" Symposium in Auburn, NY, in November 2013.
