With a few simple tools, you will soon be on your way to discovering just how much specific, guiding wisdom is packed into your dreams. This groundbreaking book takes you step-by-step through the process of learning the language of your dreams. It is a language like any other. It has nouns (characters and settings), verbs (actions and your reactions), and adjectives (symbols and feelings). language but speak it fluently. You'll see that we dream to help reconcile with the past, handle the present, and step into the future. Three steps: remember, interpret, and live your dreams. It's easier than you think.

On June 5th, 1968, at L.A.'s Ambassador Hotel, Robert F. Kennedy celebrated his victory in the California Democratic primary with a rousing victory speech anticipating a successful run for the presidency. Moments later, gunshots shattered that dream: like his brother before him, Bobby Kennedy lay mortally wounded at the hand of an assassin. The police quickly apprehended Sirhan Sirhan, who the world believed had single-handedly masterminded the shooting. Shockingly, that may not be so, as documentary filmmaker Shane O' Sullivan presents powerful new evidence to the contrary...

How do I know it's God? is one of the most commonly asked questions of new and mature Christians alike, and the aim of *God Conversations* is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognise his voice in their everyday lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In *God Conversations*, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognise God's voice when he speaks and how to respond when you do.
