#1 New York Times bestselling author Nora Roberts unlocks the dreams of a woman on a quest for the truth in her second Key Trilogy novel. Dana Steele has always found her greatest passion in books. But now her boss is making her job as a librarian a living hell. Luckily, she now has a Plan B... High on a hill overlooking the town of Pleasant Valley, Pennsylvania, sits the Warrior's Peak estate. It's where Dana was invited to meet Malory Price and Zoe McCourt—and where they learned that they were destined to find three keys to unlock a box holding the souls of three mythical demigoddesses: one an artist, one a bard, and one a warrior. With the promise of a million dollars each dangled before them, the women couldn't refuse. And as Malory found the first key, they formed a fast friendship and decided to go into business together. For Dana, that meant her dream of owning a bookstore was about to come true. And now, as Dana finds herself on the threshold of some major life changes, it's her turn to find a key. She has four weeks to unravel a riddle involving her past, present, and future, and to find the truth hidden among deception and lies—or succumb to her worst nightmare. There are keys that open doors to astounding perceptions and higher states of being. These keys have now been revealed. "The Keys of Jeshua" is the culminating presentation of the conversations between artist Glenda Green and Jesus Christ that took place in 1992 while she painted his portrait. He personally appeared to her. (He has appeared many times to others since the day of his resurrection.) Their visits were warm, personal and completely vivid to all the senses. She took extensive notes for her own future study, not realizing that he would eventually ask her to share them with the world. "The Keys of Jeshua" presents the remaining notes from their original conversations, plus the continuing lessons of subsequent years. More than that, it stands alone as a perfected light of what his teachings have always been. These are the quintessential instructions of the Beloved Master now presented within the context of contemporary language and modern understanding. Each chapter begins with a message from Jeshua. Each message presents a crucial "Key to Life." Following that, there is a contribution from the author, correlations with the Bible, other words of wisdom, and practical applications to life. Last, but not least, for subjective realization of the message, each chapter ends with a meditation and prayer. It is recommended that you enjoy this book with all your faculties of understanding, from objective to subjective, and allow a holistic perception of these revelations to develop in your heart.

In Tibetan religious literature, Jamgön Kongtrül's Treasury of Knowledge in ten books stands out as a unique, encyclopedic masterpiece embodying the entire range of Buddhist teachings as they were preserved in Tibet. In his monumental Treasury of Knowledge, Jamgön Kongtrül presents a complete

account of the major lines of thought and practice that comprise Tibetan Buddhism. This first book of The Treasury which serves as a prelude to Kongtrül's survey describes four major cosmological systems found in the Tibetan tradition—those associated with the Hinayana, Mahayana, Kalachakra, and Dzogchen teachings. Each of these cosmologies shows how the world arises from mind, whether through the accumulated results of past actions or from the constant striving of awareness to know itself.

In the last twenty-five years, a great deal has been learned about how to teach reading effectively, but much of what has been learned by scientific researchers has not found its way into practice. Dr. Matthew Davis, Director of Reading at the Core Knowledge Foundation, outlines in this small, accessible, jargon-free gem of a book how to set up a reading program to teach the two keys to reading success—decoding skills and the essential core knowledge necessary for reading comprehension. A must-read work for reading instructors and curriculum planners.

2024 Hardcover Reprint of the three Grimoires bound into one volume. This omnibus edition reprints the three great magical works of King Solomon in one volume. The Key of Solomon the King was originally researched and translated by S.L. MacGregor Mathers from ancient manuscripts in the British museums. The work is traditionally divided into two books detailing the Key of King Solomon. The Lesser Key of Solomon [1904], or the Clavicula Salomonis Regis, or Lemegeton, is a compilation of materials and writings from ancient sources making up a text book of magic or "grimoire." Portions of this book can be traced back to the mid-16th to 17th centuries, when occult researchers such as Cornelius Agrippa and Johannes Trithemius assembled what they discovered during their investigations into ancient texts. The Greater Key [1914] lists and describes a variety of purifications an exorcist should undergo. Instructions are given on clothing, magical devices, and even animal sacrifices. The Testament of Solomon [1898] is attributed to King Solomon of the Old Testament. Written in the first-person narrative, the book tells the story of the creation of the magical ring of King Solomon and how Solomon's ring was used to bind and control demons, including Beelzebub. The manuscripts from which this work was discovered date from the 15th, 16th, and 17th centuries. All were written in Greek. This dating makes most experts believe that the work is medieval. But some scholars argue that it is likely that the work comes from the 5th or 6th centuries. Regardless of the dates, these texts provide an immensely interesting description of how King Solomon tamed various demons to build his temple. The text includes predictions of the coming of Christ, as one demon explains to Solomon that while he may be bound, the only thing that can truly take his power away is the man born from a virgin who will be crucified by the Jews.

The Immortal is the story of the return of the Apostle John to teach the Keys of Knowledge to his student, JJ Dewey, to prepare the world for the new age of peace. This is a book so riveting you will not be able to put it down until you've read the whole thing. The mystery of the book: Is it fact or fiction? Most readers agree this unique knowledge had to come from a higher source.

The Sealed Portion-Another Testament of Jesus Christ is the second part of the Book of Mormon, which millions of people throughout the world accept as the word of God along with the Bible. Joseph Smith, Jr. (1830), the founder of the Mormon faith, claimed to have received gold plates from an angel of God named Moroni. When he received the plates, Smith relates that 2/3 of them were sealed. The angel Moroni commanded him not to break the seals, but to translate only the portion of the plates that was unsealed. It was prophesied that the sealed portion of the plates would one day be given to the people of the world. Using two stones called the Urim and Thummim, Joseph Smith translated the unsealed portion. Before returning the plates to the angel Moroni, Joseph showed

them to several others. These men gave their personal testimony as witnesses to the existence of the plates and to the truthfulness of the Book of Mormon. Claiming to have received the same instructions to translate the sealed portion of the gold plates, an obscure man, once an active member of the LDS faith, who goes only by the name of Christopher, has published the remaining sealed portion. Though others have made similar claims before him, none has ever testified that he received the Urim and Thummim that was prepared by God to translate the plates, and none has made claim that he has received the exact same gold plates that were in Joseph Smith's possession-except for Christopher. This book is a result of that translation. The Sealed Portion-The Final Testament of Jesus Christ, written by Moroni, relates the vision seen by the Brother of Jared. Within the pages, the entire history of mankind is covered. It begins with the kingdom where the spirits of the children of men were first created, and continues through until the end of the millennium, when the earth will be restored to a state similar to the garden of Eden, and the planets will be prepared as the degrees of glory in the kingdom of God. The most accurate and precise account ever given of the life of Christ is contained within the pages, including his early years with his family, his youth, baptism, marriages, mission, and death. Moroni explains the atonement, the LDS temple endowment, and some of the hidden symbolism of the book of Revelation. He recounts the prophets Ubaid, Zarathustra, Antioch, Socrates, Sythipian, Mohammad, and Joseph Smith, Jr., among others. The histories of the Egyptians, Hittites, Babylonians, Romans, and Americans are also covered. Also given is the in-depth and beautiful description of Jesus' intercessory prayer among the Nephites and the Lamanites on the American continent. Along with the translation of the sealed portion, the first part of the gold plates that was translated by Joseph Smith, Jr. and subsequently lost by his scribe, Martin Harris, is also included in this extraordinary work. This part is known as the Book of Lehi (the lost 116-page manuscript). The full text of Joseph Smith's reported First Vision, in which he claims to have been visited by God the Father and Jesus Christ, is also included in the book. The reader is led from blindness into the light as he or she discovers the truths written within these pages.

"I feel it is one of the best approaches I have found to grasp the most jarring enigma humanity has ever faced." —George Noory, host of Coast to Coast AM "We cannot separate the earth from its greater cosmic environment. What is needed is a new story and Alan Steinfeld's Making Contact is part of that story." —Deepak Chopra, Author, Total Meditation How can we prepare for an event that is literally beyond anything humanity has ever faced? Making Contact presents multiple perspectives on what no longer can be denied: UFOs and their occupants are visiting our world. The book answers questions which remain in the wake of the recent Pentagon's disclosures as to who and why these beings are here. The volume contains original writings by the leading experts of the phenomena such as: Linda Moulton Howe, Earthfiles reporter, Whitley Strieber best-selling author of Communion, Professor John E. Mack, former head of the Harvard Medical school of psychiatry and an alien abduction investigator, Darryl Anka internationally known for his communication with the extraterrestrial Bashar, Nick Pope, former UK Ministry of Defense UFO investigator, Grant Cameron expert on American presidents and UFOs, Drs. J.J. and Desiree Hurtak, globalists and founders of the worldwide organization, The Academy for Future Science, Caroline Cory, director of Superhuman and ET: Contact, Mary Rodwell, author of the New Human about star-seed children, Henrietta Weekes, actress and writer, expressing the poetic aspects of making contact. Alan Steinfeld, contributes and curates the collection with 30 years of experience with the subject. The Foreword by George Noory of Coast to Coast AM kicks off the volume with his veteran overview of the need to wake up to the "new realities of extraterrestrial existence." At this critical juncture in the government's official acknowledgement of the reality of UFOs/UAPs, scientists, politicians and mainstream news outlets have no idea what to make of these startling revelations or the outpouring of sightings and "contact" experiences currently being reported on a global scale. The book stands as the most comprehensive clarification to date on the intent and intelligence behind the phenomena. The variety of viewpoints expressed in the volume provide a solid foundation for the "preparation" of the greatest challenge to ever face humankind. Making Contact stands as the essential handbook for embracing the most exalted moment in history: Meeting the cosmic others.

In the days after Donald Trump's unexpected victory on election night 2016, The New York Times, CNN, and other leading media outlets reached out to one of the few pundits who had correctly predicted the outcome, Allan J. Lichtman. While many election forecasters base their findings exclusively on public opinion polls, Lichtman looks at the underlying fundamentals that have driven every presidential election since 1860. Using his 13 historical factors or "keys" (four political, seven performance, and two personality), Lichtman had been predicting Trump's win since September 2016. In the updated 2024 edition, he applies the keys to every presidential election since 1860 and shows readers the current state of the 2024 race. In doing so, he dispels much of the mystery behind electoral politics and challenges many traditional assumptions. An indispensable resource for political junkies!
