Thessalonians

Penguin
Do you
remember
when God
amazed you?
When he
marvelously
provided for
you? Sadly,
sometimes we
forget God's
mercy. The
early believers

in the
Colossian
church had
forgotten too.
Instead, they
were
impressed by
spiritual
claims from
false teachers.
The apostle
Paul's letters
reminded
them that
Jesus is all we
will ever need.
Paul
encourages.
He challenges.
He gives
principles for
living and
interacting at
work, in our
families, and
our churches.
Paul also knew
that one of his

friends had
been betrayed
and had every
reason to seek
revenge. So
Paul wrote to
Philemon
encouraging
him to rise
above his hurt
and show
mercy,
forgiveness,
grace, and
love. Paul's
letters remind
us of the
difference
Christ makes
in every
aspect of our
lives. As you
read, study,
journal, and
discuss the
books of
Colossians
and Philemon,

watch for these key themes that Max will unpack throughout the book: Faith, love, and hope are key to following Christ. In Christ Jesus, we have been offered freedom. Because of Jesus, Christians can be as in touch with the next world as this one. The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions, inspirational

stories, and poignant reflections to take you deeper into God's Word. Each lesson includes: An opening reflection on the Bible book you're studying. Background information to deepen your understanding of the cultural and historical setting. An excerpt of the text (from the NIV and the NKJV). Exploration questions with plenty of room to write your own thoughts and notes. Inspirational thoughts from

Max as well as a closing takeaway for further reflection. The Life Lessons series is ideal for use in both a small-group setting or for individual study.

Life Lessons from Ephesians HarperChristian Resources As you read the book of Acts, you may wonder: are these the same disciples I read about in the gospels? The ones who doubted in Galilee and

ran for their lives in Gethsemane? The answer is: no. They are different. The Spirit dwells within them. And what God did for them, he longs to do for you. Join beloved author Max Lucado as he walks the roads of Acts—the amazing account of God's active Spirit among his servants and Christ's Church spreading to the world. As you read, study, journal, and discuss the book of Acts, watch

for these key themes that Max will unpack throughout the book: The foundations of the early church established in the aftermath of Jesus' resurrection and ascension. The Holy Spirit empowered the disciples to spread the gospel into the world as Jesus commanded. The first struggle of the gospel was to stand independently of Jewish tradition and faith. The sacrifice Jesus

made was for all people. The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions, inspirational stories, and poignant reflections to take you deeper into God's Word. Life Lessons from Galatians

 Forget the 10,000 hour

rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000

hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In The First 20 Hours, Josh

Kaufman offers a systematic approach to rapid skill acquisition—how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably

well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he

teaches:
 Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better.
 Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to

figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice.
 Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to

improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, The First 20 Hours will help you pick up the basics of any skill in record time . . . and have more fun along the way.

Two leaders, one burning mission: restoration. When the people of Israel returned to Jerusalem after their exile in Babylon, they found the city laid waste, the temple destroyed, and their way of life obliterated. Out of the ashes of this devastation, two leaders

emerged to restore the foundations of their worship and their city. Ezra, the first to return, set out to restore true worship in Jerusalem by reminding the people of God's teaching, what it meant for them, and how it should shape their lives. Nehemiah, the next to arrive, exchanged his royal cupbearer's robes for coveralls and got to work rebuilding the wall. The project took twelve years and was an

uphill battle all the way. The efforts of these men reveal just how much God can accomplish in our lives when we follow where he leads. As you read, study, journal, and discuss the books of Ezra and Nehemiah, watch for these key themes that Max will unpack throughout the book: When the Hebrews were allowed to return home their spiritual restoration was as

important as their national restoration. Restoring the temple was a significant step in the spiritual restoration of the people. The idolatry of the Hebrews was rooted in foreign wives who continued to worship their false gods. This is why the men were asked to divorce their foreign wives. We forget the directions. We forget to return a friend's phone call. And sometimes, we forget that we belong to Jesus. It's not intentional, but it happens. The church in Corinth had forgotten. They were divisive. Insensitive. Argumentative. Rebellious. They listened to false teachers who questioned the message of Christ and who accused Paul of being unreliable and a false apostle. Paul

knew the Corinthian church needed a reminder, so he wrote a heartfelt letter defending his character, ministry, and message. The letter reminds the Corinthians to turn from their worldly ways and to think and live in ways that honor God. Likewise, Paul's letter encourages us to look at our own lives so we won't forget what really matters. As you read, study, journal, and discuss the book of 2

Corinthians, watch for these key themes that Max will unpack throughout the book: Faith in Christ brings new life. God's people should give of their income to support God's work in the world. Simon and Schuster America's "Millionaires' Club" now has 10.4 million members - the most ever, according to the latest statistics. And it's a club you can join - much sooner than you might think,

says D.R. Barton, Jr., a top trader, television analyst and former hedge fund officer. In his new book, the 10-Minute Millionaire, D.R. has distilled his decades of experience trading the markets into a system so simple that even a new investor can set it up and maintain it in increments of as little as 10 minutes. The 10-Minute Millionaire combines goal-setting, stock-screening and trading

strategies whose ultimate objective is to give you membership in that Millionaires' Club. The system is so simple D.R. has taught it to sixth graders, yet so powerful it can transform even a small starting stake into lifelong financial freedom - in a way that utterly destroys "buy-and-hold" investing. Loaded with step-by-step illustrations and personal stories, the 10-Minute

Millionaire takes the powerful secrets of Wall Street insiders and breaks them down into an easy-to-understand blueprint for beating the markets, day after day, week after week. Using an easy three-step process, D.R. walks you through a repeatable and reliable way to identify the stock-market extremes that show up virtually every day. He trains you to properly frame each trade to

maximize profit and minimize risk. Finally, he neutralizes the natural biases that lead most traders to financial destruction – and shows you how to book big profits from other trader’s irrational miscues. This isn’t an algorithmic “black box.” It’s not “robo-trading.” The 10-Minute Millionaire system still requires personal involvement. It still requires commitment. But it

squeezes out emotion, filters out the noise, slashes the risk, and maximizes your potential for profits – and also for meaningful wealth. Once you learn the 10-Minute Millionaire way, it’s a system you can operate and update in tiny 10-minute increments. Before you know it, you’ll be trading better than a seasoned pro. And you’ll watch as your “assets” turn into true wealth. And you’ll learn the most-

valuable lesson of all: Becoming a millionaire doesn't have to be an unattainable dream. Make it a goal, and pursue that goal, and before long that dream will be real. Last Lecture Morgan James Publishing The Jewish believers were torn between their new faith in Jesus and their old ways rooted in Old Testament routines and rituals. They were tempted to go back to their familiar life that seemed "good

enough." But the author of Hebrews shows that when Jesus came, "the best got better." The unknown author of Hebrews skillfully compares these believers' old ways and their new faith, arguing that Christ is better in every way. He focuses on Jesus, his effective ministry, and his ultimate sacrifice, showing us that absolutely nothing compares to our

incomparable Christ. As you read, study, journal, and discuss the book of Hebrews, watch for these key themes that Max will unpack throughout the book: Jesus Christ brought about a whole new way of connecting with and following God. Jesus is our compassionate high priest. Faith is the connector between this life and the next. The Life Lessons with Max Lucado series brings

The end of the world... How do you react to that thought? Does it make you afraid or nervous? Excited? At peace? Or do you simply try not to think about it? The apostle John was privileged to preview the end of the world in a dream. While in exile on the island of Patmos, he experienced an amazing vision that gave him a glimpse of heaven. He saw the final battle between good and evil. He

saw God's justice. He witnessed the assured victory for believers in Christ as all hell broke loose and all heaven came forth. He saw Jesus, born in a manger, now triumphant over Satan. John's description stretches our imagination, fuels our anticipation, and comforts us as we await the final curtain call. As you read, study, journal, and discuss the book of Revelation, watch for

these key themes that Max will unpack throughout the book: God has a plan and a future for the world. God will be ultimately victorious over evil. There will be a final accounting for our faith and our lives. There is a better world in store. Corinthians is more than a list of sins—though many sins are mentioned—it's an epistle of patience. The Christians in Corinth were falling all over themselves for sin, and yet Paul calls them "brothers and sisters" first. Paul is angry but driven by love and eager to talk about the God of second chances. Paul's letter confronts us today who need a spiritual check-up. Just as they were intended to do

for the Corinthians, his words encourage us and show us how to lead a pure life. As you read, study, journal, and discuss the book of 1 Corinthians, watch for these key themes that Max will unpack throughout the book: The church, as the body of Christ, should be unified in the same way a physical body is united. God calls His people to sexual purity. We must honor God within our

human relationships. Love is the greatest of all gifts. Candles bathe a chapel in gold. Groomsmen and bridesmaids descend the aisles with bouquets of newness. And the groom stands at the front, longing for that moment his

bride will appear and step toward him to start their new life together. In Ephesians, Paul reminds us that Jesus is also longing for the day he will be united with the church—his bride in all her beauty. Paul's letter celebrates the beauty of the church and gives us wonderful examples and overviews of a Christian life. Paul shows us how to walk worthy of Christ as we live our life for God. His focus on the beauty

of the church reminds us that through salvation we become a part of God's family: a place where we can experience true belonging. As you read, study, journal, and discuss the book of Ephesians, watch for these key themes that Max will unpack throughout the book: We have many spiritual blessings through Christ. Each believer is gifted through the Spirit of God. Our faith

should work its way into all of our relationships. Our spiritual strength comes from God through his Word and our faith.
