As a forensic genealogist, Willow Anderson is following in her late grandfather's footsteps in her quest for answers about a baby abducted from the hospital more than twenty years ago. The case may be cold, but things are about to heat up when someone makes an attempt on her life to keep her

from discovering the truth. Ex-FBI agent--and Willow's ex-flame--Austin McKade readily offers his help to protect the woman he never should have let get away. Together they'll follow where the clues lead them, even if it means Austin must face the past he's spent much of his life trying to forget.

And even if it puts Willow's tender heart at risk. In this fast-paced and emotional page-turner, bestselling author Elizabeth Goddard keeps the stakes high, the romantic tension sparking, and the outcome uncertain until the very end.

No day. Today is the day. Alyssa's in trouble. Someone shot at her—actually shot at her—and now she's getting all kinds of threatening messages. There is no mistake. Sebastian and Alyssa's brother, Antony, have been working the spy game for years. They started as hacking teens but graduated to the big leagues—and their gaming company is just their cover. Apparently, their cover has been blown. Now some of the bad guys they've taken down want payback—and Alyssa is being targeted. He moves Alyssa into his home. Provides twenty-four seven protection for her. He figures he can keep his secret desire for her in check—he's done it for years, after all—or at least, that's the initial plan. Until he finds out that Alyssa has been longing for him. That he's starred in more than a few of her fantasies, too. All bets are off. He's held back for years, thinking he was doing the right thing. Thinking he'd never truly deserve a woman like her. But if Alyssa wants him, if Alyssa needs him, nothing will stop him from claiming the woman who owns his heart. Absolutely, one hundred percent...Sebastian will not let her go, and he will prove that he is the guy—the only one—for her.

SOON TO BE A MAJOR MOTION PICTURE STARRING BLAKE LIVELY AND JUSTIN BALDONI! From the #1 New York Times bestselling author of It Starts with Us and All Your Perfects, a “brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it” (Anna Todd, New York Times bestselling author) about a workaholic with a too-good-to-be-true romance who can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, It Ends with Us is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).
