Lizard Radio Rowman & Littlefield
When a handsome senior boy enters their mix, friends Josie, Nicolette, and Aviva soon find themselves

in questionable situations where each girl must make the right decision before their personal sacrifices become too great.
Unfortunate Situations, Flawed Coping Mechanisms, Mayhem, and Other Things That Happened Rowman &

Littlefield

A collection of humorous stories from over two dozen contemporary female writers, as well as autobiographical essays, comics, poems, and comic strips.

It's Kind of a Funny Story (Movie Tie-in Edition) Penguin

Fifteen-year-old bender Kivali has had a rough time in a gender-rigid culture. Abandoned as a baby and raised by Sheila, an ardent nonconformist, Kivali has always been surrounded by uncertainty. Where did she come from? Is it true what Sheila says, that she was deposited on Earth by the mysterious saurians? Now she's in CropCamp, with all of its schedules and regs, and the first real friends she's ever had.

Strange occurrences and complicated relationships raise questions Kivali has never before had to consider. But she has a gift, the power to enter a trancelike state to harness the knowings inside her. She has Lizard Radio. Will it be enough to save her? [The Rip-Roaring \(and Unauthorized!\) Biography of Golf's Most Colorful Superstar](#) Random House Digital, Inc.

A special Deluxe Edition of Adam Silvera's groundbreaking debut featuring an introduction by Angie Thomas, New York Times bestselling author of *The Hate U Give*; a new final chapter, "More Happy Ending"; and an afterword about where it all began. In his

twisty, heartbreaking, profoundly moving New York Times bestselling debut, Adam Silvera brings to life a charged, dangerous near-future summer in the Bronx. In the months following his father's suicide, sixteen-year-old Aaron Soto can't seem to find happiness again, despite the support of his girlfriend, Genevieve, and his overworked mom. Grief and the smile-shaped scar on his wrist won't let him forget the pain. But when Aaron meets Thomas, a new kid in the neighborhood, something starts to shift inside him. Aaron can't deny his unexpected feelings for Thomas despite the tensions their friendship has created with Genevieve and his tight-knit crew. Since

Aaron can't stay away from Thomas or turn off his newfound happiness, he considers taking drastic actions. The Leteo Institute's revolutionary memory-altering procedure will straighten him out, even if it means forgetting who he truly is. Why does happiness have to be so hard? E-Motion Picture Magic McGraw Hill Professional Ambitious New York City teenager Craig Gilner is determined to succeed at life—which means getting into the right high school to get into the right college to get the right job. But once Craig aces his way into Manhattan's Executive Pre-Professional High School, the pressure becomes unbearable. He stops eating and

sleeping until, one night, he nearly kills himself. Craig's suicidal episode gets him checked into a mental hospital, where his new neighbors include a transsexual sex addict, a girl who has scarred her own face with scissors, and the self-elected President Armelio. There, Craig is finally able to confront the sources of his anxiety. Ned Vizzini, who himself spent time in a psychiatric hospital, has created a remarkably moving tale about the sometimes unexpected road to happiness. Featuring a new cover with key art from the film starring Keir Gilchrist, Zach Galifianakis, Lauren Graham, and Emma Roberts, the movie tie-in edition is sure to attract new fans to this

beloved novel. *Funny: The Book* Leadstart Inkstate This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned

Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning’s headlines. *No Country for Old Men* is a triumph. *Just the Funny Parts* Vintage
 "Spurious Correlations ... is the most fun you'll ever have with graphs."--Bustle
 Military intelligence analyst and Harvard Law student Tyler Vigen illustrates the golden rule that "correlation does not equal causation"

through hilarious graphs inspired by his viral website. Is there a correlation between Nic Cage films and swimming pool accidents? What about beef consumption and people getting struck by lightning? Absolutely not. But that hasn't stopped millions of people from going to tylervigen.com and asking, "Wait, what?" Vigen has designed software that scours enormous data sets to find unlikely statistical correlations. He began pulling the funniest ones for his website and has since gained millions of views, hundreds of thousands of likes, and tons of media coverage. Subversive and clever, *Spurious Correlations* is geek humor at its finest, nailing our

obsession with data and conspiracy theory.

It's Kind of a Cute

Story Delacorte Press

Jeremy Heere is your average high school dork. Day after day, he stares at beautiful Christine, the girl he can never have, and dryly notes the small humiliations that come his way. Until the day he learns about the "squip." A pill-sized supercomputer that you swallow, the squip is guaranteed to bring you whatever you most desire in life. By instructing him on everything from what to wear, to how to talk and walk, the squip transforms Jeremy from Supergeek to superchic.

Furiously Happy

Disney Electronic Content

Like many ambitious New York City

teenagers, Craig Gilner sees entry into Manhattan's Executive Pre-Professional High School as the ticket to his future. Determined to succeed at life—which means getting into the right high school to get into the right college to get the right job—Craig studies night and day to ace the entrance exam, and does. That's when things start to get crazy. At his new school, Craig realizes that he isn't brilliant compared to the other kids; he's just average, and maybe not even that. He soon sees his once-perfect future crumbling away.

A Funny Book About Horrible Things Pan Macmillan

Seth Weinstein always knew Tina was way, way, way out of his league. Which is why

he's still astonished that he's on a plane heading for their wedding in Florida. The Groom Posse has already pulled an airport prank on him—and he's survived! It should be easy going from now on. But Seth has absolutely no idea what he's about to get into. A simple drink or two with the boys sparks a series of events that will pit Seth and his friends against everything and everyone imaginable, from his very powerful, very disapproving soon-to-be father-in-law to the federal government to a love-struck orangutan. Seth's hope for smooth sailing is turning into a trip on the Titanic. And the water is getting deeper by the minute...
Phil Glenbridge

Publishing Ltd.
 A juicy and freewheeling biography of legendary golf champion Phil Mickelson—who has led a big, controversial life—as reported by longtime Sports Illustrated writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw, uncensored, and unauthorized biography, Alan Shipnuck

captures a singular life defined by thrilling victories, crushing defeats, and countless controversies. Mickelson is a multifaceted character, and all his warring impulses are on display in these pages: He is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumors; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman whom many fans love and some abhor

because of the overwhelming size of his personality. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, leading Tida Woods to call her son's rival "the fat boy," among other put-downs. Yet as Tiger's career has been curtailed by scandal, addiction, and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck has long been known as the most fearless writer on the golf beat, and he delivers numerous revelations, from the true scale of Mickelson's massive gambling losses; to the inside story of the acrimonious breakup between Phil and his

longtime caddie, Jim “Bones” Mackay; to the secretive backstory of the Saudi golf league that Mickelson championed to wield as leverage against the PGA Tour. But Phil also celebrates Mickelson’s random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career and has been on the ground at Mickelson’s most memorable triumphs and crack-ups, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years—full of heart, humor, and unexpected turns.

The Men Who Stare at Goats St. Martin's

Press

From Iain S. Thomas, the creator of *I Wrote This For You*, and artist Carla Kreuser comes a collection of 300 things they truly and sincerely hope for you: from wishing you always have a pen, to hoping you're never lonely, and everything in-between. This collection of inspiring prose and illustrations will move you, and remind you of what's important in life as you live it. Or, that's what they hope.

When Reason Breaks
Macmillan

The poems Mark has written come from the truest and deepest feelings of his spiritual self, his heart, sorrows and hopes. The words flow from the ache and wonder of love, the many mysteries and humour of life, and the

awful sadness of loss or death. In this poetry collection, Mark offers you a mix of love poems, inspirational poems and poems of love and death. He shares with you many moments he has seen and experienced. Like a snapshot they capture instants of the highest highs and lowest lows that living brings to all of us. He offers you these inspirational poems to help your mood when you're down, to increase your understanding of life when cruel or unfair, to calm your thoughts and make you laugh ... or perhaps simply for you to enjoy. Mark hopes these will be poems everyone enjoys, and hopefully you do, because life really is a funny thing. *A Bad Boy Can be*

Good for a Girl
Hachette UK
Elizabeth Davis and Emily Delgado seem to have little in common except Ms. Diaz's English class and the solace they find in the words of Emily Dickinson, but both are struggling with to cope with monumental secrets and tumultuous emotions that will lead one to attempt suicide. [Seriously, Dude, Don't Touch It](#) Penguin
#1 New York Times Bestseller "Funny and smart as hell" (Bill Gates), Allie Brosh's *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog

Hyperbole and a Half the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE

AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness*
*These are lies.
Perhaps I have

underestimated my sneakiness!

Funny Side of

Autism Gollancz

A cult classic, adapted into a film starring Christian Bale. Is evil something you are? Or is it something you do? Patrick Bateman has it all: good looks, youth, charm, a job on Wall Street, reservations at every new restaurant in town and a line of girls around the block. He is also a psychopath. A man addicted to his superficial, perfect life, he pulls us into a dark underworld where the American Dream becomes a nightmare . . . With an introduction by Irvine Welsh, Bret Easton Ellis's *American Psycho* is one of the most controversial and talked-about novels of all time. A multi-million-copy bestseller

hailed as a modern classic, it is a violent black comedy about the darkest side of human nature.

300 Things I Hope

Simon and Schuster

When her husband left her with a baby, a toddler and a fledgling business, Francesca managed - she wasn't always gentle or patient, but the business thrived and Chris and Angelina had food to eat. At nearly 70, she feels she's earned a peaceful retirement. But when a massive stroke leaves her voiceless, partially paralysed and wholly reliant on the staff of an extended care facility, it seems her freedom is lost.

It's Kind of a Funny

Story Simon and

Schuster

From the creator of the popular website Ask a

Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email

- then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense

writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for

navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

American Psycho

Random House Canada
As a teenager growing up in the 1980s, all Jerry Mahoney wanted was a nice, normal sham marriage: 2.5 kids and a frustrated, dissatisfied wife living in denial of her husband's sexuality. Hey, why not? It seemed much more attainable and fulfilling than the alternative—coming out of the closet and making peace with the fact that he'd never have a family at all. Twenty years later, Jerry is living with his long-term boyfriend,

Drew, and they're ready to take the plunge into parenthood. But how? Adoption? Foster parenting? Kidnapping? What they want most of all is a great story to tell their future kid about where he or she came from. Their search leads them to gestational surrogacy, a road less traveled where they'll be borrowing a stranger's ladyparts for nine months. Thus begins Jerry and Drew's hilarious and unexpected journey to daddyhood. From then on, they're in uncharted waters. They're forced to face down homophobic baby store clerks, a hospital that doesn't know what to do with them, even members of their own family who think what they're

doing is a little nutty. One thing's for sure. If this all works out, they're going to have an incredible birth story to tell their kid. With honesty, emotion, and laugh-out-loud humor, Jerry Mahoney ponders what it means to become a Mommy Man . . . and discovers that the answer is as varied and beautiful as the concept of family itself.

It's A Funny Thing -
How the Professional
Comedy Business

Made Me Fat & Bald

Simon and Schuster
Just the Funny Parts is a juicy and scathingly funny insider look at how pop culture gets made. For more than thirty years, writer, producer and director Nell Scovell worked behind the scenes of iconic TV shows, including The

Simpsons, Late Night with David Letterman, Murphy Brown, NCIS, The Muppets, and Sabrina, the Teenage Witch, which she created and executive produced. In 2009, Scovell gave up her behind-the-scenes status when the David Letterman sex scandal broke. Only the second woman ever to write for his show, Scovell used the moment to publicly call out the lack of gender diversity in late-night TV writers' rooms. "One of the boys" came out hard for "all of the girls." Her criticisms fueled a cultural debate. Two years later, Scovell was collaborating with Sheryl Sandberg on speeches and later on Lean In, which resulted in a worldwide movement. Now Scovell is opening up

with this fun, honest, and often shocking account. Scovell knows what it's like to put words in the mouths of President Barack Obama, Mark Harmon, Candice Bergen, Bob Newhart, Conan O'Brien, Alyssa Milano, and Kermit the Frog, among many others. Through her eyes, you'll sit in the Simpson writers' room... stand on the Oscar red carpet... pin a tail on Miss Piggy... bond with Star Trek's Leonard Nimoy... and experience a Stephen King-like encounter with Stephen King. Just the Funny Parts is a fast-paced account of a nerdy girl from New England who fought her way to the top of the highly-competitive, male-dominated entertainment field.

The book delivers invaluable insights into the creative process and tricks for navigating a difficult workplace. It's part

memoir, part how-to, and part survival story. Or, as Scovell puts it, "It's like Unbroken, but funnier and with slightly less torture."
