"As novelist and poet Andrei Codrescu points out in the essay that accompanies this selection of photographs from the Getty Museum's collection, Evans's photographs are the work of an artist whose temperament was distinctly at odds with Beals's impassioned rhetoric. Evans's photographs of Cuba were made by a young, still maturing artist who - as Codrescu argues - was just beginning to combine his early, formalist aesthetic with the social concerns that would figure prominently in his later work."--Jacket.

The Jack Reacher Cases (Complete Books #10, #11 & #12) Laurence King Publishing
 DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

Nothing Ventured heralds the start of a brand new series in the style of Jeffrey Archer's #1 New York Times bestselling Clifton Chronicles: introducing Detective William Warwick. But this is not a detective story, this is a story about the making of a detective . . . William Warwick has always wanted to be a detective, and decides, much to his father's dismay, that rather than become a lawyer like his father, Sir Julian Warwick QC, and his sister Grace, he will join London's Metropolitan Police Force. After graduating from university, William begins a career that will define his life: from his early months on the beat under the watchful eye of his first mentor, Constable Fred Yates, to his first high-stakes case as a fledgling detective in Scotland Yard's arts and antiquities squad. Investigating the theft of a priceless Rembrandt painting from the Fitzmolean Museum, he meets Beth Rainsford, a research assistant at the gallery who he falls hopelessly in love with, even as Beth guards a secret of her own that she's terrified will come to light. While William follows the trail of the missing masterpiece, he comes up against suave art collector Miles Faulkner and his brilliant lawyer, Booth Watson QC, who are willing to bend the law to breaking point to stay one step ahead of William. Meanwhile, Miles Faulkner's wife, Christina, befriends William, but whose side is she really on? This new series introduces William Warwick, a family man and a detective who will battle throughout his career against a powerful criminal nemesis. Through twists, triumph and tragedy, this series will show that William Warwick is destined to become one of Jeffrey Archer's most enduring legacies.

Draping—the art of using cotton muslin to create womenswear directly on a dress form—is an essential skill for fashion designers. Through a series of step-by-step projects, designed to develop skills from the most basic to more advanced techniques, this book will guide you in creating both classic and contemporary garments, as well as historical styles and costumes. Draping projects include dresses, bustiers, and jackets, and highlight key fashion garments such as Audrey Hepburn's dress from *Breakfast at Tiffany's* and the Dolce & Gabbana tuxedo jacket. Starting with the basics of choosing and preparing the dress form for draping, the book advances through pinning, trimming, and clipping, and creating shape using darts and tucks, to adding volume using pleats and gathers, and handling complex curves. Advanced skills include how to use support elements such as shoulder pads, under layers, and petticoats, and how to handle bias draping. The book culminates with a

chapter on improvisational skills. Each skill and technique throughout the book is explained with step-by-step photographs and line drawings that bring the art of creating womenswear in three dimensions to life.

THE #1 INTERNATIONAL BESTSELLER 'Missiroli cuts right through to the darkness of our inner lives' Roberto Saviano 'You'll feel like taking refuge in the pages of this book and never leaving its confines' La Stampa Carlo, a part-time professor of creative writing, and Margherita, an architect-turned-real estate-agent: a happily married couple in their mid-thirties, perfectly attuned to each other's restlessness. They are in love, but they also harbour desires that stray beyond the confines of their bedroom: Carlo longs for the quiet beauty of one of his students, Sofia; Margherita fantasises about the strong hands of her physiotherapist, Andrea. The dream of a new flat, suspended between the old cobbled streets of Milan and the modern skyline cutting the horizon, might just help Carlo and Margherita bring down the wall Sofia and Andrea have built between them. But it is love, with its unassuming power, which ultimately pulls them from the brink, aided by Margherita's mother Anna, the couple's anchor and lighthouse - a wise, proud seamstress hiding her own disappointments. But after eight years of repressed desires and the birth of a son, when the past resurfaces in the form of books sent anonymously, not even Anna might be strong enough to save them. Winner of the Premio Strega Giovani - Shortlisted for the Premio Strega
