**Isis Unveiled** 1 S.O.U.L. Publishing

Black Hat Wisdom was written as the author's personal guide to achieve spiritual freedom and attain inner peace. Its main theme focuses on applying metaphysical attributes, without any specific theological beliefs that might constrain an open minded approach to the everyday occurrences of our daily lives. Its prime intention is to inspire, motivate, and embrace the inner essence of your individuality and the power of your spirit, as the main forces that provide the answers to what we already know but have most probably forgotten. The book is a very non-conventional approach to unravel the elusive truths behind those age-old questions of why we are here? What is the purpose of life? Where do we go after death? Why should we believe in what has been forced upon us through thousands of years of traditions and conventional wisdom? And many other questions which, perhaps because of our practical ways of thinking, we have failed to consider important. Hopefully by reading each essay more than once you will be open to consider a different way of thinking - a new way of thinking that could cement your present beliefs or shake them to their core, or maybe help you embrace other ways of getting closer to the absolute truth or to a truth within which the essential nature is forever changing. Lastly the author hopes that the reader will be inspired to question everything, with the compassion and understanding that will allow LOVE and PEACE to always lead the way. You are greater than you think you are.

Rev. 2:7 'He that has an ear, let him hear what the Spirit says unto the Churches.' He says it to each of the seven churches giving them warning as to what will happen if they don't listen. Later in the same book, he says something that opened my understanding to the reason people don't hear. He says, 'If any man have an ear, let him hear.' This indicates to me, the Spirit will no longer be speaking to people because He is no longer in the world. Those left behind will only be able to hear with the

natural ear what is going on around them. I would warn the church to listen NOW while there is still time to hear the Spirit and obey the Lord. There is coming a time when the Spirit will no longer speak to the hearts of man, for judgment will be falling on the world who would not listen. It will be a time of famine of the Word. I pray the church wake up now. Don't be like the five virgins, who feel asleep with no oil in their lamps and woke up left behind. Now is the day of salvation, now is the day to listen with the ear of the Spirit and have a Holy Spirit encounter that will change your life. You can't change yourself, you can only die to the self life and grow in the God life the savior provided for you at the cross. Living in the Last Days is not a popular phrase, but it is what is happening. We have no leadership, and preachers are preaching to itching ears and tickling ears. Hearts are cold or very lukewarm with no attention span to help one another to grow. Evil is growing and good people are doing nothing because they are too busy, to overworked, to far asleep. 666 is now here and is going to be required by government and good people are doing nothing because they don't care, don't see what it happening right in front of them. The evil that is in the middle east will be in American unless people wake up and listen with the ear of the Spirit and do it soon.

The images in this book each represent one of the 12 Spiritual Powers. Each drawing is accompanied by a page of information

about the attributes of that power, the disciple associated with it, the color, the body energy point, and any angels, flowers or herbs associated with the power. Consciously using this information allows the essence of each power to become more real, and a powerful tool in our daily lives.

The life force, also known as "spirit," is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

Grown men don't wear nappies and babies don't drive cars. In life it is important that we act our age. Spiritually, it works the same way. If we don't grow continually as a Christian, we build expectations based on other people's experiences instead of our own current position. Are you struggling to connect with God, or are you frustrated that your prayers are not being answered? The question is, how mature are you, spiritually speaking? Truth is, a parent relates differently to a baby than to a teenager. So too your Heavenly Father relates differently to you as a little child, a young man or as a father in the faith as highlighted in 1 John 2. Each growth phase poses a different degree of intimacy as well as a different level of responsibility in God's Kingdom. In this book you will learn how to relate to God as:  
 \* A little child ... receive revelation of God as a Father and understand adoption into His family.  
 \* A young man ... learn how to build strength and overcome the three enemies of your soul.  
 \* A father in the faith ... live in deep intimacy with the Father while raising sons of the next generations. It's time we grow up into full spiritual maturity. Creation depends on it!

A daily devotional based on the New York Times bestselling *The Wait*, filled with inspiring readings about how having the patience to wait for God's best—instead of grasping for what you want right now—can transform your life. In *The Wait*, DeVon Franklin and Meagan Good, a Hollywood power couple who famously saved sex for marriage, shared the life-changing message that waiting—rather than rushing—can be the key for finding the person you're meant to be with. Now, their powerful message is reflected again in *The Wait Devotional*. Filled with scripture, prayers, and DeVon and Meagan's trademark conversational style, this 90-day devotional is packed with real-time advice for men and women trying to successfully navigate the ins and outs of dating, love, and relationships. You'll discover how waiting for everything—from sex to getting engaged—can transform your entire life by giving you greater patience, joy, peace, healing, faith, and love. Whether you're waiting for the right person to come along or you're searching for the strength to put intimacy on hold, *The Wait Devotional* can help you slow down and trust in God's perfect timing, day by day.

*DR3AM* Simon and Schuster

Many daily devotionals are in very small, bite-sized installments that you can read in three minutes or less. This may be very appropriate for people who are always on the go, and are doing so at God's leading. But such tiny tidbits, while they may be very good and very true, are still pretty small, and as such, have insufficient room to get very deep. As such, they are barely spiritual hors d'oeuvres, let alone a hearty spiritual meal of "strong meat." If you have a bit more time, this devotional is a good alternative. It goes into greater depth and breadth in the Scriptural support and elaboration. You may notice that the list of Scripture references at the bottom of each day's entry is longer than you have seen in other daily devotionals. This is deliberate: You'll be blessed if you read all the Scriptures for each day's devotional, even if two or three passages seem to say the same thing—when the Bible makes similar statements but expresses them slightly differently, the various nuances of meaning are

significant and enlightening; they are not merely accidental.

There is amazing depth in the Scriptures. . .

Spiritual Bedrock Simon and Schuster

The New York Times bestselling author of *The Wait* and "spiritual teacher for our times" (Oprah Winfrey) frankly and openly explores why men behave the way they do and what everyone—men and women alike—need to know about it. We hear it all the time. Men cheat. Men love power. Men love sex. Men are greedy. Men are dogs. But is this really the truth about men? In this groundbreaking book, DeVon Franklin dishes the real truth by making the compelling case that men aren't dogs but all men share the same struggle. He provides the manual for how men can change, both on a personal and a societal level by providing practical solutions for helping men learn how to resist temptation, how to practice self-control, and how to love. But *The Truth About Men* isn't just for men. DeVon tells female readers everything they need to know about men. He offers women a real-time understanding of how men's struggles affect them, insights that can help them navigate their relationships with men and information on how to heal from the damage that some misbehaving men may have inflicted. This book is a raw, informative, and accessible look at an issue that threatens to tear our society apart yet it offers a positive way forward for men and women alike.

An apocalyptic adventure of awakening, madness, and revelation, *Sonspot*, is the tale of Mac—a coming of age man who is plagued by supernatural nightmares. Fed up with the depraved world he was born in, he asks for death. What he gets is the complete opposite; buried memories of his eternal soul on the Island of Eden and the damnation that follows. With the aid of a magic gum, the mysterious divine flow unfolds before Mac and his best friend, leading them on an adventure through the nine levels of hell; answering one fundamentally scary question that haunts us all to our grave.

 This book is Sally Stanley's incredible journey and amazing testimony of God giving her "The Power To Go On." Stricken with a staph infection which produced large painful sores all over her body, she was rushed into surgery, where the surgeon accidentally severed the main artery to her heart, causing blood

to flood her chest cavity, which resulted with her dying on the operating table. This resulted in her "after death or out-of-body experience" and miraculous encounter with The Lord, as He spoke these marvelous words, "You have been chosen by God and your work is not finished." Upon her immediate restoration, she spent weeks on a ventilator and had several months of physical therapy. Over the next several years, Sally has experienced and recovered from a fractured vertebrae, several strokes, and heart attacks. During this time period she also cared for her husband John, after he experienced seizures and strokes, which finally lead to his death on December 12, 2013. Then in May of 2014, while walking in a pedestrian crosswalk, she was suddenly hit by an automobile, suffering multiple injuries, including a shattered right shoulder and broken neck. Sally tells everyone that over the past 20 years, many miracles have happened in my life, but faith in Christ has given me "The Power To Go On." "I hope that everyone who reads this book will understand that with God, all things are possible. It is so great to know that we have Jesus walking with us each and every day."

One December evening, Andy Gustafson came home to find his wife and children murdered—a nightmare that few can imagine surviving. Yet, in his anguish, he found a God who cried with him. Step by step, with the help of others and his faith practices, he recognized the Light that shines in the darkness, a light the darkness never completely overcomes. In time, with God's Grace, he once again found family and purpose, vocation and fulfillment, joy. His life became a testimony to the enduring Light of God and a shining example to inspire others. Andy encouraged people to find and tell their own faith stories, particularly those stories that begin with loss, rage, and despair. An appendix provides questions for small groups to explore Andy's life story and then their own experiences, discovering personal ways to Testify to the Light. "With the pace of a Grisham novel and the depth of Annie Dillard, *Testify to the Light* follows the journey of one man as he moves from despair to hope. Andy Gustafson had it all: a loving wife, a growing family, a successful career, a place in his close-knit community. But when he returned home one evening to find his family brutally murdered, his world turned upside down and his journey out of that dark place began." Rev. *Spiritual Bedrock Reclaiming Your Inner Connection to Truth* Sylvia Hutchinson *Spiritual Bedrock* celebrates reconnecting with and living by our innate sense of Truth. In this book, Sylvia Hutchinson uses her experience to illustrate how easily looking for fulfillment in external sources can lead to the loss of feelings of security, connectedness, and wellbeing. *Spiritual Bedrock* is a straightforward look into Sylvia Hutchinson's mind and heart. As she shares her journey into multiple addictions and back, she reveals how the abandonment of her inner knowing and her integrity brought her to a world of separation and loss. She describes the desperation and hopelessness she experienced with directness and honesty. Sylvia then relates how she emerged from that deep emotional and spiritual bottom to reclaim her peace of mind and joy in life. She presents specific methods she has found to access and honor her emotions, transform thought processes and behavior patterns, access her inner wisdom, and reunite with her Higher Self. The spiritual nature of our daily lives, as supported by worldwide traditional wisdom, is a central theme throughout Sylvia Hutchinson's writing. In *Spiritual Bedrock*, Sylvia explains in down to earth language how living increasingly in accord with this age-old wisdom, or Universal Truth, is not only possible, but practical, and is the process by which we can feel whole once more.

#### A Powerful Practice for Finding the Love of Your Life and the Life You Love Simon and Schuster

There's a sacred and hidden path inside each one of us, a path of mysteries and amazing manifestations, where nothing is impossible, not even our wildest spiritual creations. This is the realm of impossibilities, where imagination is carried away by a spiritual insight, which is here referred as the phoenix. The allegory inside this book takes us to a subconscious realm, that can lead us to the most uplifting and unknown side of ourselves, but also to other realities as well, namely, the ones that are parallel to ours, and also other dimensions and galaxies. It is with this allegory of the phoenix that we understand the role of the dragons and serpents of our planet, and how they interfere in the Tao of our existence. As a dance of forces, vibrations of different natures, these symbols and concepts take us to the deepest truth within, of who we are and how far can we go. This is a book about the adventures of our soul, the journey within that so many Shamans live to explore. It's also about a path that all spiritualists and gurus have experienced, a path that some have called nirvana, enlightenment or awaking, but few have ever had the ability to fully describe in a way that can be perceived by the common mortal. The Native Americans have often told us about the spirit of the eagle that keeps guard over the spiritual world. This eagle, or big bird, is representative of another living force, which is the phoenix, the bird of fire. This is why many mystics of

ancient times believed that only fire could take souls to another world. The fire purifies the body, but the most potent fire comes from within, as an energy that we burn with our conscious awareness. This is the fire that Buddhists, Taoists and Hindus persist in awakening from within, commonly using disciplines created specifically for this purpose, such as yoga, chikung and meditation. This fire represents the power of our own spirituality, which most people are unaware to possess. As mortals and genetically manipulated slaves of a few alien species, we've lost the physical capability to ignite it. But the phoenix can help us reach it, through the spiritual nature that is within each one of us. The one who can ride the phoenix, can travel very far, to amazing lands. And these are the ones that often come back, when they choose to, as our prophets and religious leaders. This book describes their journey to Valhalla, Heaven, Paradise, or more simply, the Laboratory of God.

Isis Unveiled is a classic spiritual book written by Helena Petrovna Blavatsky of The Theosophical Society. This Isis Unveiled contains new calculations of the yugas by Sri Yukteswar author of The Holy Science. The Veil of Isis, Blavatsky's Secret Doctrine on A Mastery

Key to the Mysteries of Ancient and Modern Science and Theology is her opus. It encompasses a thorough examination of religion, spirituality, yoga, Sanatana dharma, kabbalism and Christianity. MAKE SURE YOU GET BOTH VOLUMES OF ISIS UNVEILED: Book I ISBN: 1939199042 & Book II ISBN: 1939199077 to help answer the question: "Does God Really Exist"? This is a question that has been asked since the beginning of time and probably will not be answered until the individual comes face to face with the Truth! However, if a critical examination on the subject matter is what you're looking for then there probably is no better source than "Isis Unveiled." This book is an exhaustive effort to discuss man, life and Spirit from as many angles as possible; from all ancient cultures, myths, religions and scientific perspectives. This book goes in depth to explore man's place in the world, how we all relate to one another and what connects us all. For the mystic, that answer is undeniably that we are all part of One Source, One Essence and One Spirit. Supported by extensive evidence from religious, esoteric and mystical traditions and classical scholarship, these volumes aid the student in detecting the vital principles which underlie the philosophical systems of old. Volume I consists of two books focusing on prevailing scientific theories balanced with Ancient Universal Wisdom Religion. Volume II's two books examine the creeds of religions past and present, alongside the myths and symbols of various cultures. Throughout, the author strikes at the root of dogma and affirms the 'paramount importance of any religion' for the individual to "Know Thyself!" After reading this classic book with a new translation and modernization, you will see how although time, cultures and languages may change - Truth is Eternal! Take this journey through history touching upon the wealth of spiritual knowledge from the Hindus, Chaldeans and Egyptians to Kabbalism, Christianity and Science. Enjoy the travels through the legendary Lemuria and Atlantis to the Mayans with quotes from Plato, the Chaldean Oracles, the Egyptian Book of the Dead, the Bible, Pythagoras, Apollonius of Tyana, the Popol Vuh, Paracelsus, Giordano Bruno, Marco Polo, Jesus the Nazarene, Siddhartha Gautama, Zoroaster, Hermes Trismegistus and Max Muller, as well as Buddhist, Brahmanical, Chinese, Persian, Babylonian, Syrian, Gnostics and so much more. Ultimately, it is the yogi who tells us that to the disbeliever there will never be substantial enough evidence to convince the doubter. However, for those who aren't

merely skeptics but have a sincere thirst for Truth, then only by going within will you ever be quenched! Isis Unveiled is the rapid river leading you to the water within... it is up to you to drink! For those that don't know, Blavatsky is very advanced reading for spiritual students. It is NOT the type of book you read from front cover to back. You must take your time with this reading. You should use the table of contents and/or index to go to the subject you have interest in, read it and let it digest. As time goes on and you experience more life then you will find yourself coming back to various subjects and gaining something new with each reading! "Many rivers... One Ocean; many branches... One Tree; many paths... One Destination; many stories... One Truth!" 1 S.O.U.L. Publishing [www.selfawakened.com](http://www.selfawakened.com)"

No Other Options. Desperate people stop Jesus in His tracks...think of the woman hemorrhaging for 12 long years, despondent that all remedies up to that point had proven worthless. The only option left for her was to grab the robe of the miracle man as He walked by. Jesus affirmed her courage, healed her, called her daughter, and blessed her in peace. Jesus admires your gut-honest desperation more than your religious self-sufficiency. It attracts Him like nothing else. What is your greatest place of desperation right now? Cruel circumstances, fractured relationships, bruised emotions and aching loneliness-God meets us in the desperate places of our lives, fights and delights to restore us, and sends us out into a world full of desperate people. "Honesty is what you will find as you advance through the treasures that await you in this unforgettable book. The words are not the hollow ramblings of an academic, but rather the wisdom of a man who writes from the depths of his quest to find meaning and hope in the darkest and loneliest circumstances you have ever endured. My life has been profoundly and deeply shaken by my friendship with Mike O'Quin. I invite you to read his meditations on human desperation. Prepare your heart. I dare say, you will never be the same."- Paul Richardson, author of A Certain Risk: Living Your Faith at the Edge (Zondervan, 2010) "One of the biggest dangers for the Western Christian is to wrap our lives in so much bubble wrap, that we no longer remain vulnerable, raw, broken and, most of all, dependent upon Jesus. Mike carefully removes the bubble wrap we have put around our own souls as he reminds us that it's only in our desperation that

we can fully meet the perfect love that saves us. Growing Desperate reminds us that, in the same way Jesus noticed the desperate hemorrhaging woman, He notices our own, everyday brokenness as well, if only we would be desperate enough to reach up. After reading this book, you will be." - Jessica Honegger, founder and CEO of Noonday Collection "Growing Desperate offers a most inspiring and compelling insight into Jesus' promise of the Kingdom for the poor in spirit. It's well-written and cocked full of fascinating stories of Mike's experiences from his life and the lives of people he's served both in the U.S. and Indonesia. His

winsome, transparent style of writing invites the reader to be more than OK with our own neediness. Most refreshing is Mike's call for us not just look inward but to also look outward to others who are needy. Mike lives what he's addressing in his book, thus it carries much authority." - Ron Parrish, author of From Duty to Delight: Finding Greater Joy in Daily Prayer "There are generally two types of writers who fill the pages of books in stores. The first are famous people who need some help to make their story readable. You'll buy the book 'cause you know who they are but struggle to finish reading their passable drivel. The second are people you've never heard of who have ridiculous writing talent.

Imagery leaps off the page so vivid and real you forget you're reading. You're living the story. You can't wait to read more, wished it wouldn't end and ache to read it again. Mike O'Quin is that second type of writer. Even better, he's lived desperation from Austin to Indonesia. You'll feel his stories tugging at your soul. More importantly, you'll hear the voice of God calling you to a life that's richer, riskier and singing a new song." - Peter Nevland, author of Exposing the Psalms and I'm Going to be a Zebra The heart of why I wrote this book:
