## RIVERS LYRIC

Stepping Up Multnomah

Answering God Harper Collins

Secrets of the Psalms Viking

Hearing and Answering God is the second volume of Prayers patterned after the language of the Psalms. Each of the Psalms (76-150) begins with the scripture passage followed by a prayer.

*The Psalms* SPCK

Of all the characters in the Bible, it is David who is most human. His life is lived on the "rough-edged actuality" of real life, and his relationship with God is an energetic one. Through the passions, the trials, and the lyrical poetry of this beloved figure, we gain powerful insights into the role of God in our own lives. In this inspirational volume, Professor Eugene H. Peterson, translator of *The Message*, uses stories from David's epic life as vivid lessons in everyday faith and spirituality. Exploring David's experiences of friendship, grief, love, sin, and suffering, as well as sanctuary, beauty, and wilderness, he reawakens us to the enduring truths behind these beloved stories.

The Wisdom of God Harper Collins

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**Prayer** Fortress Press

The book of Psalms powerfully resonates with the whole spectrum of human emotions and experiences, resounding with heartfelt praise, humble confession, and honest lament. Plumbing the theological depths, this guide explains the biblical text with clarity and passion—exploring the Bible's ability to transform our emotions and incline our hearts toward worship. Over the course of 12 weeks, each study in this series explores a book of the Bible and: Asks thoughtful questions to spur discussion Shows how each passage unveils the gospel Ties the text in with the whole story of Scripture Illuminates the doctrines taught in each passage Invites you to discover practical implications Helps you better understand and apply God's Word

Psalms CreateSpace

This volume replaces two previous volumes (Praying Psalms 1-30; 31-60) along with some additional Psalm prayers. A second volume (Psalms 76-150) is in process.

**Revelation** Createspace Independent Publishing Platform

- A spiritual manifesto by one of the world's most popular Christian writers
- A passionate case for putting the Psalms back at the centre of Christian prayer and worship
- An engaging and useful guide to praying the Psalms that can help us to live and commune with God as Jesus did 'I have decided, as a kind of thought-experiment, to order the material in three sections. The Psalms invite their singers, as they always have, to live at the crossroads of time, space and matter. This book explores what happens at this crossing-point.' From the Introduction 'Prayer is an act of rebellion. In this incisive and fresh look at the book of Psalms, Wright invites us to enter an alternative world-view that the Psalms embody. Let this book lead you to the Psalms - but beware, it's the wardrobe door into a new world order.' Scot McKnight, author of *The King Jesus Gospel* 'A characteristic blend of learning, personal insight and spiritual perception. This book will be of enormous help to Christians who want to know how to make fuller use of one of the greatest scriptural resources for prayer.' Rowan Williams, author of *The Lion's World* 'All our greatest treasures have a way of getting lost - then rediscovered. I can think of few greater treasures than the great songbook of the songs. I can think of no one better suited to explaining why and how they are to be treasured than Tom Wright.' John Ortberg, author of *The Me*

*Leap Over a Wall* InterVarsity Press

The text of the familiar psalm comparing God to a loving shepherd accompanies illustrations which shows the world of love and fear faced by an urban African-American family.

*Psalm Twenty-Three* Penguin Books

Using vibrant acrylics on Plexiglas, Dutch artist Anneke Kaai applies paintbrush and collage techniques to give "body" to her experience of the Psalms. The verses that inspired her paintings appear alongside, taken from *The Message* by Eugene H. Peterson.

**The Open and Unafraid** Answering God

Widely regarded as the modern C. S. Lewis, N. T. Wright, one of the world's most trusted and popular Bible scholars and the bestselling author of *Simply Christian* and *Surprised by Hope*, presents a manifesto urging Christians to live and pray the Bible's Psalms in *The Case for the Psalms*. Wright seeks to reclaim the power of the Psalms, which were once at the core of prayer life. He argues that, by praying and living the Psalms, we enter into a worldview, a way of communing with God and knowing him more intimately, and receive a map by which we understand the contours and direction of our lives. For this reason, all Christians need to read, pray, sing, and live the Psalms. By providing the historical, literary, and spiritual contexts for reading these hymns from ancient Israel's songbook, *The Case for the Psalms* provides the tools for incorporating these divine poems into our sacred practices and into our spirituality itself.

Reversed Thunder Harper Collins

Dietrich Bonhoeffer presents the Psalms as the prayer of the Church of which Jesus Christ is Head, having their place alongside the 'Our Father', the prayer which Jesus taught. Bonhoeffer considers who it is who prays in the Psalms, as well as various themes to be found within them, such as creation and the history of salvation, life and suffering. The Psalms provide words with which we can address God and in which we can hear God speaking to us.

**Ecclesiastes or, The Preacher** Createspace Independent Publishing Platform

This 10-week study of Job, Psalms, Proverbs, Ecclesiastes, and the Song of Solomon mines the Wisdom Literature not only for wise principles for living, but also for the wise person these books point to through their drama, poetry, proverb, and song. In her accessible and authentic style, Nancy Guthrie focuses on seeing Jesus in the Old Testament instead of emphasizing works-based moralism. She presents clear commentary and contemporary application of gospel truths, speaking directly to issues such as repentance, submission, happiness, and sexuality. Each weekly lesson includes questions for personal study, a contemporary teaching chapter that emphasizes how the passage fits into the bigger story of redemptive history, a brief section on how the passage uniquely points to what is yet to come at the consummation of Christ's kingdom, and a leader's guide for group discussion.

**Psalms** Canongate Books

Peterson has taken the stories and words of Jesus from the Gospels of St. John and St. Matthew and spread them across 365 days of reading, reflections, and prayer, in a series of readings that shapes the heart as it informs the intellect.

*Learning to Pray Through the Psalms* HarperChristian Resources

Presents the second volume in Eugene Peterson's series on Spiritual Theology and is entitled "Eat This Book." Becomes a conversation about spiritual reading and the nature of language as well as the ancient practice of "lectio divina," and the place of Scripture translations.

**Hearing and Answering God** InterVarsity Press

If you love, or want to love, or think perhaps you ought to love the Psalms, this first instalment of a two-volume set on the Psalter is for you. The purpose of the Psalms is that we learn to pray them, allowing them to - as Augustine put it - settle us more deeply in Christ. Volume 1 explores this purpose, showing how the Psalms should be studied, while Volume 2 focusses in on a chapter by chapter exposition. These volumes aim to help you pray the Psalms from the heart.

**Eat this Book** Harper San Francisco

"The accompanying CD features oral readings by Seerveld ... interspersed with select versification melodies played by solo recorder or saxophone."--Page 4 of cover.

**Desiring God** Harper Collins

A devotional prayer book focusing on one year with the Psalms, the most sensitive and honest words written about daily stress and daily blessings.

**The Message of the Psalms** Lifeway Christian Resources

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

**Experiencing the Psalms** Harper Collins

The Psalms of the King James Bible are the keys to communicating with God through prayer. Godfrey Selig's translation of a key fragment of the practical Kabala allows the reader to fully utilize the Psalms and prayers as they were meant to be used. Included in this edition are also a printing of all 150 Psalms from the King James Bible, a must have for any true devotee of God.

**Voicing God's Psalms** Crossway

At key moments in his life on earth, Jesus Christ, the very Son of God, turned to the Psalms for words to express his deepest thoughts and emotions. It is not hard to imagine Jesus, his mind and heart saturated with the words and thoughts of the Psalms as they were prayed aloud in the Temple, going off early in the morning to pray. How much must he have mouthed the words of the Psalms and given them a fulfillment? They became his answering speech to his heavenly Father. In these pages you will discover how the psalms that relate closely to the mission of Jesus can also become our answering speech. We will begin our journey into the mind of Christ by immersing ourselves in several psalms which Jesus himself refers to and fulfills. And then in the second half of the book, we will immerse ourselves in psalms that Jesus would have meditated on during his time on earth, focusing on the heart and mind of Jesus as he prayed the psalms. Structural analysis of each psalm will help us grow our ability to read the Psalms. The guided personal prayer liturgy with each chapter will help us go deeper in the experience of praying the Psalms. Through these psalms we will discover more of the human life of our Lord and Savior. And in the process we will discover more of who we are as we come before our holy God. Also included: a group discussion and prayer experience to accompany each chapter.
