A modern day Beauty and the Beast tale about a white skinned pearl in a world of dark skinned coals.

Modernity At Large Knopf Books for Young Readers

He's the elite's dark prince. I had the audacity of breathing his air. Dirty. Rotten. Savages. The Legacy boys are Windsor Preparatory Academy's most privileged. No one crosses the devil spawn of this town's upper echelon, but I managed. I call one of them out my first day, and no one hears it louder than their blond prince. Evil. Wicked. Twisted. Dorian Prinze is as cruel as he is beautiful and once he sets his sights on me, he refuses to let go.

Apparently, I bother him by simply existing at my new school and no matter what I do, I can't stay off the radar of him and his boys. He says I make too much noise and stupid me for not caring. Some really messed up stuff brought my brother and me to this town, and I won't bow down to these elitist pricks. Something tells me going to war with the cruel prince of Maywood Heights may level both our foundations, but I won't go down without a fight. I'll do whatever it takes to win Dorian's devious and twisted games. Even if he promises I'll scream for him by the end. Warning: Dirty Wicked Prince is a dark high school romance that contains dubious content and situations some may find triggering. It's recommended for readers 18+ and is the first book in an all new series by Eden O'Neill titled Court Legacy. Dirty Wicked Prince is not a standalone and does end in a cliff hanger. Author's Note: Court Legacy is a spin-off series about the children of characters featured in Eden O'Neill's Court High and Court University series. It's not necessary to read the previously released series in order to enjoy Court Legacy. This is a new series that can be read completely on its own.

Following the Scotiabank Giller Prize-shortlisted Son of a Trickster comes Trickster Drift, the second book in Eden Robinson's captivating Trickster trilogy. In an effort to keep all forms of magic

at bay, Jared, 17, has quit drugs and drinking. But his troubles are not over: now he's being stalked by David, his mom's ex--a preppy, khaki-wearing psycho with a proclivity for rib-breaking. And his mother, Maggie, a living, breathing badass as well as a witch, can't protect him like she used to because he's moved away from Kitimat to Vancouver for school. Even though he's got a year of sobriety under his belt (no thanks to his enabling, ever-partying mom), Jared also struggles with the temptation of drinking. And he's got to get his grades up, find a job that doesn't involve weed cookies, and somehow live peacefully with his Aunt Mave, who has been estranged from the family ever since she tried to "rescue" him as a baby from his mother. An indigenous activist and writer, Mave smothers him with pet names and hugs, but she is blind to the real dangers that lurk around them--the spirits and supernatural activity that fill her apartment. As the son of a Trickster, Jared is a magnet for magic, whether he hates it or not--he sees ghosts, he sees the monster moving underneath his Aunt Georgina's skin, he sees the creature that comes out of his bedroom wall and creepily wants to suck his toes. He also still hears the Trickster in his head, and other voices too. When the David situation becomes a crisis, Jared can't ignore his true nature any longer.

The Football Girl Virgin Books

Project Runway meets Mulan in this sweeping fantasy about a teenage girl who poses as a boy to compete for the role of imperial tailor and embarks on an impossible journey to sew three magic dresses, from the sun, the moon, and the stars. And don't miss Elizabeth Lim's new novel, the instant New York Times bestseller, *Six Crimson Cranes*! "All the cutthroat competition of a runway fashion reality show and the thrilling exploits of an epic quest." —The Washington Post Maia Tamarin dreams of becoming the greatest tailor in the land, but as a girl, the best she can hope for is to marry well. When a royal messenger summons her ailing father, once a tailor of renown, to court, Maia makes the ultimate sacrifice and poses as a boy to take his place. She knows her life is forfeit if her secret is discovered, but she'll take that risk to achieve her dream and save her family from ruin. There's just one catch: Maia is one of twelve tailors in a cutthroat competition for

the job. Backstabbing and lies run rampant as the tailors compete in challenges to prove their artistry and skill. Maia's task is further complicated when she draws the attention of the court magician, Edan, whose piercing eyes seem to see straight through her disguise. And nothing could have prepared her for the unthinkable final challenge: to sew three magic gowns for the emperor's reluctant bride-to-be, from the sun, the moon, and the stars. With this impossible task before her, she embarks on a journey to the far reaches of the kingdom, seeking the sun, the moon, and the stars, and finding more than she ever could have imagined. Steeped in Chinese culture, sizzling with forbidden romance, and shimmering with magic, this fantasy novel is not to be missed. "This is a white-knuckle read." —Tamora Pierce, #1 New York Times Bestselling author of *Tempests* and *Slaughter*

When Violet Eden loses the key to the gates of Hell she is forced to make a choice that carries apocalyptic consequences When you're hanging off the edge of a volcano, how do you make the most important decision of your life? For Violet Eden the decisions between right and wrong are getting harder and harder. Because apparently being a half-angel Grigori doesn't always make you right. Where is the good in having to choose between the life of her best friend and saving humanity? How does she balance a soul-crushing need for her Grigori partner, Lincoln, and the desire to keep him safe at all costs? And what if the darkest exiled angel of all, Phoenix, isn't as bad as she thought? Both sides—Angels vs. Exiles—are racing to decipher an ancient scripture that would allow anyone banished to the Underworld to return. And at the very center: Violet. She only has one chance to make the right choice... In this ambitious new book, Henrietta Moore draws on anthropology, feminism and psychoanalysis to develop an original and provocative theory of gender and of how we become sexed beings. Arguing that the Oedipus complex is no longer the fulcrum of debate between anthropology and psychoanalysis, she demonstrates how recent theorizing on subjectivity, agency and culture has opened up new possibilities for rethinking the relationship between gender, sexuality and symbolism. Using detailed ethnographic material from Africa and Melanesia to explore the strengths and weaknesses of a range of theories in anthropology, feminism and psychoanalysis, Moore advocates an ethics of engagement based on a detailed understanding of the differences and similarities in the ways in which local communities and western scholars have imaginatively deployed the power of sexual difference. She demonstrates the importance of ethnographic listening, of focused attention to people's imaginations, and of how this illuminates different facets of complex theoretical issues and human conundrums. Written not just for professional scholars and for students but for anyone with a serious interest in how gender and sexuality are conceptualized and experienced, this book is the most powerful and persuasive assessment to date of what anthropology has to contribute to these debates now and in the future.

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lein. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic,

The Girl Who Wrote in Silk explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*

Mystery crime fiction written in the Golden Age of Murder 'The lowest and vilest alleys in London do not present a more dreadful record of sin than does the smiling and beautiful countryside... Think of the deeds of hellish cruelty, the hidden wickedness which may go on, year in, year out, in such places, and none the wiser.' —Sherlock Holmes Many of the greatest British crime writers have explored the possibilities of crime in the countryside in lively and ingenious short stories. *Serpents in Eden* celebrates the rural British mystery by bringing together an eclectic mix of crime stories written over half a century. From a tale of poison-pen letters tearing apart a village community to a macabre mystery by Arthur Conan Doyle, the stories collected here reveal the dark truths hidden in an assortment of rural paradises. Among the writers included here are such major figures as G. K. Chesterton and Margery Allingham, along with a host of lesser-known discoveries whose best stories are among the unsung riches of the golden age of British crime fiction between the two world wars.

Two Choices: Angel or Exile. Lincoln or Phoenix. The wrong choice could cost not only her life, but her eternity. It starts with a whisper: "It's time for you to know who you are..." On her 17th birthday, everything will change for Violet Eden. The boy she loves will betray her. Her enemy will save her. She will have to decide just how much she's willing to sacrifice. A centuries old war between fallen angels and the protectors of humanity chooses a new fighter. It's a battle Violet doesn't want, but she lives her life by two rules: don't run and don't quit. If angels seek vengeance and humans are the warriors, you could do a lot worse than betting on Violet Eden. LINCOLN: He's been Violet's one anchor, her running partner and kickboxing trainer. Only he never told her he's Grigori—part human, part angel—and that he was training her for an ancient battle between Angels and Exiles. PHOENIX: No one knows where his loyalties lie, yet he's the only

one there to pick up the pieces and protect her after Lincoln's lies. In a world of dark and light, he is all shades of gray. The Embrace Series: Embrace (Book 1) Entice (Book 2) Emblaze (Book 3) Endless (Book 4) Empower (Book 5) Praise for Embrace: In her YA paranormal romance debut, Jessica Shirvington combines "the badass-action of Vampire Academy, the complex love triangles of Twilight, and the angel mythology of Fallen, taken one step further." —Book Couture "Shirvington's debut is smart, edgy and addictive—and sure to leave readers clamoring for the rest of the series." — Kirkus Reviews, STARRED "One of the best YA novels we've seen in a while. Letters from India Grand Central Publishing

Contrary to the common view that globalization undermines social agency, 'alter-globalization activists', that is, those who contest globalization in its neo-liberal form, have developed new ways to become actors in the global age. They propose alternatives to Washington Consensus policies, implement horizontal and participatory organization models and promote a nascent global public space. Rather than being anti-globalization, these activists have built a truly global movement that has gathered citizens, committed intellectuals, indigenous, farmers, dalits and NGOs against neoliberal policies in street demonstrations and Social Forums all over the world, from Bangalore to Seattle and from Porto Alegre to Nairobi. This book analyses this worldwide movement on the bases of extensive field research conducted since 1999. Alter-Globalization provides a comprehensive account of these critical global forces and their attempts to answer one of the major challenges of our time: How can citizens and civil society contribute to the building of a fairer, sustainable and more democratic co-existence of human beings in a global world?

How do you know... For beautiful novelist Dylan Ivory, being in control is everything. Then she meets the man who is everything she is not...and everything she wants. How far you can go... Alec Walker is a writer of dark psychological thrillers—and a man who lives for thrills. From motorcycles to snowboards to swimming with sharks, there's no end to his lust for excitement. His tastes extend into the bedroom as well, where he lets no rules bind his desires. The only thing he truly fears is love, and allowing

someone else to really know him... Unless you go over the edge? While researching a book on sexual extremes, Dylan interviews Alec—and longs to taste the temptation he offers. But he's a self-proclaimed dominant and she refuses to surrender control. Slowly and seductively, though, Alec shows her that by letting go and submitting to his every desire she can experience ultimate pleasure. But to keep the woman who for the first time brings him to his knees, can Alec take the ultimate risk and surrender his heart?

A New York Times Notable Book A Miami Herald Best Book of the Year In this deeply personal book, the celebrated Haitian-American writer Edwidge Danticat reflects on art and exile. Inspired by Albert Camus and adapted from her own lectures for Princeton University's Toni Morrison Lecture Series, here Danticat tells stories of artists who create despite (or because of) the horrors that drove them from their homelands. Combining memoir and essay, these moving and eloquent pieces examine what it means to be an artist from a country in crisis.

INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a "compulsively readable parable for the 21st century" (*Vanity Fair*). When Mae Holland is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life

beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

Pleasure's Edge Random House

In the early years of the new millennium, hurricanes lashed the Caribbean and flooded New Orleans as heat waves and floods seemed to alternate in Europe. Snows were disappearing on Mount Kilimanjaro while the ice caps on both poles retreated. The resulting disruption caused to many societies and the potential for destabilizing international migration has meant that the environment has become a political priority. The scale of environmental change caused by globalization is now so large that security has to be understood as an ecological process. A new geopolitics is long overdue. In this book Simon Dalby provides an accessible and engaging account of the challenges we face in responding to security and environmental change. He traces the historical roots of current thinking about security and climate change to show the roots of the contemporary concern and goes on to outline modern thinking about securitization which

uses the politics of invoking threats as a central part of the analysis. He argues that to understand climate change and the dislocations of global ecology, it is necessary to look back at how ecological change is tied to the expansion of the world economic system over the last few centuries. As the global urban system changes on a local and global scale, the world's population becomes vulnerable in new ways. In a clear and careful analysis, Dalby shows that theories of human security now require a much more nuanced geopolitical imagination if they are to grapple with these new vulnerabilities and influence how we build more resilient societies to cope with the coming disruptions. This book will appeal to level students and scholars of geography, environmental studies, security studies and international politics, as well as to anyone concerned with contemporary globalization and its transformation of the biosphere.
