To love and be loved, what could be more important?The craving to be loved is our deepest emotional need. Each of us feels loved when others speak our primary love language. We are drawn to that person because he or she is meeting our basic need to feel loved. The love languages in human relationships are a reflection of divine love. If man is indeed made in the image of God, then we would expect to find all five love languages (and more) expressed in the character and nature of God. Dr. Chapman's goal for readers is that they may be led to explore the possibility of speaking different love languages to God and thus expanding their own understanding of God and others.

The heart of Jesus is sacred, and the lessons and examples it provides to us are paramount in our daily mission to follow in His footsteps. Max Lucado poses the question "what if, for one day and night, your heart was replaced by the heart of Christ?" That thought-provoking question leads to many personal revelations demonstrating that we can recast our hearts to be more like that of Jesus, and the blessings created by the transformation will unleash ripples to the widest edges of our lives and those around us.

Marshmallows for Breakfast O diário de Marise a vida real de uma garota de programa

A life told in one book. What am I writing for? Dear reader, I need to vent, the thoughts flow in a raw

way, with no time for embellishments, and no filter for the sordid details. I need to warn you that my story will start innocently. However, do not fool yourself: it'll get worse every chapter, and so, there will be certainly many sordid details. I anticipate that: "In the controversial search for success, I draw my failure reaching for victories". Confusing, right? Accept to know me and you will understand!

"Cultures are like chemical elements. You can mix two of them, and you might get something useful like water or table salt. But you might also blow up the kitchen." —Thomas Armstrong from Multiple Intelligences Around the World Multiple intelligences (MI) theory has been introduced and implemented successfully in numerous countries around the world. This is the first collection to review, synthesize, and reflect on this unique cross-cultural and educational phenomenon. Through this synthesis and reflection, the book's authors provide a fresh and fuller understanding of MI theory. In addition, they develop more specific knowledge about why MI theory has been welcomed in so many countries, how its use can be appropriate in diverse cultures, and what has supported and fueled travel of the MI meme.

They can take everything from me, but they can't take her. Mr. Black is coming back. With a vengeance. "I need you to sign a contract." "What kind of contract?" "A contract that will make you mine." This time she's going to do everything I say. She's going to hate it and then she's going to beg for more. This is the game we play. It's our game. But what happens when others find out? Will we lose everything? Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with. I instantaneously bonded with the heroine and of course Mr. Black. YUM. It's sexy, it's sassy, it's steamy. It's everything. I loved every second of it and was so thrilled to have had such a treat." - Khardine Gray, bestselling romance author "Her words make me ache and yearn for more." - Dancer in the Dark "The story is dark and enticing, taking me deeper into a world from which I never want to emerge." - Lover of Alpha "Addictive and damaged, their love burns slowly but deeply." - Heroes and Alphas "Their chemistry sizzles right from the beginning. Becoming a big brother or sister is one of the most exciting things that can happen in a child's life. Bernardo thought so too, but his little brother, Gustavo, is not exactly the example of a cute, calm and well behaved baby. Gustavo is a chaser, a drone, a bodyguard? He's practically Bernardo's shadow! Is it possible to live with a brother like that? Told through the eyes of a child, in a poetic and fun way, MY BROTHER, MY SHADOW exposes the anxieties and joys of becoming a big brother. The heartwarming writing by Fabiana Rocha and lovely illustrations by Bruna Assis Brasil show how challenging and exciting building a fraternal relationship can be, filled with small conflicts and lots of love.

Still grieving the death of her prematurely delivered infant, Lila finds a welcome distraction in renovating a country house she's recently inherited. Surrounded by blueprints and plaster dust, though, she finds herself drawn into the story of a group of idealistic university grads from thirty years before, who'd thrown off the shackles of bourgeois city life to claim the cottage and rely only on each other on the land. But utopia-building can be fraught with unexpected peril, and when the fate of the group is left eerily unclear, Lila turns her attention to untangling a web of secrets to uncover the shocking truth of what happened that fateful year, in order to come to terms with her own loss and build a new future for herself. Suspenseful and moving, with a deep secret at its heart, THE SHADOW YEAR is Hannah Richell's breakout book.
