 There are so many of us believers that live a life that is dominated by defeat, guilt, condemnation, and shame. So many of us live powerless lives and we are far from the passionate Paul that was zealous, bold and courageous. There is a real need for the body of Christ not to view themselves through the lens of their own sins and other people's opinions, but to view themselves as sons of God and how the Bible describes them in their TRUE Identity in Christ. This book provides a watershed of truth, insights and revelations that will help each reader come to see themselves as the Bible declares them to be. Come and read nineteen good things that God says you are, and let the truth change you, as it did for the author. Many people run from prophet to prophet to hear that God loves them, has a purpose and destiny for them, and believes in them, when if they had the right book in their hands and took the time to let the truths soak in, they would finally be set free, and propelled toward their destiny. This is such a book!

Teens' Guide to Identity from FamilyLife All teens wrestle with the question "Who am I?" and wonder, What makes me special? Though these questions linger for life, they are most intense in the teen years, where confusion, awkwardness, and a desperate grab for identity reign. So how does a young person answer these critical questions? Where do young men and women find their significance, worth, and value? True Identity is perfect for parents and youth workers to give to the teenagers (14-16) in their lives to help them in their journey. Drawing on experiences and wisdom from a wide array of experts, the book provides compassionate answers to help teens discover who they really are, emphasizing their identity in Christ above all other ways our culture defines them. As the book walks teens through the steps to make their faith their own, it highlights healthy independence and God-honoring relationships. The Passport2Identity curriculum launched in April 2016, and True Identity is its trade book companion.

The question "Who am I?" is on the minds and hearts of people of all ages. And for good reason: The answer is important! Who we are - or who we think we are - drives our actions and shapes our

relationships. While we are asking the right questions about identity, the world is busy feeding us the wrong answers: We are our political party, job title, sexual orientation, race, ethnicity - and the list goes on. But until we know why we were created, by whom, and for what purpose, we can never be truly satisfied. In *Who Am I, Lord?*, author and speaker Joe Heschmeyer tackles the question of identity by asking two even more important questions: Who is Jesus? Who does he say you are? Only when we understand who Christ really is can he show us who we are. Our identity in Christ opens us to the promises he has made us and leads us to the freedom to be who we were created to be. *Who Am I, Lord?* will answer the question of your identity in a way that will transform your life. His writing has appeared in Catholic Answers Magazine, the Washington Times, Word on Fire, First Things, and Strange Notions. In 2014, he was named one of FOCUS' "30 Under 30." He cohosts The Catholic Podcast weekly and has run the blog Shameless Popery since 2009.

In *The Christian Man*, Patrick Morley--bestselling author of *The Man in the Mirror*--offers men practical ways to deal with life's problems and become the men of God they aspire to be. No man fails on purpose. Quite the opposite. When our feet hit the floor every morning, we're looking for a win. But these are turbulent times to be a man. In gathering material for this book, Morley interviewed many men. Their input was powerful. And transparent. They agreed that it's increasingly difficult to juggle all their responsibilities as men, husbands, fathers, friends, workers, churchmen, and citizens. No one understands what you're going through more than men's expert Patrick Morley, author of the landmark bestseller *The Man in the Mirror*, which has sold over 4 million copies. And now, Morley has put together a game plan so you can get that win you're looking for. *The Christian Man* is filled with powerful stories and refreshingly practical answers to questions like: How can I lead a more balanced life? How can I have a deeper walk with God? What makes a great husband? How can I become a dad who makes a difference? How should I think about my work? What's the right way to deal with lust? By the end of this must-read book, you will know how to intentionally release the power of God on the issues that matter most to you. You'll be able to walk with confidence in the one identity that matters most: *The Christian Man*.

"This book walks each of us through the reality checks we need in order to have the marriage we want!" —Shaunti Feldhahn, social researcher and best-selling author of *For Women Only* In today's workplace, women are often rewarded for having type A personalities: driven, demanding, ambitious, and strong. Yet when it comes to their marriages, those same traits can backfire. After all, no one goes into marriage hoping for a promotion. What is a wife to do? April Cassidy knows this struggle firsthand. She thought she was a great Christian wife and begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional respect—not just love—to her husband. Cassidy's conclusions may be as startling to readers as they were to her, but *The Peaceful Wife* shares how she and many others have learned to reorient their lives to biblical commands—resulting in healthier, happier marriages. In the end, you'll find *The Peaceful Wife* a powerful path to God's design for women to live in full submission to Christ as Lord.

Stop Trying Thomas Nelson

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted

and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.
