"Mia's whirlwind journey is a refreshing mix of adventure, soul-searching, and steaming hot physical intensity that packs an emotional punch." -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A muse. Me. The motorcycle riding, ass-kicking, concert t-shirt wearing chick from Las Vegas, is a world-renowned French artist's muse. For a month. I had no idea when I took the escort job with Exquisite Escorts I would be standing naked in front of a blank canvas in a Seattle warehouse. "Love on Canvas" he calls his exhibit, a combination of photographic stills and paint entwined to create the most awe-inspiring pieces the world will ever see. Except every last one of them features me and a moment in time where I was vulnerable. Alec Dubois played on those vulnerabilities, teaching me lessons about love and life that would stay with me through the rest of my days. *** Mia Saunders continues her mission to bail out her comatose father whose life is on the line to a dangerous loan-shark who happens to be Mia's ex-boyfriend. For this journey, she serves as a high-priced escort to French artist named Alec Dubois in Seattle, Washington. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Det är väldigt enkelt. Jag behövde pengar. Mycket pengar. En miljon dollar för att vara exakt. Tidsfristen var ett år. Jag hade tolv månader på mig att betala, annars skulle min pappa bli dödad. När man ställs inför ett ultimatum som det här, gör man vad man måste göra. Och det är precis vad jag gjorde. Mia Saunders har knappt hunnit flytta till Los Angeles innan hon får beskedet att hennes pappa har blivit grovt misshandlad för att han inte betalade en enorm spelskuld. Och inte nog med det, det är hennes ex-pojkvän Blaine som står bakom misshandeln och utpressningen.

Mia ser en enda lösning, och det är att börja jobba på hennes mosters företag Exquisite Escorts. Uppdraget: att tillbringa en månad åt gången tillsammans med rik man och vara hans dejt i alla sorters sammanhang. En rik man som hon dessutom inte behöver ligga med om hon inte själv skulle vilja. Det skadar förstås inte att den första killen är en het Hollywood-regissör. Del 12 - December.

"A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." -Meghan March, USA Today Bestselling Author Synopsis Life, Love, Laughter. Three things I never expected to experience in the month of giving thanks, but that is just what I received. Wes had survived Hell on Earth, and was back where he was meant to be...in my arms and my bed. For good. There would be no breaking us apart after the trauma we experienced up to this point. My new job with Century Production sent me to the big apple to interview celebrities for a special segment on being thankful. What is a girl to do when she has an entire host of celebrity friends from her past year of travels? You better believe I called up my friends Mason Murphy, all-star pitcher for the Red Sox, and Anton Santiago, the Latin Lov-ah, to participate. They were all too happy to oblige, only my guy's feathers were a bit ruffled by the ease with which they came running. Add in my new family and you've got a fairytale Thanksgiving. Except for one tiny detail...the single seat at the table, left open by the hole in my heart that only one person could fill. *** In the eleventh book of the Calendar Girl serial, Mia is off to New York City to film a segment for her new job. Now that her debt has been paid, and the threat from her ex is gone, she no longer has to live life as an escort. Only life has thrown her some new challenges to round out her year. Each installment in the Calendar Girl Serial will release every month throughout 2015. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis Vegas, Viscous Exes, and Ventilators. My life felt like a fast ride on a too

short highway. Coming home should be roses and rainbows, but nothing that comes out of the desert blooms free. I was most certainly not free. I'd missed my payment to Blaine, owed the last client a hundred grand I didn't have, and my father was on his deathbed. To make matters worse, Wes was missing in action. As in, no one had seen or heard from him in three weeks.

Devastation didn't begin to explain where my mental state was at. Like anything life had thrown my way, I pulled on my big girl panties, not the sexy lacy ones I enjoyed teasing my guy with, but the kind that said, "This ass means business." I had no choice but to make the decision I made. My ex, the man that ruined the concept of love for me, put my father in the hospital, was about to get everything he ever wanted...at least that's what I led him to believe. *** In the ninth book of the Calendar Girl serial, Mia rushes back home to Las Vegas, Nevada. Things have taken a turn for her father, putting her into debt up to her eyeballs. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations.

"Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books." -Hooks & Books Blog Synopsis Mountains, miracles, and marriage. I had no idea what to expect when the producers of Dr. Hoffman sent me to the pristine white mountains of Aspen, Colorado. As the town of Aspen is known for being a winter haven for uber-rich Americans, I knew this desert cactus was going to be way out of her element. The ace up my sleeve however, was a high-class movie-making surfer whose family owned a cabin in those snowy hills. With him by my side, I'd make the most out of the experience. The job was assigned under unusual circumstances. An anonymous mountain man paid a hefty fee to persuade the producers of my show to send me out for a segment on local artisans. Suited up in my parka and Ugg boots, I put the warmth of the California sun in the rearview mirror and headed to a winter wonderland. With my newfound family in tow, I was prepared to celebrate the best month the year had to offer...until the one woman who drastically changed my life all those years ago appeared like a shadow out of pure frosted air, shattering my

soul all over again. *** In the twelfth and final book in the Calendar Girl serial, Mia is off to Aspen, Colorado to film a segment on local artists. Prepare to be wowed as Mia's journey merges into the ending everyone has been waiting for. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

I'm a magnet for evil and controlling men. Chase, my big business tycoon and love of my life, thinks he can protect me...he can't. No one can. It became clear far too late how serious my stalker was, that his threats weren't idle. He proved more than once that he would do what it takes, that there were no stakes too high to his sick and twisted games and delusions of worship. We should have been better prepared. The roses, images, lingerie soaked in his seed, even his calling card written in blood didn't penetrate. I had faith that my love could make it go away, that eventually he'd be caught. I was wrong. *** In the second highly anticipated erotic suspense novel in the Trinity Trilogy, MIND digs deep into the heart and psyche of Gillian and her stalker through dueling POVs. While Chase and Gillian plan their wedding, follow them and the entire gang as the stalker acts out his revenge and plots his attack on Gillian, Chase, and their friends. This book can be considered dark, erotic, and thrilling. As in Body (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the story line, and Gillian experiences many disturbing flashbacks of the past, alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. MIND is book 2 of a three-part trilogy. Body (Trinity Trilogy - Book 1) must be read prior to reading MIND.

"Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." -Katy Evans, NYT Bestselling Author Synopsis Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason "Mace" Murphy the next "it" pitcher for the Boston Red Sox and my client. He's immature, arrogant, sexy as sin, and the last man that's going to get into my panties. He's not used to hearing the word no from women, so I'm going to spell it out for him. N = Not going to happen. O = Out of your league buddy. I was hired to cuddle up

to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only he's everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes he's God's gift to women, a man-whore, throws money around like it grows on trees, and conceited. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs. *** Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. "A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." -Meghan March, USA Today Bestselling Author Synopsis Swimsuits, sun, surfing, and a sexy Samoan. I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D'Amico, to serve as head model for the "Beauty Comes in All Sizes" swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling "partner," I'd never been happier with my buxom form. Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, tree trunk thighs, and a look that rivaled "The Rock." The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I'd ever seen, and I couldn't wait to trace the tips of my fingers over every inch. *** In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty really does come in all sizes. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Calendar Girl Biker Beauties

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A fiancée. I'm going to Chicago to pretend to be some Italian Stallion's future wife. Why a massive hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I'm not paid to know why. I'm paid \$100,000 to be his escort, or in this case, the woman he's supposedly "going" to marry. The moment I met Antony "Tony" Fasano, I thought I might have lost my ability to breathe. In my twenty four years of life, I'd not seen anything like him. Clad only in a small towel precariously dangling from his hips--water droplets streaming down every inch of his muscular frame--I knew right then and there, I'd finally seen male perfection in all its raw glory. What happened next blew me away.

It was now abundantly clear why he needed me...a fake fiancée.

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." -Meredith Wild, #1 NYT Bestselling Author Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. *** Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Men ruin women. Especially men like Chase Davis. Good looking, intelligent, rich and powerful. I never stood a chance. I didn't want to want him. I didn't want to need him. I didn't want to fall for him. He wouldn't take no for an answer, and I let him consume me. Arrogant, confident, controlling, demanding ... intense. When he entered my life, I was finally healing after having barely survived the men of my past. My soul sisters told me to take a chance. To let someone in. I let him in, and he surrounded me with a light so bright I was blinded by the truth... Men don't ruin women. They devour them in every way that counts. The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the Calendar Girl series. When I was born, I was beloved by my parents. I felt their warmth from

the tips of my toes to the untamable curls in my hair—until tragedy hit and I lost them both. With no extended family, I ended up in Kerrighan House, a home for girls just like me—girls who'd lost everything. Mama Kerri took me in and treated me with nothing but love, as did the rest of my sisters of the soul. In that house, we formed a bond that could never be broken. Now danger seems to follow all of us. But what danger could come to me: a petite, high-school Spanish teacher who'd never hurt a fly? The only one on my tail is Omar Alvarado, the bodyguard hired to protect me from the danger lurking around my sisters. The more I shun his advances though, the harder he tries to earn my favor. Omar seems to like my brand of sass and doesn't hide the fact he wants me for his own. I'm determined to not get caught up in his beautiful smile, the sexy suggestions he whispers in my ear, or that incredible body that would make any woman swoon with desire. Even with the tension rising between us, all seemed to be kept in check—until I found myself in the middle of a high stakes bank robbery. And the only one who could save me, was the one man I tried so desperately to push away.

"Audrey Carlan has a way with words that cannot be denied."
-Kylie Scott, New York Times bestselling author My life has never been easy. Not from the day I took my first breath until now. Only days old, I was placed in a laundry basket and left in front of a firehouse. I never knew who my parents were before being shuffled around from one bad foster home to another. Until the day I arrived at Kerrighan House. My safe haven. My home. I was

welcomed with open arms into a world where love and sisterhood were the rule, not the exception. From that moment on, I believed I was safe. That nothing bad could touch me. I was so wrong. Neither my success as a full-figured lingerie and fashion model nor my street smarts as a born and bred Chicago native, safeguarded me against walking into the clutches of a monster. As I try to pull my life back together, I'm brought face to face with a man whose wounds mirror my own. Under his protection, I'm gifted the opportunity to find beauty where there has only ever been pain. And yet, danger lurks, as a new evil threatens to bring me to my knees. Can my savior protect me, or has my fate been sealed? Note: Each book in the Soul Sister series can be read as a standalone.
