Yamantaka Practice and Commentary Rizzoli Publications
Pregnant and disgraced, soap opera star Laura Munro's life is in shambles. After ten years of working her butt off in TV and movies, a rage-filled incident with an intrusive paparazzo threatens not only her career, but her dreams of becoming a documentary filmmaker. Hoping people will forget, Laura takes leave from her soap opera role and escapes to the small Catskill Mountain town of Love Falls. The public needs a break from her, and she needs a safe place to have her baby. She just didn't expect that "safe place" to be on the side of a deserted mountain road. Dylan Wilson exists only to help others. Three years ago, a car accident stole Dylan's wife and her joy. Her job as a 9-1-1 operator is the only thing that drags her out of bed in the morning. When she meets Laura, she feels a spark of something she hasn't in years. And later, when she responds to Laura's emergency call, that spark fans into a flame she can't resist reaching for. Dylan knows all too well the pain of loss. Falling for Laura, someone who doesn't belong in her small-town world or her small-town life, could be a sure path to heartache. But despite her misgivings, she flutters to Laura's luminescence, unable to turn away. Has Dylan found the one who will burn her to cinders or the one who can finally melt the ice around her heart? Don't miss the sexy, sensual, joyous first novel in the Catskill Crew lesbian romance series, complete with a progressive and artistic small town, fun side characters, and a deep romance that will tick all your boxes.

This practice is restricted to only those with the appropriate tantric initiation. If you are unsure whether you are qualified or not, please email us at education@fpmt.org. By purchasing this text, you confirm you have received the appropriate initiation. You need to have received an initiation (wang) of the yoga tantra or highest yoga tantra class in order to read these commentaries of the six-session guru yoga. Within the Gelug tradition, practicing the six-session guru yoga is a daily commitment for anyone who

has received a highest yoga tantra initiation. This text provides the commentary from Lama Zopa Rinpoche on the benefits of the practice, how to meditate on each verse of the sadhana, and the samayas of the five buddha families. The commentary uses the extension version of Phabongkha Dechen Nyingpo's Six-Session Guru Yoga as its basis. Contents Include: - The Benefits of Six-Session Guru Yoga - How to Practice Six-Session Guru Yoga - The Samayas of the Five Buddha Families "Phabongkha Dechen Nyingpo said Six-Session Guru Yoga is much more precious than three galaxies filled with gold," Lama Zopa Rinpoche teaches in Six-Session Guru Yoga Commentary. "Why? Because the practice of Six-Session Guru Yoga has unbelievable benefits. It gives incredible protection. This practice eliminates so much heavy negative karma and purifies all ten nonvirtuous actions. It purifies broken pratimoksha vows, bodhisattva vows, and tantric vows. It allows us to practice the general tantric vows, the samayas of the five buddha families, and the particular tantric root vows. By doing Six-Session Guru Yoga, we practice all the samayas and are reminded of the fourteen root downfalls and eight bompos of mother tantra samaya. We accumulate unbelievable merit by keeping the samayas and vows of tantra. According to the root tantra of Manjughosha, without practicing the pure morality of these vows, we have no basis for tantric realization and no way to achieve enlightenment. Even if we don't do many other practices, living purely in the samaya vows is enough. Therefore, this practice gives incredible protection." 76 pages, 2020 edition.

Preliminary Practices Rowman Altamira

From the author of *Hot Dog Girl* comes a sweet and salty queer YA rom-com about two girls on a summer road trip in an ice cream truck. Fallon and Chloe used to be best friends. But last summer, the girls hooked up right before Chloe left for college, and after a series of misunderstandings, they aren't even speaking to one another. Now, a year later, Chloe's back home from school, and Fallon is doing everything in her power to avoid her. Which is especially difficult because their moms own a business together—a gourmet ice cream truck where both girls work. But when their moms have the opportunity to make a presentation to some venture capitalists in Texas—something

that could seriously expand their business and solve all their money problems to boot—it's up to Fallon to work a series of food truck festivals across the country. But she can't do it alone, and Chloe is the only one available to help. As tensions heat up again between the two girls, will Fallon be able to keep her cool?

An essential collection of tantric texts on a meditation practice essential to one of the largest traditions of Buddhism in Tibet. Yamantaka is the wrathful expression of the wisdom buddha Manjushri and was Tsongkhapa's foremost personal deity, from whom he received direct visions that were a constant source of empowerment, inspiration, instruction, and even personal advice. The oral instructions on the practice of Yamantaka fall into two main streams. The quintessential instruction of both of these lineages, including both their generation- and completion-stage teachings, are contained in the two commentaries presented in this volume. First, we have commentary from the great scholar, siddha, and lineage holder of the Gelug Mahamudra lineage, Ngulchu Dharmabhadra, on the Thirteen Deity practice. These texts contain a wellspring of oral instructions that provide rich and highly accessible details concerning the practice of Yamantaka that are equally applicable to the Solitary Hero practice, the practice of the second stream. The second commentary, composed by the Fifth Ling Rinpoche, Losang Lungtog Tenzin Trinley, is concerned with the Solitary Hero practice and contains many extraordinary instructions that have not been written down in other texts but have been preserved through the oral lineage. This text is part of a highly secretive volume containing many texts on Solitary Hero Yamantaka entitled the Eighteen Steps of Solitary Hero. The combination of these two texts gives the reader an unprecedented panoramic perspective on the entire spectrum of Yamantaka practice. Also included in this amazing volume is the extensive sadhana of the Solitary Hero composed by Phabongkha Rinpoche that can be used as a reference to facilitate a more thorough understanding of the commentaries.

In this volume of *The Treasury of Precious Instructions*, Jamgön Kongtrul Lodrö Taye compiles teachings and practices by and about the renowned Indian Buddhist masters known as mahāsiddhas, recognized in all eight practice lineages of Tibetan Buddhism. *The Treasury of Precious Instructions* by Jamgön Kongtrul Lodrö Taye, one of Tibet's greatest Buddhist masters, is a shining jewel of Tibetan literature, presenting essential teachings from the entire spectrum of practice lineages that existed in Tibet. In its eighteen volumes, Kongtrul brings together some of the most important texts on key topics of Buddhist

thought and practice while also authoring significant new sections of his own. This volume presents a selection of teachings and practices centered on the mahāsiddhas, Indian masters of tantric Buddhism, some of whom were of vital importance in transmitting the Vajrayāna teachings to Tibet. The mahāsiddha Mitrayogin, whose work forms the majority of this volume, visited Tibet in the late twelfth century. His ritual texts and instructions are translated from Tibetan, including sādhanas, empowerments, guru yogas, authorization rituals for protector deities, and detailed compositions on Mahāmudra practice, or resting in the nature of mind. In addition to instructions given by mahāsiddhas, this volume includes ritual practices to visualize them and transmit their blessings, including a devotional text composed by Jamgön Kongtrul himself. This translation, which may be engaged as a practice manual, preserves ancient teachings significant to the literature and history of world religions.
