Before Walter Simonson's work with Marvel and DC, there was Star Slammers, a series first devised by Simonson during his college days. The Slammers would later be resurrected as a Marvel graphic novel, and then a miniseries. Simonson describes it thus: "Once upon a time, there was a race of men who could out-shoot, out-fight, and out-kill anybody. They were paid fabulous sums to act as mercenaries. The practice became so lucrative, they decided to go into business. They became the most successful businessmen in history, and they called themselves... The Star Slammers!" The collected Star Slammers also features-published here for the very first time-Simonson's earliest version of the Slammers created for his college thesis at the Rhode Island School of Design. These stories predate his first professional comics work but strongly show the artist's keen sense of composition and design. The first printing of this book will contain a bound-in signature plate, signed by Walter Simonson! Included in every copy of the book at no extra charge, and strictly limited to the first printing!

Sweet Farts Books: Fart Superhero Books For Kids Open Road Media

A finely observed and lovingly detailed portrait of a woman attempting to find a community and understand her own troubled history. After spending two decades in jails, psych wards, and halfway houses for her peripheral involvement in a radical students' bombing plot, thirty-six-year-old Carol Smith winds up squatting in a tattered space in Spanish Harlem. She spends the majority of her vagrant days socializing with her homeless neighbors, arguing with a testy social worker, and wandering the streets with Alphonse, a wayward South African wino and self-professed actor. Alphonse proves to be an inspiring force, and soon Carol is weaning herself off antidepressants as the sifting of her memories—mostly of her upbringing by two aunts in Massachusetts—creates a chance for redemption.

Excerpt: The Rickey is a category of mixed drinks closely resembling a highball made from a base spirit, half of a lime squeezed and dropped in the glass, and carbonated water. Little or no sugar is added to the Rickey. Originally created with bourbon whiskey in Washington, D.C. at Shoemaker's bar by bartender George A. Williamson in the 1880s, purportedly in collaboration with Democratic lobbyist Colonel Joe Rickey, it became a worldwide sensation when mixed with gin a decade later. Since 2008 the Rickey has enjoyed a resurgence with the revival of classic cocktails and a group of Washington D.C.-based bartenders, known as the DC Craft Bartenders Guild establishing July as Rickey month. It was also featured with Bourbon by political commentator and amateur mixologist Rachel Maddow on the Martha Stewart show for election night, 2008. Rickeys made with gin (typically referred to simply as gin rickeys) are among the most favored of the varieties of the drink with alcohol included. The...

The last place Christopher Jacobs, aka X, thought he'd find himself was behind bars. Ten years later, the boy he used to be is gone. In his place is the shell of a man with murder under his belt. Any emotion he once had was left under the gavel when he was given life in prison. That is until the new nurse in the infirmary joins the block. Putting your hands on a prison employee will get you the hole, but some things are worth their punishment, and something tells him Lyla will be worth more than he bargained for. Lyla Evans isn't sure about her new job at a maximum security prison, but showing uncertainty and weakness isn't an option. Taking care of murders and rapist isn't ideal, but survival is key. She's warned ahead of time about a prisoner named X, but when she's attacked, it's the dangerous X that saves her. Fraternizing with the prisoners is forbidden, but sometimes the most forbidden things are the sweetest. ****WARNING**** This book is NOT for the faint of heart. If you have issues reading about abuse (physical or mental) then please DO NOT read this book. 18+ for sexual content, language, and violence. "HOLY MOTHER OF ALL THINGS HOLY! What on earth did Tabatha do to my heart?! She ripped it out, stomped all over it, and shoved the broken thing back in... and I loved every minute of it. I think." ~Heather, Give Me Books "I just cannot put into words how much I loved Slammer!!! Be prepared for a ride of a lifetime with X and Lyla!" ~ Kara, Give Me Books "A haunting, unconventional love story I will never forget." ~Ella James, USA TODAY bestselling author of Sloth "If you're looking for a mushy sweet romance, this is not the book for you. If

you want to read something that is unlike anything else out there and that will surprise you and leave you in complete shock, then READ THIS BOOK. Without a doubt the best book I've read in a long time. It's dark, twisted, violent, but it's unique and shocking and unpredictable." ~ Author Amy McClung "I hope you're ready for the best mind fuck of your life, because this book is going to give it to you and give it good!" ~ Michele, Devilishly Delicious Book Reviews

Leaving the Terran Empire's POW camp, they thought they found their way home. Home, however, is taking a different route than these cyborgs expect. Most Wanted Alien Brides Book 1 When the Intergalactic Dating Agency mistakes a prison ship for their new clients looking for mates, cyborg Kolvin jumps at the opportunity. A new life, with the bonus of a ready-made wife? How can this go badly? But when Kolvin meets his mate, she winds up not being what he expects. She drives him crazy. She's not even from his dimension. His Craving, however, wants what it wants, and he finds himself at the mercy of it. Tina Craige, an astronomer from Earth, is pretty sure she's dead. After all, one does not walk through an arch and wind up in another dimension. Especially not in one where a giant cyborg humanoid wants her as a mate. When she discovers that he's traumatized from being held prisoner of war, she can't bring herself to abandon him. She has thirty days to accept this giant cyborg as her mate, PTSD and all, or return to her dimension and Earth, as if she'd never left. And never see, or remember, him again. Will she be able to give up

everything for her cyborg mate?

One tequila, two tequila... Take a step back in time with Laney Delaney, the fun and sassy heroine of Frosted Cowboy. In this hilarious story, we travel back to Laney's college days. When Laney and her best friend Amanda backpack around Europe, anything can happen! And it does in this exciting tale set on the Greek Island of Ios. So grab some tequila and get ready for a bumpy ride as you take off to Europe with this dynamic duo. Try the ebook before you buy--it's free if you join Charlene's mailing list:

<http://bit.ly/charlene-ross-news> Interview with the AuthorQ. What was your inspiration to write Frosted Cowboy? A. In a writing class, the teacher had us pull an adjective and a verb from a hat. I got frosted and cowboy. "What the heck am I going to do with that?" I thought, so I just wrote, "'I'll have a Frosted Cowboy,' I said to the bartender." I wrote two pages and turned it in; my teacher loved it and wanted more. So I developed it into the story of a woman whose Plan A didn't work out when she had never even considered a Plan B. At the time, my own Plan A was failing, and I had never really considered a Plan B. My story is nothing like Laney's, but I wanted to see where her story would go. Q. It seems your books could fit into several genres. How would you categorize them? A. Laney Delaney is a lovable heroine who finds herself in ridiculous dating and work situations, so I'd categorize them as chick lit or romantic comedies. There's light-hearted romance and of course some sex, but I wouldn't say they're sexy romance novels; more romantic comedy novels. Anyone looking for love, or who could use a laugh, will enjoy this series! Q. How is Laney's story different

from other chick lit? A. Wait, are you saying a chick lit heroine who catches her fiancé cheating on her and then loses her job and has to start over again isn't original?! I'm kidding of course. What sets Laney apart is she's sassy, yet not cool. I liked the idea of a fashion designer who was talented and creative, but not very fashionable. She's a fish out of water, but doesn't know how to jump in the pool, or even if she wants to. In business and in love, she's searching for her true passion and struggles to reconcile what she thinks she needs with what she thinks she wants. Q. Do you have any more books planned? A. Yes. I don't want to say too much because I'm a bit superstitious, but I'm in the early stages of writing a book intersecting present-day lives of people who share a past. There might be a love triangle. And a little sex. And hopefully a lot of laughter. If you enjoy fun, light reads with a touch of funny romance, you'll enjoy the Frosted Cowboy series. Thanks for reading! Categories Chick Lit Romantic Comedy Humor: Love, Sex & Marriage Women's Fiction For readers interested in: chick lit romantic comedy, funny chick lit, funny romance, sexy romance novels, romantic comedy books, chick lit.
