*The Last Days of Magic*  
Simon and Schuster

King Arthur would get advice from his magician, Merlyn, in the mythic stories. The real Arthur (who lived over 500 years before the period of the mythic Arthur) was trained by a Druid bard and poet named Merlyn. The result was an unprecedented period of peace that lasted for twenty years. In Douglas Monroe's *The 21 Lessons of Merlyn*, you'll read delightful stories based on the historic Arthur and Merlyn. Each one is followed by lessons based on the never-before-published 16th century manuscript entitled *The Book of Pheryllt*. In a metaphoric sense, you'll see how Arthur learned his lessons. In a practical sense, you be learning the same

sort of lessons that Arthur may have learned. This is truly a complete course in authentic Celtic Druidism and magick. Filled with lore, philosophy, wisdom, rituals, and more, you'll be able to apply many of these concepts to improve your life. If you are looking for accurate information, this is the place to start! Douglas Monroe has studied magick since he was ten years old and has taught in the United States, Britain, and South America, and is the founder of the New Forest Centre for Magickal Studies. His own illustrations and charts fill the book and clarify the deep teachings of the ancient Druids. From learning about Stonehenge to the Rite

of the 3 Rays for protective purification; from learning the four herbs that will aid in conserving male sexual energy to discovering the secrets of calling the Dragon (the power of the ley lines); this book is like a full course meal in a cafeteria of magick. If you are really interested in gaining a thorough understanding of the real tradition of the Druids — what they believed, what they practiced and how to incorporate it into your life — then join with 120,000 other people. Get this book today! *Understanding the Past and Seeing into the Future* Farrar, Straus and Giroux  
 "Celtic gods and goddesses are among the most popular of deities revered by

today's neo-pagans, witches, wiccans, and druids. Among pagans, the gods and goddesses of Gaul, Ireland, Wales, and the other Celtic lands rank with the most popular and influential of the Greek, Roman, Norse, and Egyptian pantheons. This book provides an accessible guide for readers to learn about and connect spiritually with the Celtic gods and goddesses of the Celtic lands"--

*The Practice of Celtic Wisdom* Celtic Sex Magic For Couples, Groups, and Solitary Practitioners

- Presents a traditional "cure-all" or leechbook of the ailments the Crusaders would have encountered and the remedies their mediciners would have employed, including

recipes for many cures and instructions • Includes a comprehensive herbal, listing all the medicinal plants and materials needed to make the remedies, potions, elixirs, and unctions of the cure-all • Details the author's travels in the steps of the Crusader physicians where he met with healers still employing the mediciners' practices During the Crusades, chivalric knightly orders, such as the Knights Templar and the Knights Hospitaller, brought along monastic mediciners to treat the sick and wounded. These mediciners not only employed the leading cures of medieval Europe but also learned new methods from the local folk-healers and Arabic

healing traditions they encountered on their journeys. Presenting a traditional "cure-all" or leechbook of the Crusader physicians, the author shares a comprehensive encyclopedia of the ailments the Crusaders would have encountered and the remedies their mediciners would have employed. He details recipes for many cures and a range of magico-medical applications such as charms, spells, enchantments, and amulets used to address the new illnesses of strange and foreign lands. The author includes a detailed and comprehensive herbal, listing all the plants and materials needed to make and administer the remedies of the cure-

all. He also details his travels in the steps of the Crusader physicians throughout Poland, the Czech Republic, Hungary, Malta, Morocco, and the island of Rhodes where he met with healers still following this healing path who shared their practices with him. Revealing how the healers of the Crusades helped elevate Western medical knowledge through the integration of wisdom from their Middle Eastern counterparts, Hughes shows how their legacy continues through the many effective remedies and healing modalities still in use today.

*The Spirit of the Celtic Gods and Goddesses*  
Llewellyn Publications  
The White Goddess is perhaps the finest of

Robert Graves's works on the psychological and mythological sources of poetry. In this tapestry of poetic and religious scholarship, Graves explores the stories behind the earliest of European deities—the White Goddess of Birth, Love, and Death—who was worshipped under countless titles. He also uncovers the obscure and mysterious power of "pure poetry" and its peculiar and mythic language.

*Solitary Sex Magick* is an occult manual that teaches the magical practice of sex magick. This manual has been specially written and prepared for the passionate solitary practitioner. Since

magical instructions are key to learning, this manual has been modified into an easy-to-read format. Sex magick is a pure magical science and art, and he/she who learns its secrets shall discover real magical power. Learn the foundation of the Craft of Magick and harness the forces of nature through solitary sex. Why practice sex magick in solitary? This is because it is actually hard to find someone to do it with. Take note that you cannot just do it with anybody. You have to understand that in the real practice of sex magick, there will be a merging of energies, as well as a merging of the souls. If you end up practicing this craft with someone who has an impure soul, then you will only

be corrupted, and the magic will not work. Sex magick in the purest kind of magick as it originates from a raw instinct of man. As such, you know that the energy that you harness is pure and of divine source. What is more, the energy is not just any other energy, but the energy of life. Humanity would not have continued to exist if the people did not engage in sex. Sex is life and life is energy -- and you can harness and manipulate this energy in a magical way. Solitary Sex Magick is the key that will open wide a door of magick for you, and this door shall lead to many paths and magical experiences for you to explore and enjoy. After all, the practice of magic ought to be

experienced. It is only through personal experience that you can fully understand the meaning of a technique or practice. The same is true in the practice of sex magic (just like any other magical practices) -- you ought to experience it yourself to realize its power. Do not worry; the practice of solitary sex magic is highly pleasurable, so you would not have any problems with it. In fact, you will even be comforted and brought to great heights of pleasures and ecstasy. You will literally feel your body vibrating as it becomes filled with lots of magical energy, similar to the so-called full-body orgasm -- only stronger and purer. Your body shall throb like a heartbeat as it bathes in divine

energy. Are you ready to learn the secrets of this art form? If yes, then let me now welcome you into the divine mysteries of sex, where you shall discover raw and potent power that you can harness for the realization of your will. Always with love and with light, blessed be!

What is Wicca? Is it witchcraft, Paganism, occultism, esotericism, magic, spirituality, mysticism, nature religion, secrecy, gnosis, the exotic or 'other'? Wicca has been defined by and explored within all these contexts over the past thirty years by anthropologists, sociologists and historians, but there

has been a tendency to sublimate and negate the role of Christianity in Wicca's historical and contemporary contexts. Joanne Pearson 'prowls the borderlands of Christianity' to uncover the untold history of Wicca. Exploring the problematic nature of the Wiccan claim of marginality, it contains a groundbreaking analysis of themes in Christian traditions that are inherent in the development of contemporary Wicca. These focus on the accusations which have been levelled against Catholicism, heterodoxy and witchcraft throughout history: ritual, deviant sexuality and magic. The Easy & Fun Way to Tap into the Law of Attraction Simon and Schuster

*Over 250 Spells and Potions for Getting It, Keeping It, and Making It Last* Llewellyn Worldwide  
 Delve into the depths of a magical current that spans over two thousand years. The *Book of Celtic Magic* provides the unsurpassed power of practical magic and the

transformative forces of ancient Celtica. Druid priest Kristoffer Hughes invites you to explore the pantheon, myths, and magic of his native Wales. Discover the magical allies, the gods and goddesses, and the spirits of place that form the foundation of this vibrant tradition. Practice rituals that draw you closer to the divine energy of the trees, plants, and animals that surround you. Work with spells, conjurations, invocations, and magical tools that have been developed and refined from genuine Celtic sources. Complete with exercises and a glossary of terms, this step-by-step guide is a definitive source of authentic Celtic magic. *A Druid's Handbook to*

*the Spiritual Power of Plants* Greenwood Publishing Group  
Winner • 2021 An Post Irish Book Award — Nonfiction Book of the Year • from the judges: “The most remarkable Irish nonfiction book I’ve read in the last 10 years”; “[A] book for the ages.” “We Don’t Know Ourselves is a feast: a deeply absorbing chronicle of the 'known and unknowable,' and of the profound transformation of a place.” —Patrick Radden Keefe, New York Times best-selling author of *Say Nothing: A True Story of Murder and Memory in Northern Ireland* A celebrated Irish writer’s magisterial, brilliantly insightful chronicle of the wrenching transformations that

dragged his homeland into the modern world. Fintan O’Toole was born in the year the revolution began. It was 1958, and the Irish government—in despair, because all the young people were leaving—opened the country to foreign investment and popular culture. So began a decades-long, ongoing experiment with Irish national identity. In *We Don’t Know Ourselves*, O’Toole, one of the Anglophone world’s most consummate stylists, weaves his own experiences into Irish social, cultural, and economic change, showing how Ireland, in just one lifetime, has gone from a reactionary “backwater” to an almost totally open society—perhaps the

most astonishing national transformation in modern history. Born to a working-class family in the Dublin suburbs, O'Toole served as an altar boy and attended a Christian Brothers school, much as his forebears did. He was enthralled by American Westerns suddenly appearing on Irish television, which were not that far from his own experience, given that Ireland's main export was beef and it was still not unknown for herds of cattle to clatter down Dublin's streets. Yet the Westerns were a sign of what was to come. O'Toole narrates the once unthinkable collapse of the all-powerful Catholic Church, brought down by scandal and by the activism of ordinary

Irish, women in particular. He relates the horrific violence of the Troubles in Northern Ireland, which led most Irish to reject violent nationalism. In O'Toole's telling, America became a lodestar, from John F. Kennedy's 1963 visit, when the soon-to-be martyred American president was welcomed as a native son, to the emergence of the Irish technology sector in the late 1990s, driven by American corporations, which set Ireland on the path toward particular disaster during the 2008 financial crisis. A remarkably compassionate yet exacting observer, O'Toole in coruscating prose captures the peculiar Irish habit of "deliberate

unknowing," which allowed myths of national greatness to persist even as the foundations were crumbling. Forty years in the making, *We Don't Know Ourselves* is a landmark work, a memoir and a national history that ultimately reveals how the two modes are entwined for all of us.

This is really the big little book of love magic. Magical maven Lilith Dorsey has packed into this fun, informative, and practical book over 250 spells, potions, rituals, and recipes devoted to all facets of love and sex. Based on years of magical experience and prodigious

research, this book includes sections on such topics as self-love, marriage, fertility, erotic adventures, the ethics of love magic, and more. The spells are drawn from a wide diversity of magical traditions and focus on an equally diverse situations. There are spells for finding love, keeping love, and healing yourself so that you are ready for love. The book also includes rituals for invoking goddesses of love. Dorsey considers and discusses all facets of the romantic experience. Let's face it we are obsessed, inspired, delighted, and in love with love. And here is the go-to book for every spell you will ever need for finding and keeping romance, passion, sex, marriage, fertility, and love in

your life. Rooted in serious scholarship while still exploring the weird, wild, and wonderful side of love magic, this book provides expert advice and genuine spells that work to bring you your heart's desire. "

*The Druidic Art of Divination* Llewellyn Worldwide

Sexuality and the occult arts have long been associated in the western imagination, but it was not until the nineteenth century that a large and sophisticated body of literature on sexual magic—the use of sex as a source of magical power—emerged. This book, the first history of western sexual magic as a modern spiritual tradition, places these practices in the context of the larger discourse

surrounding sexuality in American and European society over the last 150 years to discover how sexual magic was transformed from a terrifying medieval nightmare of heresy and social subversion into a modern ideal of personal empowerment and social liberation.

Focusing on a series of key figures including American spiritualist Paschal Beverly Randolph, Aleister Crowley, Julius Evola, Gerald Gardner, and Anton LaVey, Hugh Urban traces the emergence of sexual magic out of older western esoteric traditions including Gnosticism and Kabbalah, which were progressively fused with recently-discovered eastern

traditions such as Hindu and Buddhist Tantra. His study gives remarkable new insight into sexuality in the modern era, specifically on issues such as the politics of birth control, the classification of sexual "deviance," debates over homosexuality and feminism, and the role of sexuality in our own new world of post-modern spirituality, consumer capitalism, and the Internet.

Wiccan Spell A Night: Spells, Charms, And Potions For The Whole Year Simon and Schuster

The first written account by a contemporary Welsh initiate of the ancient tradition of sex magic as practiced by generations of Celtic druids. • Reveals authentic, accurate,

and fully illustrated instructions. • Provides detailed instructions for crafting, purifying, and energizing all the necessary ritual tools. Sex magic is an important component of Celtic spiritual practice. Unlike other ritual practices that look to intermediaries or deities to execute the participants' wishes, druids believe that individuals can directly influence exterior reality by focusing their own internal sexual energy. Sex magic potentizes and projects this energy so that it reaches its full power, allowing the participants to liberate their consciousness from everyday awareness and influence reality at will. Written by a practicing druid with more than

forty years in the tradition, Celtic Sex Magic explains the fundamental principles involved in channeling the vast amounts of energy generated during orgasm for the purpose of projecting spells and elevating consciousness. The secrets of this tradition have been passed down orally for generations and are revealed here in print for the first time. This workbook contains authentic, accurate, and fully illustrated instructions for a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners. The author also provides detailed instructions for crafting the necessary ritual tools and brewing the potions used in these

rituals. Celtic Sex Magic offers the keys to unlocking and directing the enormous potential of sexual energy.

Wrap up ecstasy in love to create powerful magick, spells and healing.

*Sexual Practices of the Druids* Chronicle Books  
Many people, not all of Irish descent, have a great interest in the ancient Celts & the Celtic pantheon, & Celtic Magic is the map they need for exploring this ancient & fascinating magical culture.

*Wicca and the Christian Heritage* Routledge

A practical guide to creating plant extracts, essences, and

complexes for use in Druidic sex magic rituals • Explores the identification, harvesting, and magical properties of more than 70 flowers and trees • Details the careful and meticulous spagyric preparation of plant extracts and complexes • Demonstrates how plant compounds are used in Druidic sex magic rituals by both couples and groups In this practical guide to Druidic plant magic, Jon G. Hughes reveals the gentle alchemy of converting plant essences into potent compounds for working sex magic rituals. Examining the identification, harvesting, and magical properties of more than 70 flowers and trees, he details the careful and

meticulous spagyric preparation of plant extracts and complexes as well as the process of obtaining or creating suitable alcoholic spirits for the base of these preparations. He includes instructions to make all necessary tools and explores how to prepare yourself to work with plant essences and properly use the magical compounds you create. Hughes explains how to release the energies, healing attributes, and magical capacities of flowers and trees through the respectful seduction of a plant's virtue and the 3-step spagyric process of separation, purification, and reunification. He shows how the spagyric process maximizes the power of the acquired

essence in preparation for its use in magical ritual. Detailing Druidic sex rituals for both a couple and a group, Hughes demonstrates how plant compounds are used in specific magical rituals and practices as well as the role of the plant complex in sexual potency. Exploring the underlying accord between alchemy and Druidic practices, Hughes provides a valuable manual for anyone wishing to harness the magical potential of plant energy.

This book is about Sovereignty. It's about the superior intelligence and self empowerment which comes from interacting with beings which inhabit a parallel universe to this one - another dimension - from whom man has traditionally gained his wisdom about his place and purpose on Earth and in the cosmos. In ancient times, the ability to tap into this superior wisdom was transmitted to kings and pharaohs by one who was in touch with these extra-dimensional beings or lifeforms, who are also known as the spirits. Sovereignty comes from the spirits of the land, otherwise known

as the Fae, the Gentry, the Sidhe or the Faeries. These spirits are like Man, but are of an Elder and wiser race which inhabits a timeless zone within the parallel dimensions. These days, only children can see them, who haven't yet had that perceptivity educated and ridiculed out of them. Shamans and high priestesses in Neolithic times were in touch with these spirits of the land, and so were able to transmit their wisdom to the king or pharaoh in sacred sex rites during his coronation night. This became known as the Sovereignty because it fired up the king's higher brain centres, giving him a superior intelligence and thus the ability and the right to reign.

Our ancestors have left us magical keys in their orally passed on myths which, like messages in a bottle, can help us find the way to spark up that wisdom again, in ourselves. As a shaman and mythologist, the author Ishtar Babilu Dingir is regularly in communion with the spirits of the land where she lives in Glastonbury, Somerset. In this book, she has laid out the way for the ordinary person to regain their Sovereignty, which is their birthright, through shamanic sexual practises and also by learning to visit these other dimensions on the inner planes. First, she lays the foundation stone for the teaching by showing the evidence - from ancient Greece,

Egypt, Crete, India, Sumer and Babylon - that sacred sex was an integral part of the Kingship rites, and the literary evidence that the spirits were present in the lovemaking. She also explains about our earlier ancestors' understanding about the Faery Marriage, and what she believes is the original meaning of the Holy Graal, tracing it back to the Neanderthals about 45,000 years ago. The reader then learns how to perform shamanic sex themselves, to fire up their own superior intelligence. Finally, Ishtar reveals more about her own relationship with the local spirits of the land, so that others may become inspired to explore their own locality and thus begin

their quest towards higher brain development and self-empowerment - to Sovereignty.

*Spagyrics in Magical and Sexual Rituals*  
Llewellyn Worldwide  
A complete guide to the techniques of the pre-Celtic Druids for understanding the past, present, and future • Offers step-by-step instructions for a wealth of practices passed down across five generations of Welsh Druids • Explains the three forms of divination used by the Druids: interpretive divination, such as reading the Sevens; inductive divination, such as reading the wind or smoke; and intuitive divination, whose tools include cup-stones and scrying mirrors • Provides

comprehensive instructions on how to craft and utilize your own magical instruments and tools, including botanical compounds, scrying wands, and slate speculum vitae In this practical guide, Jon G. Hughes shares ancient secret Druidic techniques of divination passed down to him across five generations in an unbroken lineage of influential Welsh Druids. Hughes explains the three forms of divination used by his tradition: interpretive divination, used by readers of the Sevens (small staves with engraved sigils); inductive divination, which includes instructions for reading the wind, reading smoke, and divination using water; and

intuitive divination, whose tools includes cup-stones and slate mirrors for scrying. Providing step-by-step instructions for practices in each of the three forms, he offers a wealth of divinatory techniques and explains how to access the altered states of consciousness necessary to read time backward and forward. He also explores the crafting and use of all tools and mixtures the reader will need to perform each type of divination, including botanical compounds, scrying wands, and a slate speculum vitae, the “mirror of life.” He reveals how the prime function of divination in this school of Druidic lore is to gain insight into past, present, and future events through a process of

internalizing them, akin to empathy, and then interpreting them. By providing an understanding of pre-Celtic beliefs and clear instructions for Druidic practices, Hughes offers each of us the opportunity to begin our own practical experimentation and journey of discovery into the ancient art of Druidic divination.

*Solitary Sex Magick*  
Citadel Press

BDSM sexuality as a powerful tool for self-transformation and the realization of magical and spiritual aims • Details how to combine the 6 major types of S&M stimulation with sexual stimulation for magical and transformative purposes • Explores sado-magical workings from both submissive and dominant

perspectives • Traces the roots of the BDSM tradition from ancient pagan and shamanic rituals to historical figures such as the Marquis de Sade, Aleister Crowley, and Anton LaVey Sex magic allows us to tap in to the most abundant power source available: sexual energy. Magicians, shamans, and fakirs throughout history have used physical stimulation and ritual to harness sexual energy, unlock inner states of consciousness, and activate the ability to influence their surroundings. While pleasure is often the focus of this stimulation, pain is just as effective, if not more so. Combining both pleasure and pain, the

sadomasochistic practice of Carnal Alchemy offers a powerful tool for self-transformation and the realization of magical and spiritual aims. Authors Stephen and Crystal Dawn Flowers explain the sado-magical workings of Carnal Alchemy from both the perspective of the submissive partner as well as the dominant. They detail the 6 major techniques of sadomasochistic stimulation--bondage, flagellation, piercing, penetration, clamping, and heat/cold--and how they can be combined with sexual stimulation for magical purposes.

They trace the roots of the BDSM tradition in ancient pagan rites of passage, in indigenous shamanic rituals, and through historical figures who used this form of sexuality in their magic and philosophy, from the Marquis de Sade to more modern exemplars such as Aleister Crowley, Ernst Schertel, and Anton LaVey. This guide also covers specialized furniture and tools and the decor of "the Chamber" to trigger states of consciousness in which the Sado-Magician can effectively express his or her will.
