An accounting study guide with questions, and answers is a helpful tool for anyone that is taking an an accounting class. An accounting course book covers topics extensively. With the study guide the person can take the quizzes, and check their answers. The study guide shows which answer is correct. Some study guide books will explain why the other answers is close, but not correct. Once the person takes the quiz on a specific topic. They will find out where their weakness is, and what areas they have to study. The book will help them prepare for class exams, and any professional exams they may take.

The World Almanac and Encyclopedia Pearson South Africa

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

A memoir. "Em wanted to join but was never selected, yet he would go with to watch." To be left on the side line is not unusual for Em. South Africa, 1970. An autistic boy is born into the Coloured community during Apartheid. Talented and reaching for his goals, Em tries to fit in. He mimics his older brothers but still they do not include him. He wants to belong to a sports club but his elders enforce religion. He longs to explore his environment but the regime prevents it. Whether it is the games he is unable to join or being left out of conversations, he does not give up and stumbles on. His parents remain the pillars at his side and encourage him to be his peculiar self.
