Diary of an 8-Bit Warrior: Crafting Alliances (Book 3 8-Bit Warrior series)

Andrews McMeel Publishing

GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book 1: Man or Wolf? Wolves are the most loyal creatures in Minecraft.

They can be tamed into dogs and are extremely friendly towards the players. They'll attack any monsters except Creepers in order to protect their owners. Everyone knows that. But what is it like being a Wolf? It may be hard for a human to answer this question, but what if a player suddenly became a Wolf in the world of Minecraft? This is what really happened to William, a normal player who was transformed into a Wolf. William, or Bill for short, was out hunting when he found a magical, glowing tree. Upon touching this amazing tree, he fainted and woke up as a Wolf. Bill doesn't know much about this tree, but he is now on a journey to find it again and return to

normal. During his journey, he'll make new friends such as Rust, who is actually a wild Wolf who doesn't believe Bill's story, and Johnatan, a human who was transformed into an Ocelot. Just like Bill, he wishes to recover his body. Follow the trio to learn more of their adventures and misadventures while they try to restore the world's balance and recover their bodies.

Book 2: The Silver Apple

William is a human being who found a mysterious and magical tree inside a forest. Upon touching the tree, William was transformed into a Wolf. Determined to recover his human form, Bill went on a journey all by himself to find answers for his case. During his

journey, Bill met a new friend in Rust, who was a normal Wolf willing to help him, and John, another human who became a wild animal after an encounter with this tree. The trio found a village in their trip, and a villager named Celt took them in. After hearing the stories of the group, Celt knew exactly what had happened to them: they had stumbled upon the magical deity known as the Tree of Equality. This unique Tree possessed magical powers beyond human comprehension, and no one knew exactly what it could do. Some say the Tree grants wishes, but others say it is very dangerous. Celt told them that the only way to find the Tree is to obtain its apple - the Silver Apple. With this

item, they could easily track it down and find a way to recover their bodies. They may find the Silver Apple with the humans from a city, but it is not certain where the city is, and if the humans really have a Silver Apple. Will they find the city they're looking for? And even if they do, will they get the rare Silver Apple needed to locate the Tree of Equality to recover their human bodies? Book 3: Redemption After becoming a Wolf, Bill has been looking for the magical Tree of Equality to have his body restored, along with his friends John, another human who was transformed into a wild animal, and Rust, a wild wolf who has lost his pack. The trio managed to find the

coming out of the portal with a young boy, before they disappeared into another portal, leaving behind a square hole one block deep with a ring of flowers around it. Gameknight recognizes it as the portal to reach the Twilight Forest mod. But how can there be mods here in the vanilla Minecraft? The User-that-is-not-a-user follows the trail, and finds odd mentions of "303" and "White Castle." But what do the clues mean? Just how dangerous is this new user to Minecraft, and where is he taking the young NPC? Only Gameknight999 will be able to find out. Escape Room Series (book 1) Createspace Independent Publishing Platform
A New York Times Best Seller! The world of Minecraft comes to life in this thrilling adventure for boys and girls! Gameknight999 loved Minecraft, but above all else, he loved to grief—to intentionally ruin the gaming experience for other users. When one of his father's inventions teleports him into the game, Gameknight is forced to live out a real-life adventure inside a digital world. What will happen if he's killed? Will he respawn? Die in real life? Stuck in the game, Gameknight

discovers Minecraft's best-kept secret, something not even the game's programmers realize: the creatures within the game are alive! He will have to stay one step ahead of the sharp claws of zombies and pointed fangs of spiders, but he'll also have to learn to make friends and work as a team if he has any chance of surviving the Minecraft war his arrival has started. This action-packed tribute to the worldwide computer game phenomenon is a runaway publishing smash and the perfect companion for Minecraft fans of all ages.

The final battle to defeat Herobrine will take Gameknight999 over land and under

water! Herobrine is rallying all the monsters of Minecraft to one server in hopes of eliminating Gameknight999 and his friends once and for all. They destroy every village they find, threatening to continue until the User-that-is-not-a-user surrenders. Gameknight has just two things: the Oracle's command to seek out the lost ocean monument and an impenetrable riddle: "Look to the lowliest and most insignificant of creatures, for that is where your salvation will lie." Haunted by this seemingly useless clue, Gameknight searches for the mysterious underwater lair where the Book of Wisdom is hidden, which he is told holds the secret to the riddle and the key to

defeating Herobrine. But at every turn lies a massive army of monsters. With no map to guide them, Gameknight and his friends will fight for their lives to reach the deep ocean destination, and a terrifying creature awaits them there. The Mystery of Herobrine series comes to an explosive conclusion on the shores of Minecraft, where one false move could spell the end for Gameknight999 and company!
