[How to Reach the Next Level \(In Real Life\)](#) Wizards of the Coast Since a child, Chimie has asked the

question "why," curious to know how things worked or the reasons behind peoples' actions. From those questions, Chimie has collected a variety of answers and understanding of how the world works and what drives it forward. In A Player's Guide to Life, the Universe, and Everything, author Chimie doesn't expect to teach you anything new. Instead, the author reminds you of what you

already know and prods you to think about life and spirituality and everything—and at the same time, asks you to question everything and find the reasons behind it. Offering inspiration to become a better person, *A Player's Guide to Life, the Universe, and Everything* underscores the importance of understanding that you are you and you are in balance with you, your

surroundings, and the universe. Let love be the power you rely on, and let compassion be the language you speak.
