AllShihTzu's GIANT Book of Shih Tzu Care is a remarkably comprehensive Shih Tzu-specific care book regarding puppies, adults, and seniors. Taking care of your canine family member requires a deep commitment to health, safety, comfort, and happiness. And, it's hard to go this alone. With this book, we'll be with you every step of the way to help navigate you through each stage of your Shih Tzu's life. All topics are thoroughly explored with incredibly helpful detail: Appearance, barking (all possible scenarios), every behavioral issue and quirk you may encounter (27), body part specific care, care by season, skin & coat care, command training, exercise (6 sections), feeding and nutrition (10 sections including effective solutions for your picky eater), all female

issues (including full pregnancy and whelping info), grooming (12 sections), and health issues (39 sections - including the most in-depth allergy guide imaginable). In addition, heeling and walking-on-leash issues, exact step-by-step housebreaking (plus every possible hiccup answered, resulting in an exceptionally well-trained pup), territorial marking, instructions to resolve separation anxiety to help your Shih Tzu feel secure while gaining self-confidence, socialization and desensitization training, and much more. Importantly, you will never see aspects glanced over, leaving you asking, "Now what?" You will have the exact answers for 'what to do' and 'how to resolve this'. Included in this book are exclusive and enlightening survey results regarding the behavior, personality, and health of 2,749 Shih Tzu. And, growth charts tracking the stats of 129 Shih Tzu puppies. Contributors include several top reputable AKC Shih Tzu breeders and author and trainer Faye Dunningham who provides special-edition training sections regarding interacting with dogs (both 'known' and 'unknown'), visitors, strangers, and situations. It's a perfect guide for building self-confidence and restraint, allowing a Shih Tzu to be social, very well-behaved, and happy! Being 8.5x11" and 360 pages, this Shih Tzu care book for puppies and dogs truly is GIANT; however, it is

also exquisitely formatted via various fonts, headers, and bullet points for enjoyable reading. Incorporated throughout are beautiful photos (b&w), along with charts, graphs, and other supplementary aids. Whether you have a new puppy or an older dog, let's get started on a wonderful, fulfilling, fun, and healthy road for your Shih Tzu!

Lion Dog Little, Brown

Since the average Shih Tzu stands less than a foot tall, you might think it would be easy to overlook these little dogs. But that's not the case at all! These pups have big personalities that ensure they are the center of attention! Shih Tzus love to be around people and have a way of becoming part of the family. Take Georgie, a Shih Tzu who worked as a service dog for an autistic boy named Alex. The two quickly bonded and were inseparable since the day they met. Alex's parents even credited Georgie with helping their son learn to speak. Of course, this kind of close companionship is typical of Shih Tzus, who have been prized house pets for over a thousand years. The breed dates all the way back to ancient China, where royal families treasured the little lion-like dogs! Shih Tzu: Lion Dog is a narrative treat for dog lovers that includes fun, real-life stories about these little pups while also recounting the breed's history and its relationship to the animal's physical characteristics, personality, and suitability as a pet.

To know a Shih Tzu is to love a Shih Tzu . . . they're irresistible, coy, flirtatious, and passionately devoted companions. They love the good life, and though they can be shrewd (or selectively deaf, or consciously naïve), the Shih Tzu is so endearing that even "big dog" lovers find themselves swooning over this adorable breed. But is the Chinese Charmer the right match for you? Shih Tzu for Dummies answers all of your questions, like: What is a Shih Tzu really like? Can I get a Shih Tzu if I have children or other pets? How difficult is grooming? Can I do it myself or should I get a

professional? How do I find a good breeder? What about a good vet? What should my Shih Tzu eat? Do small dogs really need that much training? How can I teach my Shih Tzu some basic commands? The Shih Tzu is built for one job and one job alone: to be your close personal friend for life. A dog bred for companionship must be allowed to do its job, and its job is to be with you. So, if you have the time (for grooming), dedication (for training), and room (on your lap and in your heart), the Shih Tzu is a small dog with a lot of love just waiting for a new best friend.
