Investigaciones en didáctica de la lengua McGraw-Hill Education
 This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish rorindicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website:

Cada unidad de Enlace 3 se abre con los objetivos comunicativos que, como un hilo conductor, anudan su contenido, de forma que el estudiante asuma un mayor control sobre el avance de su aprendizaje y que se evidencie un verdadero proceso de aprendizaje de la lengua extranjera. Cada tema es introducido con muestras de lengua de diversa tipología que, en lo posible, responden a textos auténticos. Lo común en ellas es que reflejan variedades geográficas, sociales y contextuales del español actual. Esta elección ayuda no solo a que los estudiantes distingan dichas variedades sino que aprendan cómo, cuándo, dónde, qué y con quién producir un determinado enunciado, de tal manera que cumpla con su intención comunicativa. Los modelos de lengua van seguidos de actividades, ejercicios y tareas que buscan que el estudiante que aprende la lengua extranjera articule fácilmente su bagaje previo y estrategias nativas al nuevo conocimiento y cultura. Las estrategias cognitivas y metacognitivas propuestas en Enlace 3 persiguen que, a partir de la lengua extranjera, el estudiante afine su capacidad de observación y análisis, asimile, comprenda, asocie, retenga, evoque y, en últimas, incorpore, produzca y lleve la lengua objeto a nuevos contextos de la vida real.

Increase students' ability to comprehend spoken Spanish; express their ideas & opinions; and analyze cultural perspectives while challenging fixed beliefs and cultural stereotypes. These outcomes motivated the respected author team of *Así lo veo*, the first Intermediate Spanish program to use a documentary, filmed specifically for the program, as the basis for instruction and learning. Since a documentary captures real situations and personal perspectives it is the perfect vehicle for increasing student engagement. With *Así lo veo*, the documentary motivates the presentation of content—vocabulary, grammar, and culture—and by extension, the learning. Specifically, *Así lo veo* documents how six Spanish speakers view timely, provocative themes. Because these are everyday people, not actors, they bring unscripted, real language as well as fresh ideas to the context of learning Spanish.

Que te parece? is an exciting and innovative new program suitable for any communicative or proficiency-based intermediate Spanish course. Both the grammar and the activities are driven by the content, so that they are always presented in an authentic context. The program offers a dynamic approach to the material by incorporating unique presentations of literature, culture, and the fine arts. This edition includes an interactive CD-ROM that further explores the fine art and literature from the Spanish-speaking world, as well as the video to accompany the text.

One of these days, I'm going to sit down and write that novel.... Everyone thinks about doing it, yet most people who do start a novel end up stalling after a few chapters. Where do these would-be novelists go wrong? Are the characters dull and cliched? Did the story arc collapse? Did they succumb to a dreaded bout of "writer's block"? Or maybe it was all just taking too long? These problems used to stop writers in their tracks, but nothing will get in your way after reading *Write Your Novel in a Month*. Author and instructor Jeff Gerke has created the perfect tool to show you how to prepare yourself to write your first draft in as little as 30 days. With Jeff's help, you will learn how to organize your ideas, create dynamic stories, develop believable characters, and flesh out the idea narrative for your novel--and not just for the rapid-fire first draft. Jeff walks you through the entire process, from initial idea to the important revision stage, and even explains what to do with your novel once you've finished. Whether you are participating in National Novel Writing Month or you're simply hoping to complete a draft over winter break or your vacation, this book covers the entire scope of writing a novel and lays out exactly what you need to know to get it done fast and right.

teóricos y prácticos a través de los textos literarios. Aunque estos son modelo o espejo donde bien merece la pena mirarse, es cierto que no se debe aprender la lengua de Cervantes y de Borges –como cualquier lengua- a través de su literatura, pero esta es una herramienta importante de apoyo para el aprendizaje de la lengua y conocimiento de la cultura española. Se ha elegido una serie de textos literarios para ilustrar los conceptos teóricos, así como se estudian tres grandes mitos de la literatura española –la Celestina, Don Quijote y Don Juan- que tanto han repercutido en la cultura universal. Una aportación más a los estudios de la enseñanza de la lengua y literatura españolas del profesor José Romera Castillo.

Lake Superior's windswept rock, clear water, and wooded shores create some of the most stunning landscapes in Minnesota, Wisconsin, Michigan, and Ontario. Over two years, sportsman, writer, and world traveler Greg Breining set out to circle this great lake by kayak, a means of travel that allowed him to visit the lake's places of rare beauty and solitude, experience its wildly varied moods, and see its remote historic sites and isolated communities. *Wild Shore* is a tale of outdoor adventure, odd characters, humorous stories, and quiet reflection.

Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.
