Eight-year-old Margaret Pokiak has set her sights on learning to read, even though it means leaving her village in the high Arctic. Faced with unceasing pressure, her father finally agrees to let her make the five-day journey to attend school, but he warns Margaret of the terrors of residential schools. At school Margaret soon encounters the Raven, a black-cloaked nun with a hooked nose and bony fingers that resemble claws. She immediately dislikes the strong-willed young Margaret. Intending to humiliate her, the heartless Raven gives gray stockings to all the girls — all except Margaret, who gets red ones. In an instant

Margaret is the laughingstock of the entire school. In the face of such cruelty, Margaret refuses to be intimidated and bravely gets rid of the stockings. Although a sympathetic nun stands up for Margaret, in the end it is this brave young girl who gives the Raven a lesson in the power of human dignity. Complemented by archival photos from Margaret Pokiak-Fenton's collection and striking artworks from Liz Amini-Holmes, this inspiring first-person account of a plucky girl's determination to confront her tormentor will linger with young readers.

Each workbook covers key topics in AS or A2

French and is divided into sections. Section 1 consists of French texts accompanied by short vocabulary lists, questions in English on understanding the text, vocabulary work and writing tasks: Section 2 (sections 2-4 in the A2 workbooks) contains questions for oral practise based on the texts in Section 1 and synoptic tests, comprising two longer texts with reading and writing tasks of the kind found in the exam( the A2 workbooks include two further speaking tests based on written texts, one in English and one in French). The demands on students' language skills and understanding increase with each workbook in the series. Vocabulary lists become more selective, the

comprehension exercises more searching and the writing tasks longer and more structured. The workbooks are designed for systematic classroom use to support your own scheme of work, but can be easily used for homework and as a revision source. Space is provided throughout the workbooks for students to write their answers to each exercise. Answers to the vocabulary and comprehension exercises in each workbook are provided in an accompanying set of Teachers Notes. The notes also offer further suggestions for using the texts. Student workbooks are available only in class sets of 10, priced at £35 per set. Each set of workbooks includes

one Free copy of the Teachers Notes.
