Twist Me Review

My instincts warned me that Alex Volkov is a dangerous man. My mind told me to run when he set his sights on me with unfaltering determination. It's not that I didn't try to resist, but Alex had a game plan. He was always one step ahead of me, skillfully drawing me deeper into his web. Even

when he gave me freedom, it was only an illusion. Now, even that illusion has vanished. I'm his prisoner in the truest sense of the word, whisked away to Russia on his private plane. I no longer have a say, not while our lives are at risk, and maybe never again. Our story balances on a thin edge between disaster and happiness. With each day that passes, I grow less certain of which side the coin will land on... or if we'll even survive. Note: This is the conclusion of Alex and

Kate's story.
