Life today is plagued by failed relationships, financial pressure, frustrated goals, and dashed dreams. Everybody wants “the good life,” but we’re constantly frustrated by our inability to experience it—even when we energetically pursue all the best-selling methods for achieving success. There must be a better way to live. Yet it seems even those who appear “successful” aren’t truly satisfied. What’s the true secret to genuine success? Once again, God

has the answers. And you’ll find them in *The Solomon Secrets*. Thousands of years ago the wisest, wealthiest, and most powerful man of his day compiled a book filled with practical insights for success in every area of life: parenting, marriage, vocation, relationships, self-control, and money management, just to mention a few. Yet Solomon’s collection of Proverbs remains one of the most neglected books in the Bible. To a modern reader, these simple

directions might seem illogical. But God’s wisdom as articulated by Solomon is “uncommon sense for extraordinary success.” This ancient wisdom holds the key to achieving and enjoying the things we want most in life.

In 2001, Dr. Wayne Dyer wrote a book called *10 Secrets for Success and Inner Peace*, based on the

most important principles he wanted his children to live by. Serena Dyer, one of those children, has contemplated these ideas throughout her life. "Don't die with your music still in you" has been the most important principle for Serena: to her, it means that you don't allow yourself to live any life other than the one you were born to live. In this book, Serena sets out to explain what it was like to grow up with spiritual parents. She touches upon all ten of her dad's original secrets, imparting

her own experiences with them and detailing how they have affected the way she approaches various situations in life. She shares stories, struggles, and triumphs—and Wayne, in turn, contributes his own perspective. This unique father-daughter collaboration will warm the hearts of all parents . . . and inspire anyone who is looking to find the "music" inside themselves.

*10 Ways to Let Your Greatness Shine Through* Createspace Independent Publishing Platform Everything no one will tell you about being an artist Nobody Knows What They're Doing is an honest guide to the creative life for artists of all kinds. Lee Crutchley, author of *How to Be Happy (Or At Least Less Sad)*, skips the platitudes, positive affirmations, and guarantees of success; he'll never ever tell you to just Do What You Love. Instead, Crutchley discusses the things

nobody else is talking about—that, frankly, your work sucks (but that's ok because everyone else's does too), that making bad art is worth it, and so much more. In a world desperate for a glimpse of authenticity, *Nobody Knows What They're Doing* is a breath of fresh air that reveals the truths hiding between the lines of Instagram-friendly aphorisms and behind the words of the most inspirational TED talks. An honest look at the reality of creativity and the joy and difficulty of crafting

good (and bad) art, this book belongs in the hands of every exhausted creative, every starry-eyed dreamer, and every artist who is trying to make their way in the world—and keep a roof over their head while they do it.

St. Martin's Essentials  
From the inspirational leader and author of the international bestsellers *Your Sacred Self* and *Your Erroneous Zones* comes this mind-awakening guidebook for making

your desires reality. Wayne Dyer is an extraordinary sensor of what people want and he moves with the ever-changing times. He is focused on the heart of the spiritual with Real Magic and embraced individual sacredness with *Your Sacred Self*. In this enlightening work, he takes these concepts one step further to focus on meditation and manifesting what you want. Based on ancient principles and spiritual practices, *Manifest Your Destiny* teaches the

process of meditation as a way to streamline your thoughts, desires, goals, and, ultimately, your life. Are the decisions and actions in your life controlled by your ego? Are you weighted down with unresolved troubles? Do you feel out of touch with your environment? Do you complain, find fault, or take for granted more often than you appreciate your life? You can overcome these barriers with Dyer's technique, as outlined in his *Nine Spiritual Principles* that will teach

you to develop spiritual awareness, reconnect with the world, trust yourself and accept your worth, and let go of demands. Filled with warmth and insight, this invaluable book will help you achieve your goals and take you to a level higher than you've ever dreamed.

Dyer's New York Times best-selling children's book, based on the 10 concepts from his New York Times bestseller for adults 10 Secrets for Success and Inner Peace. create happy, successful lives. With this book, parents can introduce these important ideas to their children. The 10 concepts are numbered, titled, and set in rhyming verse, with vibrant illustrations by Melanie Siegel to bring each point to life. A reader's guide at end, offers 10 questions that kids can answer to connect these ideas to their own lives and make them realize how incredible they truly are! *The Secrets of Success at Work* Hay House, Inc The Napoleon Hill

Foundation In order to achieve desired results a simple two-step process must be followed: Thought + Action = Success As a student of Dr. Napoleon Hill for many years, I know that his philosophy works best when it is observable and measurable. It is not always easy to take action, but without action there is no success. Reflect on this for a moment. Great intentions never measure up to the smallest action. However, the tiniest action begins to build a momentum that

culminates in your desired success if you build on the previous action daily. 10 Success Secrets pairs Dr. Hill's philosophy with actions that will move you toward success. I suggest that you try a few, keep a log, and watch your success rate grow. Without the action step, you are missing the master key to your dreams. First, chart your course; next, plan your method of travel, and third, step into the journey and begin! As you progress, you can then evaluate what actions

work best for you. Look at this book as your treasure map. When you follow it to your destination, you will be rewarded with finding the treasure you seek. To your ultimate and lasting success!

NEW "LETTER TO MY READERS" This special 20th Anniversary Edition also includes a 2011 "Letter to My Readers,"

where Coach Dori shares some wonderful stories and insights from the "Golf God's" remarkable 20-year history. Here are a few excerpts: WOW! A lot has changed in the past 20 years. When I first published this book in February, 1991, I didn't have a web address or a cell phone. Home computers were just starting to gain popularity and I hadn't quite turned 30 yet. ... Surprisingly, one thing that hasn't changed are the 10 Secrets for Golfing Success. They are still just

as valid today as they were when I originally wrote about them 20 years ago. ... I Found the Golf God, 10 Secrets for Golfing Success was the first book I ever wrote, so it will always be very special to me. Based on the letters and comments I've received through the years, it's been a special book to dozens of other people, as well - both golfers and non-golfers alike. I've received letters from golf professionals giving the book credit for their first big tournament wins. I've received phone

calls from men and women in all walks of life telling stories of how the book changed their lives (not just their golf games). I've even had several non-golfers get "mad" that it was a golf book and not a life improvement book, saying they almost hadn't read it because of that. One of the most magical moments for me was receiving a handwritten note from tennis legend, Martina Navratilova, stating how the concept of "target golf" had helped her golf game.

Another was when international self-help author and success coach, Anthony Robbins, happened to come into a bookstore where I was doing a book signing, and asked me to autograph a copy of I Found the Golf God to his friend, Ken Blanchard (author of The One Minute Manager), as a birthday gift. ... I Found the Golf God sold nearly 10,000 copies in its first year, going to print three times in the first nine months. It's been used as a sales training tool, as a textbook for golf colleges,

as a tournament gift bag item, and more. GOLFERS AND NON-GOLFERS ALIKE LOVE I Found the Golf God! With years and years of rave reviews from men and women golfers of all levels, this timeless golf and life improvement book is sure to help you improve your golf swing and your game!

### Being in Balance

Createspace Independent Pub

In this inspirational work, beloved best-selling author Dr. Wayne W. Dyer shows you how to restore balance in your life by offering nine principles for realigning your thoughts so that they correspond to your highest desires. Imagine a balance scale with one end weighted down to the ground, and the other end—featuring the objects of your desires—sticking up precariously in the air. This scale is a

measurement of your thoughts. To restore the same balance that characterizes everything in our universe, you have to take up the weighty thoughts so that they match up to your desires. The seasons reflect the overall harmony of life. For example, winter passes and the blossoms emerge. This is balanced by a need to have the trees rest, so autumn arrives on time and helps the trees ready themselves for another period of repose. This book is dedicated to the

idea that we're a vital  
component of this  
creative process and have

within ourselves the  
wherewithal to create all

that we want if we  
recognize and revise out-  
of-balance thoughts.
