Winner of the 2016 Scott O'Dell Award for Historical Fiction A 2016 Association of Jewish Libraries Sydney Taylor Award Winner Winner of the 2016 National Jewish Book Award for Children's and Young Adult Literature Newbery Medalist Laura Amy Schlitz brings her delicious wit and keen eye to early twentieth-century America in a moving yet comedic tour de force. Fourteen-year-old Joan Skraggs, just like the heroines in her beloved novels, yearns for real life and true love. But what hope is there for adventure, beauty, or art on a hardscrabble farm in Pennsylvania where the work never ends? Over the summer of

1911, Joan pours her heart out into her diary as she seeks a new, better life for herself—because maybe, just maybe, a hired girl cleaning and cooking for six dollars a week can become what a farm girl could only dream of—a woman with a future. Newbery Medalist Laura Amy Schlitz relates Joan's journey from the muck of the chicken coop to the comforts of a society household in Baltimore (Electricity! Carpet sweepers! Sending out the laundry!), taking readers on an exploration of feminism and housework; religion and literature; love and loyalty; cats, hats, and bunions.

This job search book is unlike any other. It gives you a money back guarantee to land your dream job. It guides you through your own job search step by step using worksheets, scripts, and resources. Best of all, it doesn't give the same old advice you've heard before. This modern approach uses proven business to business (B2B) marketing concepts. That way you'll be selling yourself to businesses the way they already make important purchasing decisions, like buying software or in your case, hiring new talent. You won't hear outdated advice about the proper cover letter (because business don't read them any more). You'll get practical tools that work everyday in the world of business. Because hiring is a risky purchase decision, you'll get insider information into the ways Human Resources departments and hiring managers choose talent. This book guides you step by step to remove the "blindness" worn by most hiring managers. The problem isn't your work experience--it's helping companies see your talents through the narrow, outdated model they use to hire. I'm so confident in this new job search that I give a money back guarantee. If you use each step outlined in this book and still don't get hired, I'll gladly refund the cost of the book. Anyone can be an industry expert and establish themselves as an authority in today's social/digital world. I mean anyone, including:- Recent college graduates tired of hearing, "You don't have enough experience."- Older workers facing age discrimination in their job search.- Professionals stuck in a job they hate, trying to change industries...without taking a pay cut. - Unappreciated workers who

are overdue for a promotion.First, I'll give an overview of the new job search. Then we'll walk each step together as we land YOUR dream job. To get hired today, you must understand the new hiring model and tools available to rank at the top of the talent search. This book teaches how to:- Position yourself with the right "experience" by creating volunteer organizations or unpaid externships. These give you the "right" job title and "experience" to get past HR department gatekeepers that prevent you from even getting an interview. - Meet decision makers at the companies you want to work for through educational interviews. Use the provided scripts to easily meet the right people.- Get recommended by the trusted contacts of hiring managers through giving "value" and "proof-projects."- Ace the interview by knowing what to expect ahead of time.This job search book will give you all the tools needed to land your dream job in a "do it yourself" format -- worksheets, templates, and tools are provided. Together we will design a plan that gives you the title, experience, and visibility to land your dream job. Now, let's get you in front of hiring managers, to show your talent the right way -- beyond resumes and online applications!

With the month of March, come a lot of expectations and aspirations. Working professionals toil very hard throughout the year in the wait of March, which is generally the appraisal and increment season. This is also the season when many people start looking out for job and career change, hoping for a better position or package at a new organization. But, before you consider a job change or more importantly career change, it is very important that you understand the latest hiring trends that are relevant in the job market. The year 2018 has been quite different with regards to hiring trends. The New Year has brought in a new wave and fresh energy in the market and consequently, we are seeing rise in the hiring activity across different sectors. Last year, majority of sectors witnessed subdued hiring activity; thanks to the economic slow-down that was marred by domestic events like demonetization and GST. However, this year, the market seems to have adapted to these changes as we have witnessed more proactive hiring from corporates. Be it campus placements or general hiring; the hiring trends for 2018 have been quite positive in general. But, we have a long way to go in 2018, and therefore, it is very important for professionals looking for job change to understand the prominent trends of the job market. In this edition of *Get Hired* we would be discussing the top hiring trends that are expected to affect the job market this year. So, without further ado, let's find out what is in store for job seekers in the coming year.

You are about to learn exactly What College Didn't Teach You About Getting Hired! The fact that you are reading this is enough proof that you don't need a lecture about how difficult getting a job is after college. You must have felt it - the pain, humiliation, frustration and sadness. It's infuriating to imagine that all your hopes and expectations that accumulated over the years of difficult schooling had to end in the misery of joblessness. But it's a sad truth that most graduates have to live with. Have you ever sat down and wondered... • Why are employers demanding "three years" experience? • Do I have to accept a paycheck just a couple of dollars above the minimum wage? • Why is it so freakin difficult to convince an employer to give you a chance to showcase your skills? • What do I need to do to get a job? • How do I know which job is right for me? This POWERFUL BOOK is here to give you detailed answers to all the questions you have been asking yourself, including what it is that college graduates do wrong, what they erroneously perceive and what they need to do to overcome the main challenges they face in finding a job. More precisely, you'll discover: • An overview of life and expectations after college • The three main problems graduates face today, and what you need to overcome them • How to set your career goals to see success • How to find the right job along with tips to do so successfully • How to

find a job you enjoy • The top side-hustles every recent graduate needs to know • How to put it all together and secure your dream career with surefire strategies • How to find a job fast ... And much more! The reasons for not getting employed after college are too many to mention and while in some cases, college graduates fail to land a job because of situations that are beyond their control, there's a great many of them who actually fail to get a job because of failing to do a number of things right, or failing to acknowledge a number of hard truths. So whether you are looking for how to find a job at home, or how to find a job in another city this book will help you!
