**Digest-index of "Morals and Dogma," of Albert Pike 33°** Lulu.com  
Masonry is permeated with powerful verbal and pictorial symbolism that arouses the mental, spiritual and intellectual life. One of the treasures of the SJ USA Supreme Council's Archives at the House of the Temple in Washington, D.C., is Albert Pike's manuscript of The Book of the Words. The book was originally printed, in an edition limited to 150 copies, in 1874. This remarkable study is an exploration of the symbolic words in Freemasonry. It gives the correct spelling of, and analyzes all the "significant words" in the Scottish Rite from the 1st through the 30th degrees inclusive. Pike explores and explains their origin (Hebrew, Samaritan, Phoenician and English), meaning, symbolism and relevance to the degrees and gives his insights. In addition to being an etymological dictionary Pike explains why any given word was chosen for a given degree, thereby revealing the hidden symbolism of each word.

Morals and Dogma of The Ancient and Accepted Scottish Rite of Freemasonry:

First Three Degrees  
By Albert Pike - Illustrated Book Jungle  
In 1871, Albert Pike created Morals and Dogma of the Ancient and Accepted Scottish Rite as a guide to the 32 degrees of Scottish Rite Freemasonry. It was his intention that becoming a Scottish Rite Mason require years of study to understand the allegories, the underlying moral lessons, and their applications. Pike's scholarly but practical instruction serves as a guide for every Mason working to be the best husband, father, brother, friend, and citizen that he can be. In 2007, a complete and comprehensive review was initiated to provide insight into Albert Pike's original work. This new book is the only edition that is not abridged, a digest, or an editorial commentary of the original book. The entire original book was translated into modern English from the difficult sentence structure and language prevalent in 19th century literature. Morals and Dogma for the 21st Century brings these important lessons back within the grasp of the modern Mason.

Charleston, 1881. Subject: Freemasons Scottish Rite in Freemasonry CreateSpace

A high-ranking Mason offers a fascinating glimpse into the Western world's most secretive society. Hall traces the path followed by initiates to the ancient craft. He also recounts the ethical training required of a Freemason, and profiles the character traits a Mason must "build" within himself.

unreadable. How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry* by Albert Pike The teachings of these Readings are not sacramental, so far as they go beyond the realm of Morality into those of other domains of Thought and Truth. The Ancient and Accepted Scottish Rite uses the word Dogma in its true sense, of doctrine, or teaching; and is not dogmatic in the odious sense of that term. Everyone is entirely free to reject and dissent from whatsoever herein may seem to him to be untrue or unsound. It is only required of him that he shall weigh what is taught, and give it fair hearing and unprejudiced judgment. Of course, the ancient theosophic and philosophic speculations are not embodied as part of the doctrines of the Rite; but because it is of interest and profit to know what the Ancient Intellect thought upon these subjects, and because nothing so conclusively proves the radical difference between our human and the animal nature, as the capacity of the human mind to entertain such speculations in regard to itself and the Deity.

*Morals and Dogma, Volume 1 (Chapters 1-24)* Literary Licensing, LLC

First published in 1872, "Morals and Dogma" is Albert Pike's book of esoteric philosophy published by the Supreme Council, Thirty Third Degree, of the Scottish Rite, Southern Jurisdiction of the United States. Designed as a guidebook for those entering the Scottish Rite, "Morals and Dogma" details much of the minutiae, ritual, and doctrine of the Scottish Rite of Freemasonry. Presented here is the second of two volumes containing chapters twenty-five through

thirty-two.

*Albert Pike, Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry* Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry First Three

Degrees"Esoteric book, for Scottish rite use only; to be returned upon withdrawal or death of recipient"Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry

Morals and Dogma has been described as "a collection of thirty-two essays which provide a philosophical rationale for the degrees of the Ancient and Accepted Scottish Rite. The lectures provided a backdrop for the degrees by giving lessons in comparative religion, history and philosophy". Though it discusses the minutiae of Masonic ritual at length, it is written so as not to reveal the Masonic secrets. Ritual motions and objects are named and elaborated upon, but not described. In his allocution of 1947, Pike's successor, Grand Commander John Henry Cowles, noted that some Masonic publications had used large extracts from the text, which practice he sought to curtail by adding the following words to the title page: 'Esoteric Book, for Scottish Rite use only; to be Returned upon Withdrawal or Death of Recipient' (Transactions of the Supreme Council, 33<sup>rd</sup>, S.J. (1947), p. 38). Although Morals and Dogma is an esoteric book, it was not a secret one; Pike's original preface was clear that any Mason could own the book, but only Scottish Rite Masons would be encouraged to own one. There are 32 chapters (1 per degree in the masonic ranks of the southern jurisdiction, the 33<sup>rd</sup> being the only exception), These chapters generally consist of Comparative Religion, Philosophy, Comparative Etymologies, Symbolism,

And Numerology. The primary themes are the "Secrets" or the "Great Mysteries" and their symbolism & rituals. It is stated that nothing in the book is meant to reveal any of the secrets to freemasonry but to simply hint or shed light. An emphasis on religious and cultural tolerance is shown throughout the work, emphasizing that the root of all religion was the same. These common traits and symbols in all religions are explained in detailed, Beginning with the Orphic Egg or the Cosmic Egg, and then moving towards Ancient Egyptian, Phoenician, Buddhist, Hindu Texts, & The Abrahamic Religions. A copy of Morals and Dogma was given to every new member of the Southern Jurisdiction from the early 1900s until 1969 (although some local Scottish Rite bodies offered copies through the mid-1970s), when it was deemed "too advanced to be helpful to the new Scottish Rite member." [ In 1974 it was initially replaced by Clausen's Commentaries on Morals and Dogma, written by Henry Clausen, 33<sup>rd</sup>, Sovereign Grand Commander, which in 1988 was itself replaced by A Bridge To Light, by Rex Hutchens, 33<sup>rd</sup>, G.C., which book continues to be given to initiates into the Scottish Rite in the Southern Jurisdiction. With the release of the authorized edition of 2011, Morals and Dogma is once more being given to new Scottish Rite Masons in the Southern Jurisdiction, and all restrictions on sales to the general public have been removed. During Pike's lifetime the Northern Jurisdiction based many of their degrees upon Pike's rituals, although they subsequently revised them many times, and never presented initiates with Morals and Dogma, nor any of the subsequent commentaries. Symbolic images are the alphabet underlying all Mystery traditions. It has been stated that Albert Pike's "Magnum Opus Morals and Dogma" no longer has any relevance to Scottish Rite Masons. For many, it has become an esoteric antediluvian composition, a momentous work deemed too difficult for the average person to comprehend or to glean information from. Albert Pike composed his esoteric information so as not to reveal any Masonic secrets, understanding that non-Mason and Mason alike would be exploring the degrees contained within. Could he have concealed information within his writings, as did many of the great artists and thinkers of the past? For the first time, Professor Len Seymour provides an interpretation of the enigmatic drawing of an Egyptian Stele found in Pike's book, "Morals and Dogma," the timeless and hidden symbolism of which has remained a mystery until now.

### **MORALS and DOGMA (Annotated)**

This is Albert Pike's volume of 'lectures' on the esoteric roots of Freemasonry, specifically the 32-degree Scottish Rite. Until 1964, this book was given to every Mason completing the 14th degree in the Southern jurisdiction of the US Scottish Rite Freemasons. Masonic lectures are standard oral presentations given during initiation to a new degree. Lectures provide background material for initiates and the discuss duties of the degree in general terms. Pike states right off that half of the text is copied from other works. Unfortunately none of these quotes are properly cited, and in most cases it is only a shift in style which allows us to identify a quote. There are also lapses of fact and logic. So it would be a mistake to use this work as an authoritative source without additional research and critical thinking. That said, *Morals and Dogma* is a huge, rambling treasure-house of esoteric data, particularly on the Kabalah and ancient Mystery religions. Whether you just browse these pages or study it from one end to the other, this is a must-read book for anyone looking for long-lost knowledge.
