Grammar and Beyond Level 1 Student's Book Cambridge University Press

Grammar and Beyond Level 1 Workbook B Routledge

Beyond Grammar: Language, Power, and the Classroom asks readers to think about the power of words, the power of language attitudes, and the power of language policies as they play out in

communities, in educational institutions, and in their own lives as individuals, teachers, and participants in the larger community. Each chapter provides extended discussion of a set of critical language issues that directly affect students in classrooms: the political nature of language, the power of words, hate language and bullying, gender and language, dialects, and language policies. Written for pre-service and practicing teachers, this text addresses how teachers can alert students to the realities of language and power--removing language study from a "neutral" corner to situate it within the context of political, social, and cultural issues. Developing a critical pedagogy about language instruction can help educators understand that classrooms can

either maintain existing inequity or address and diminish inequity through critical language study. A common framework structures the chapters of the text: \* Each chapter begins with an overview of the language issue in question, and includes references for further research and for classroom use, and provides applications for classroom teachers. \* Numerous references to the popular press and the breadth of language issues found therein foreground current thought on socio-cultural language issues, attitudes, standards, and policies found in the culture(s) at large. \* References to current and recent events illustrate the language issue's importance, cartoons address the issue, and brief "For Thought" activities illustrate the point being discussed and extend the reader's knowledge and awareness. \* "Personal Explorations" ask readers to go beyond the text to develop further understanding; "Teaching Explorations" ask teachers to apply chapter content to teaching situations. *Beyond Grammar: Language, Power, and the Classroom* is intended for undergraduate and master's level courses that address literacy education, linguistics, and issues of language and culture. *Grammar and Beyond* Cambridge University Press

*Grammar and Beyond* is a four-level North American grammar course informed by a collection of over one billion words of authentic language, ensuring that students learn grammar the way it is used in real spoken and written English. The Class Audio CD includes all of the audio for the exercises in the Student's Book. CEF: B2-C1.

**Grammar and Beyond Level 2 Student's** John Wiley & Sons  
Grammar Explorer prepares students for academic success through captivating National Geographic content and

assignments that mirror the requirements of academic life. Going beyond clear grammar charts and instruction, Grammar Explorer challenges students to think critically while using grammar in their listening, speaking, reading, and writing. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Grammar and Beyond Level 1 Student's World Heritage Publishers Ltd

A collection of twelve lessons that teach English language grammar, vocabulary, functional language, listening and pronunciation, reading and writing and speaking.

*Grammar and Beyond Level 1 Workbook* A Cambridge University Press

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. The Grammar and Beyond Teacher Support Resource Book with CD-ROM, Level 1, provides suggestions for applying the target grammar to all four major skill areas, helping instructors facilitate dynamic and comprehensive grammar classes; an answer key and audio script for the Student's Book; a CD-ROM containing ready-made, easily scored Unit Tests, as well as 33 PowerPoint® presentations to streamline lesson preparation and encourage lively heads-up interaction.

Greek Grammar Beyond the Basics Harper Collins

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar

in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.
