Random House Webster's Handy Grammar, Usage & Punctuation Random House Reference &

This index corresponds to "Random House Webster's unabridged dictionary second edition" (ISBN 978-0-375-42599-8). You can quickly and easily find words from thick dictionaries. It is the only index that you have never seen before. You will be able to use the dictionary more comfortably and happily. This book is the first index created for paper dictionaries. Entry words are arranged based on vowels and color-coded according to characters. Even if you remember the order of the alphabet well, you often do not find the word you are looking for. Since words are arranged in order, it is generally thought that an index is not necessary for a dictionary, but it is quite difficult to look for words by simply flipping through a dictionary. Using our index, you can find the word as soon as you open the dictionary on the data bar position and the page indicated by the headword. We trust you will enjoy

using a paper dictionary.

Abridged from the bestselling Random House Webster's College Dictionary "I recommend this book without hesitation or reservation. It might be time for you to switch from a Ford to a Cadillac." --Laurence Urdang Verbatim

Random House Webster's Student Notebook Grammar, Usage, and Punctuation Guide Merriam-Webster

This early work by Stephen Vincent Benét was originally published in 1937 and we are now republishing it with a brand new introductory biography. 'The Devil and Daniel Webster' is a short story about a successful lawyer who believes you can win your

soul back from the devil. Stephen Vincent Benét was born on 22nd July 1898 in Bethlehem, Pennsylvania, United States. Benét was an accomplished writer at an early age, having had his first book published at 17 and submitting his third volume of poetry in lieu of a thesis for his degree. During his time at Yale, he was an influential figure at the 'Yale Lit' literary magazine, and a fellow member of the Elizabethan Club. Benét was also a part-time contributor for the early Time Magazine. Benét's best known works are the book-length narrative poem *American Civil War*, *John Brown's Body* (1928), for which he won a Pulitzer Prize in 1929, and two short stories, *The Devil and Daniel Webster* (1936) and *By the Waters of Babylon* (1937). Benét won a second Pulitzer Prize posthumously for his unfinished poem *Western Star* in 1944.

NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness "Essential (and delightful!)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer's English offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right

(sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic devices is that I can never remember them." And yes: "Only godless savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal . . . One encounters wisdom and good sense on nearly every page of Dreyer's English."—The Wall Street Journal "Destined to become a classic."—The Millions "Dreyer can help you . . . with tips on punctuation and spelling. . . . Even better: He'll entertain you while he's at it."—Newsday

The Dictionary of Lost Words Random House Reference &
Presents definitions, standard and international pronunciation symbols, advice on avoiding common usage and spelling errors, and a list of irregular verbs for learners of English as a second language
