Jack & Jack Flood Gallery

The editors bring together an interdisciplinary and international group of creative researchers and theorists to examine the way the stories we tell create our identities. The contributors to this volume explore how, beginning in adolescence and young adulthood, narrative identities become the stories we live by.

Identity and Story Chicago Review Press

This title was first published in 2002. Most nation states in Europe have undergone dramatic social and political upheaval with the construction of new or the redefinition of existing national borders. This book uses discourse analytical methods to focus on and unravel the complex cultural identities of people living in communities that straddle the border stretching from the Adriatic to the Baltic Sea.

The Sikh Gurus and the Sikh Society Turtleback Books

War memory and commemoration have had increasingly high profiles in public and academic debates in recent years. This volume examines some of the social changes which have led to this development, among them the passing of the two World Wars from survivor into cultural memory.

Focusing on the politics of war memory and commemoration, the book illuminates the struggle to install particular memories at the centre of a cultural world, and offers an extensive argument about how the politics of commemoration practices should be understood.

Hypnosis in Clinical Practice Rowman & Littlefield

David Beckham is one of the world's foremost media icons, his popularity transcending sport and cultural divides. This is his own in-depth account of his career to date, for Manchester United and England, and of his childhood, family and personal life.

Community as the Material Basis of Citizenship American Psychological Association (APA)

On March 24, 1944, Nazi occupation forces in Rome killed 335 unarmed civilians in retaliation for a partisan attack the day before. Portelli has crafted an eloquent, multi-voiced oral history of the massacre, of its background and its aftermath. The moving stories of the victims, the women and children who survived and carried on, the partisans who fought the Nazis, and the common people who lived through the tragedies of the war together paint a many-hued portrait of one of the world's most richly historical cities. *The Order Has Been Carried Out* powerfully relates the struggles for freedom under Fascism and Nazism, the battles for memory in post-war democracy, and the meanings of death and grief in modern society.

Know Your Enemy: The Story of Rage Against the Machine Omnibus Press

Community as the Material Basis of Citizenship addresses community as the site of participation, production, and rights of citizens and brings to bear a profound critique of a collective process that has historically excluded working class communities and communities of color from any real governance. The argument is that the status of citizenship has been influenced by a society that emphasizes the role of property in defining legitimacy and power and therefore idealizes and institutionalizes citizenship from an individualistic perspective. This system puts the onus on the individual citizen to participate in their governance, while the political reality is that organizations and corporations and their interests have great power to influence and govern. The chapters present an exciting departure from the long-standing traditions of the social basis of citizenship. In *Community as the Material Basis of Citizenship*, Rodolfo Rosales and his contributors argue that citizenship is a communally embedded and/or socially constituted phenomenon. Hence, the unfinished story of American Democracy is not in the equalization of communities but rather in their ability to participate in their own governance - in their empowerment.

The Order Has Been Carried Out SF Design, LLC / Frescobooks

States of Memory illuminates the construction of national memory from a comparative perspective.

The essays collected here emphasize that memory itself has a history: not only do particular meanings change, but the very faculty of memory—its place in social relations and the forms it takes—varies over time. Integrating theories of memory and nationalism with case studies, these essays stake a vital middle ground between particular and universal approaches to social memory studies. The contributors—including historians and social scientists—describe societies' struggles to produce and then use ideas of what a "normal" past should look like. They examine claims about the genuineness of revolution (in fascist Italy and communist Russia), of inclusiveness (in the United States and Australia), of innocence (in Germany), and of inevitability (in Israel). Essayists explore the reputation of Confucius among Maoist leaders during China's Cultural Revolution; commemorations of Martin Luther King Jr. in the United States Congress; the "end" of the postwar era in Japan; and how national calendars—in signifying what to remember, celebrate, and mourn—structure national identification. Above all, these essays reveal that memory is never unitary, no matter how hard various powers strive to make it so. States of Memory will appeal to those scholars-in sociology, history, political science, cultural studies, anthropology, and art history-who are interested in collective memory, commemoration, nationalism, and state formation. Contributors. Paloma Aguilar, Frederick C. Corney, Carol Gluck, Matt K. Matsuda, Jeffrey K. Olick, Francesca Polletta, Uri Ram, Barry Schwartz, Lyn Spillman, Charles Tilly, Simonetta Falasca Zamponi, Eviatar Zerubavel, Tong Zhang

Globalisation, Development, and Child Rights Kensington Publishing Corp.

Rage Against The Machine's founding member and guitarist Tom Morello has given author Joel McIver his blessing to write this unauthorised biography of one of the most pro-actively political rock bands on the planet. In this book Joel McIver gives a clear and unbiased analysis of the group's stance on a wide range of issues, as well as a chronology of their career.

Waggon Wheels Routledge

Dakota, Chrasey, and Jordan have been best friends since college. Now they're about to discover their wild school days have nothing on the dramas of adulthood. . . As friends, Dakota, Chrasey, and Jordan are alike and dissimilar in many ways. Dakota is the only single one in the group. She and Jordan both thrive on their high-powered careers--and the men in their lives almost always come second. But when Dakota's boyfriend becomes more than she can handle, she realized that strength in the boardroom does not translate to the bedroom. Chrasey and Jordan have marriage in common--and the temptation to have an affair with two irresistible men. Now these three friends who have been through the best and worst times together, will have to rely on their strong bonds and trust the truth that lies buried deep within their hearts to discover who they really are--and find the life they've been waiting for all along. . . "I felt like I was experiencing one of my own girls' nights out." --Lala, MTV VJ "More juicy drama than any reality show. . .Janine writes for the everyday diva in all of us." --Miss Info, author of *Bling, Bling: Hip Hops Crown Jewels, Hot 97 Jock, Vibe* columnist

Burchill on Beckham Routledge

David Beckham was the hero of British soccer, and an idol to millions. In June 2003, Manchester United shocked the footballing world by selling off their star to Spanish rivals Real Madrid. What led Man U to make such a seemingly rash move? How did Beckham react when the news was broken to him? Were there more sinister forces at work behind the scenes? The full truth of this sensational moment in footballing history is revealed for the first time in this explosive book that every soccer fan should want to read. It also tells the fans all the secrets they want to know about their favorite star, such as the truth about his relationship with Ferguson, how he and Victoria cope with life in the constant glare of publicity, and exactly how he got to be so good.

At eleven years old a young boy is told that God has chosen him to become a Catholic missionary monk and priest; the choice is not his to make. He joins the Redemptorist Order and spends the next 11 years being schooled in the way he is expected to live for the rest of his life. He must leave his family to lead a secluded monastic life, making no close friendships and taking vows of poverty, chastity and obedience. When doubts arise in his mind he strives to overcome them, studying all the harder, but eventually he realises that he is not happy in the only life he knows. When he spends time in hospital and falls in love his thoughts crystallise. Only then is he able to make his final decision about the life he wants to live. This autobiographical work brings Stephen's story to life and its moving narrative comes to a truly emotional conclusion.

Beckham Jonathan Cape

Ah, there's just nothing better than singing in the shower. The acoustics are perfect and you don't sound half bad, if you do say so yourself. In fact, with a little practice you could be the next "American Idol" platinum-selling recording artist, or stage sensation. The definitive story of England's greatest footballer.

Beckham Springer

This book is aimed at helping both newly trained and experienced mental health professionals become comfortable and adept in using hypnosis in their clinical practice. Despite dramatic evidence of the effectiveness of hypnosis and its growing acceptance, only a small percentage of psychotherapists employ their hypnotherapy training in their practices. This under-use of hypnosis is due to exaggerated misconceptions about its power and the resultant performance anxiety therapists experience after their training. This text is designed to address therapist performance anxiety surrounding the use of hypnosis by exploring the myths surrounding its power and therapeutic potential. The integration of a straightforward systematic hypnotic approach into therapeutic practice has value both in assessment and treatment. Using clinical anecdotes and personal experience, the authors of *Hypnosis in Clinical Practice* explain induction style and trance work in a way that is fundamental and highly accessible.

Beckham John Wiley & Sons

Looks at the life and career of British soccer player David Beckham.

Singing For Dummies John Wiley & Sons

SHE IS A FASHION ICON WITH A LUST FOR FAME. HE IS POSSIBLY THE MOST FAMOUS ATHLETE ON THE PLANET. Together they are one of the most loved -- and hated -- pairs on Earth. This sensational, highly addictive biography delves beneath the Beckhams' glossy, glamorous facade to expose the real Posh and Becks behind the headlines and the hype. Celebrity biographer Andrew Morton, hailed for his insightful, in-depth coverage of luminaries such as Princess Diana and Madonna, explores in detail how David and Victoria Beckham followed their passions -- football and fame -- to become two of the most recognizable people in the world. From their individual childhood stories of relentlessly pursuing their dreams to achieving fame together on an international level, Posh and Becks have earned their unofficial titles as the "King and Queen of Popular Culture," and they never disappoint their fans -- or the tabloids -- when it comes to making news. Their whirlwind courtship, "royal" wedding, alleged affairs, and family struggles have been lived out under the glare of flashbulbs, which they seem to simultaneously court and shun as they attempt to balance their personal lives with their public personas. With up-to-date coverage and commentary on all things Beckham, including David's disappointing stint at Real Madrid and the family's relocation to Los Angeles, Posh & Becks lays bare the truth behind the tabloids on this fascinating couple.

The Nearly Man HarperCollins

Alice Cooper is an American rock star whose career has spanned more than four decades. With a stage show that features guillotines, electric chairs, boa constrictors and baby dolls, Cooper has pioneered a grandly theatrical and violent brand of hard rock designed to shock. Drawing from exclusive and unpublished interviews with a variety of names and faces from throughout Alice's career, the book follows Cooper's tale from his life growing up as a preacher's son in Arizona, through the early years of struggle in Phoenix and then Los Angeles, and then onto the rollercoaster ride that has been the years since then. Includes interviews with original bandmates Michael Bruce and the late Glenn Buxton, drummer Neal Smith, the late Frank Zappa, manager Shep Gordon and producer Bob Ezrin. Includes tributes and recollections from many of the artists who call Alice an influence - from the Damned and the Cramps, to White Zombie and Gwar. Session players and songwriters who have made their own contributions to the Alice story recall their days spent with this Prince of Hell-raisers. Includes full discography and bibliography.

David Beckham Duke University Press

This handbook provides a framework for understanding how to characterize plastic manufacturing processes for use in troubleshooting problems. The 21 chapters are authored by well-known and experienced engineers who have specialized knowledge about the processes covered in this practical guide. From the Preface: "In every chapter, the process is described and the most common problems are discussed along with the root causes and potential technical solutions. Numerous case studies are provided that illustrate the troubleshooting process. Mark A. Spalding, The Dow Chemical Company
