Everything is  
the

story of a

sexual assault  
investigation  
and the

female private investigator who helped crack it open. Erika Krouse has one of those faces. “I don’t know why I’m telling you this,” people say, spilling confessions. In fall 2002, Erika accepts a new contract job investigating lawsuits as a private investigator. The role seems perfect for her, but she quickly realizes she has no idea what she’s doing. Then a lawyer named Grayson assigns her to

investigate a sexual assault, a college student who was attacked by football players and recruits at a party a year earlier. Erika knows she should turn the assignment down. Her own history with sexual violence makes it all too personal. But she takes the job anyway, inspired by Grayson’s conviction that he could help change things forever. And maybe she could, too.

Over the next five years, Erika learns everything she can about P. I. technique, tracking down witnesses and investigating a culture of sexual assault and harassment ingrained in the university’s football program. But as the investigation grows into a national scandal and a historic civil rights case, Erika finds herself increasingly consumed. When the case and her

life both  
implode at the  
same time,  
Erika must  
figure out how  
to help win  
the case  
without losing  
herself.

Jesus' Son, a haunting new collection of short stories on mortality and transcendence, from National Book Award winner and two-time Pulitzer Prize finalist Denis Johnson

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • NPR • The Boston Globe • New York Public Library • Kirkus Reviews • Bloomberg The Largesse

of the Sea Maiden is the long-awaited new story collection from Denis Johnson. Written in the luminous prose that made him one of the most beloved and important writers of his generation, this collection finds Johnson in new territory, contemplating the ghosts of the past and the elusive and unexpected ways the mysteries of the universe assert themselves. Finished

shortly before Johnson's death, this collection is the last word from a writer whose work will live on for many years to come. Praise for *The Largesse of the Sea Maiden* "An instant classic."—New sday "Exceptional luminosity . . . hits a powerful vein."—The New York Times Book Review "Grace and oblivion are inextricably yoked in these transcendent stories. . . . [Johnson's] gift is to extract the beauty in all that brokenness." —The Wall Street Journal "Nobody ever wrote like Denis Johnson. Nobody ever came close. . . . We're just left with this miraculous book, these perfect stories, the last words from one of the world's greatest writers."—NPR [Stories for 3 Year Olds](#) Createspace Independent Publishing Platform The universally-acclaimed return of the New York Times bestselling author of *Fates and Furies* and *Matrix*. In Florida, the hot sun shines, but a wild darkness lurks. Florida is a "superlative" book (Boston Globe), "gorgeously weird and limber" (New Yorker), "frequently funny" (San Francisco Chronicle), "brooding, inventive and often moving" (NPR Fresh Air) -- as Groff is recognized as "Florida's

unofficial poet laureate, as Joan Didion was for California." (Washington Post) "Groff's gifts as a writer just keep soaring higher and higher." – NPR's Fresh Air In her thrilling new book, Lauren Groff brings the reader into a physical world that is at once domestic and wild—a place where the hazards of the natural world lie waiting to pounce, yet the greatest threats and mysteries are still of an

emotional, psychological nature. A family retreat can be derailed by a prowling panther, or by a sexual secret. Among those navigating this place are a resourceful pair of abandoned sisters; a lonely boy, grown up; a restless, childless couple, a searching, homeless woman; and an unforgettable, recurring character—a steely and conflicted wife and mother.

The stories in this collection span characters, towns, decades, even centuries, but Florida—its landscape, climate, history, and state of mind—becomes its gravitational center: an energy, a mood, as much as a place of residence. Groff transports the reader, then jolts us alert with a crackle of wit, a wave of sadness, a flash of cruelty, as she writes about loneliness,

rage, family, and the passage of time. With shocking accuracy and effect, she pinpoints the moments and decisions and connections behind human pleasure and pain, hope and despair, love and fury—the moments that make us alive. Startling, precise, and affecting, Florida is a magnificent achievement.

 Ottessa Moshfegh's debut novel *Eileen* was one of the literary events of 2015. Garlanded with critical acclaim, it was named a book of the year by *The Washington Post* and the *San Francisco Chronicle*, nominated for a National Book Critics Circle Award, short-listed for the Man Booker Prize, and won the PEN/Hemingway Award for debut fiction.

But as many critics noted, Moshfegh is particularly held in awe for her short stories. *Homesick for Another World* is the rare case where an author's short story collection is if anything more anticipated than her novel. And for good reason. There's something eerily unsettling about Ottessa Moshfegh's stories, something almost dangerous, while also being delightful, and

even laugh-out-loud funny. Her characters are all unsteady on their feet in one way or another; they all yearn for connection and betterment, though each in very different ways, but they are often tripped up by their own baser impulses and existential insecurities. *Homesick for Another World* is a master class in the varieties of self-deception across the gamut of individuals

representing  
the human  
condition. But  
part of the  
unique quality  
of her voice,

the way the

"Katherine  
Heiny's work  
does  
something  
magical:  
elevates the

that it has the  
stakes of a

novel, gives

Single,  
Carefree,  
Mellow is that  
rare and  
wonderful  
thing: a debut  
that is  
superbly

accomplished, endlessly entertaining, and laugh-out-loud funny. Maya is in love with both her boyfriend and her boss. Sadie's lover calls her as he drives to meet his wife at marriage counseling. Gwen pines for her roommate, a man who will hold her hand but then tells her that her palm is sweaty. And Sasha agrees to have a drink with her married lover's wife and then immediately regrets it.

These are the women of Single, Carefree, Mellow, and in these eleven sublime stories they are grappling with unwelcome houseguests, disastrous birthday parties, needy but loyal friends, and all manner of love, secrets, and betrayal. In "Cranberry Relish" Josie's ex—a man she met on Facebook—has a new girlfriend he found on Twitter. In "Blue Heron Bridge" Nina is more

worried that the Presbyterian minister living in her garage will hear her kids swearing than about his finding out that she's sleeping with her running partner. And in "The Rhett Butlers" a teenager loses her virginity to her history teacher and then outgrows him. In snappy, glittering prose that is both utterly hilarious and achingly poignant, Katherine Heiny chronicles the ways in which

we are  
unfaithful to  
each other,  
both willfully  
and  
unwittingly.  
Maya, who  
appears in the  
title story and  
again in  
various states  
of love, forms  
the spine of  
this linked  
collection, and  
shows us  
through her  
moments of  
pleasure, loss,  
deceit, and  
kindness just  
how fickle the  
human heart  
can be.

human condition. From characteristically brief, evocative early pieces such as *The Huntsman* and his masterpiece *A Bet* to his best-known stories such as *The Lady with the Little Toy Dog* and *The Requiem*, this collection of Chekhov's remarkable short fiction possesses the unmatched power of art to awe and change the reader.
