500 Exercises to Improve, Upgrade and Enhance Your Mind Strength Carlton Books Limited

Work your mind out daily to lower your brain age and hone your puzzling skills! Created in collaboration with American Mensa®, these brand-new puzzles will truly test your noggin. Esteemed puzzler Fred Coughlin will walk you through how to solve each type of puzzle, complete with examples filled in, before sending you on your way into the ten different types of puzzles included. Beginning with a section of Sudoku, then moving into crossword-style fill-in puzzles, as well as logic and number games, there is something for everyone here. Not only will you feel super-smart and accomplished when completing these puzzles, you'll also sharpen your critical thinking and reasoning skills in the process! Brain health is just as important as physical and emotional health, and your brain deserves the best. So pick up a copy and do one puzzle each

morning with breakfast, at night before bed, or grab a couple copies for you and a friend and see who can correctly complete the most more quickly!

Honorary International President of MENSA Victor Serebriakoff has created two comprehensive tests?similar to the elaborate standardized ones administered by professional psychologists?perfectly designed to measure your cognitive skills, reasoning abilities, quick-learning capability, and problem-solving proficiency. Begin with the practice quizzes to warm up, and then proceed to the actual tests, which concentrate on verbal, mathematical, and spatial relations questions. At the end of the booklet, you'll find the right answers and an explanation of how to determine your IQ from your scores. There are also tables that convert your results into a percentage rating so you can assess where you fall in the general population.
