How to Write Law Essays and Exams provides law students with a practical and proven method of analyzing and answering essay and exam questions. The book focuses on those questions that give students the most trouble, namely problem questions, but its techniques are equally applicable to other types of essays. In addition to providing a framework for analyzing and writing law essays, the book teaches students how to identify relevant legal authorities, distinguish and harmonize conflicting legal precedents and evaluate the applicability of the law to the facts of the question at hand. The book also contains specific law-related revision techniques and general writing tips. Designed for law students of all levels, including those on A-level, university, conversion, and vocational courses, the text helps students understand their substantive courses while at the same time teaching vital writing and analytical skills.

Persuasion Teaching and Learning Company

Consumed by a myth about Zeus, a magic sword, and soul mates, Greek-American professor Thair Mylopoulos-Wright has spent much of her life searching for her Other Half. At thirty-one, she spends a summer in Greece; there, alone on a tranquil island, she begins writing stories about her grandmother's experiences in 1940s Egypt, her mother's youth in 1960s Greece, and finally, her own life in contemporary America—trying to make sense of her future by exploring the past. Spanning Thair's life from thirty-one to thirty-six, *The Greek Persuasion* explores human sexuality, the complexity of mother-daughter relationships, and the choices women of different generations make when choosing—or settling—for "Mr. (or Ms.) Good Enough." Will Thair ever find that missing part of her that Zeus chopped off with his magic sword? Or is the concept of The One just one big fairy tale that has left her searching for someone who doesn't exist?
